Subject: an introduction to Sachin Jain, MD

To: Eric Hunger

CC: Sachin Jain

Hello Eric

It has been a while since we spoke directly but I want to take this opportunity to introduce you to Sachin Jain, MD. Sachin is the incoming (July1) CEO of SCAN Group and Health Plan. I sit on the board of SCAN and know that over the years CareOregon and SCAN have traded intellectual capital to better serve the Medicare and dually eligible populations. In my years on the CareOregon board, I always thought the two organizations had both a mission and a cultural fit. So, with that preamble, I am eager to have the two of you meet. I have told Sachin about CareOregon and the admiration I have for you and team.
