

## Roster

---

### 1. Bill Bard

**Member since:** 2019

**Term end:** 2024

**Title:** Retired

**Organizational affiliation:** Consumer

**Location:** Multnomah

Bill Bard retired after a long career in IT in the airline industry when he developed a disability and became a 24/7 caregiver for his mother. Following her death, he volunteered at Providence Hospice and as a Certified Long-Term Care Ombudsman, advocating for the residents of long-term care facilities, for over a decade. He served two terms on the Residential Ombudsman and Public Guardian Advisory Board, as both chair and vice-chair, and completed a term on the National Consumer Voice for Quality Long-term Care Leadership Council. He continues to advocate for quality and equity for residents of Oregon's long-term care system. He has received the Governor's Senior Volunteer of the Year award and the National Consumer Voice for Quality Long-Term Care Leadership award.

---

### 2. Maili Boynay

**Member since:** 2015

**Term end:** 2024

**Title:** Vice President of Information Services Applications

**Organizational affiliation:** Legacy Health

**Location:** Multnomah

Maili Boynay has over 17 years of experience with health IT and has worked in the healthcare field for over two decades. She has project managed dozens of electronic health record implementations and led health IT strategic planning for ambulatory care delivery, including electronic health information sharing, interoperability, population/risk management, network collaboration, claims and clinical integration, and data warehouse strategies. She is a member of implementation committee of the Unity Center for Behavioral Health and was instrumental in extending Legacy's electronic health record to Albertina Kerr. She regularly presents to health IT groups about connecting communities, governance, and program growth. She also chaired Legacy's patient portal steering committee, which explored how to ensure patients can communicate with their providers and access their own medical records.

---

### 3. Manu Chaudhry, MS DDS

**Member since:** 2021

**Term end:** 2025

**Title:** President

**Organizational affiliation:** Capitol Dental Care

**Location:** Marion

Dr. Manu Chaudhry joined InterDent as Regional Clinical Director of San Francisco Bay Area and Nevada in 2018 and elevated to Leadership as President and Dental Director of Capitol Dental Care, a wholly owned subsidiary of InterDent in 2020. He has dedicated his life in the pursuit of improving clinical quality and transforming delivery and systems of care to improve overall health outcomes. Manu is a visionary, dynamic and mission-driven leader with extensive, proven leadership experiences in for-profit, not-for-profit and public health settings and he served as a Process Engineering for a Biotechnology company. He has also completed numerous courses in executive leadership, lean six sigma performance improvement, healthcare risk management, dental quality, regulatory and compliance matters. Manu is a board member for multiple organizations and holds a Master of Science in Biomedical Engineering from the University of California, San Diego and earned his Doctor of Dental Surgery from University of the Pacific, Arthur A. Dugoni School of Dentistry.

---

#### 4. Romney Cortes

**Member since:** 2022

**Term end:** 2026

**Title:** Director of Clinical Applications

**Organizational affiliation:** Central City Concern

**Location:** Multnomah

Romney Cortes (he/him) has worked in healthcare for 14 years, with 10 of those years in the Clinical Application/ information technology space. Over the years, Romney has worked with various hospital and ambulatory based systems, both in and out of Oregon, working to understand and improve their unique IT systems and challenges. More recently at Central City Concern, which provides healthcare, housing and employment services under a single umbrella, he is partnering with other members of the organization to integrate IT systems between all services to provide a better client experience and health outcomes. In his spare time, while Romney continues as a dedicated member at Central City Concern, he also operates as an EHR consultant for other health organizations.

---

#### 5. Erick Doolen

**Member since:** 2012; Chair since 2015

**Term end:** 2023

**Title:** Chief Operating Officer and Executive Vice President

**Organizational affiliation:** PacificSource

**Location:** Lane

Erick Doolen leads PacificSource's operational areas across lines of business including customer service, claims, enrollment and billing, information technology, analytics, human resources, and facilities. PacificSource serves commercial and Medicare Advantage

members in Oregon, Idaho, and Montana as well as Oregon Health Plan members. Erick joined PacificSource in 2005 as the Chief Information Officer and served in the role until taking on broader operational responsibilities in 2010. During that time, PacificSource had several acquisitions and expansions that took the company into Medicare Advantage and Medicaid as well as new states. Erick was responsible for the successful integration of systems and operations. Prior to PacificSource, Erick spent 11 years working at Hewlett-Packard in several manufacturing and technology leadership roles. Erick is the co-chair of the Oregon Health Leadership Council's Administrative Simplification Executive Committee, leading efforts across health plans and providers to simplify the administrative aspects of healthcare in Oregon.

---

## 6. David Dorr, MD

**Member since:** 2021

**Term end:** 2024

**Title:** Chief Research Information Officer

**Organizational affiliation:** Oregon Health & Science University

**Location:** Multnomah

Dr. David A. Dorr, an internal medicine doctor, is OHSU's Chief Research Information Officer. He focuses on improving capabilities and use of innovations to manage data, information, and knowledge in research and in translating it to health care. David has significant strategic and policy experience, particularly in the design, evaluation, and implementation of health IT intended to improve the health and well-being of populations impacted by systemic inequities. His interests lie in collaborative care, chronic disease management, quality and what clinical information systems need to support these areas. He also is interested in patient safety. David wants to provide the best care for older adults and people with chronic diseases. He has worked on longitudinal care management systems, which are holistic, patient-centered plans. They help keep better track of patients' needs and goals, help them manage their conditions better, and make them feel like a valued member of the team.

---

## 7. Amy Fellows

**Member since:** 2017

**Term end:** 2022

**Title:** Executive Director

**Organizational affiliation:** We Can Do Better

**Location:** Lane

Amy Fellows has cumulative experience of more than 15 years in healthcare and healthcare IT efforts. She is the Executive Director of We Can Do Better, which has been convening the Northwest OpenNotes Consortium since 2014 and has brought together most of the health systems in Oregon to open their provider notes to patients so that they can better engage in their own healthcare. We Can Do Better's mission is to create opportunities for nonpartisan civic education and engagement, bringing people together who share the

values of better health care and health for all. Previously, she worked for over 10 years installing Epic in safety net clinics for OCHIN. She continues consulting with other non-profit health organizations.

---

## 8. Valerie Fong, MSN RN

**Member since:** 2015

**Term end:** 2023

**Title:** Executive Director of Regional Informatics and Chief Nursing Informatics Officer

**Organizational affiliation:** Providence Health & Services

**Location:** Multnomah

Valerie Fong, MSN RN provides executive and strategic informatics oversight in her role as Executive Director of Regional Informatics and Chief Nursing Informatics Officer for the Oregon Region of Providence St. Joseph Health. She serves as an expert clinical transformation catalyst and translator to ensure clinical standards are incorporated into relevant systems technologies, data, workflow, and processes. Her clinical knowledge paired with business and technological experience in electronic health record design and implementation, information systems governance, and transitions of care enables her to lead diverse teams in partnership with clinical and business operations to manage and align nursing and information services strategies that improve and transform healthcare. She has presented at regional, national, and international conferences and contributed to numerous educational webinars and publications on clinical informatics topics.

---

## 9. Amy Henninger, MD

**Member since:** 2015, Vice Chair since 2017

**Term end:** 2023

**Title:** Primary Care Medical Director

**Organizational affiliation:** Multnomah County Health Department

**Location:** Multnomah

Dr. Amy Henninger has worked in Multnomah County's primary care clinic for the last 15 years, serving as the site medical director for 6 years and the primary care medical director for the last 4 years. She still sees patients and understands the day-to-day experiences of health care providers as they navigate health IT and health information sharing. She also has experience in clinic operations and works closely with the population and community services side of the health department. She was involved in the startup of the county's electronic health record and has continued to play a leadership role in system maintenance and upgrades. She was also a leader in rolling out My Chart, which allows patients to access their own health records. She is involved in the Care Oregon Metro Clinical Work Group, including work around population health and the use of data for quality improvement.

---

## 10. Mark Hetz

**Member since:** 2015, Ex Officio

**Term end:** 2025

**Title:** Executive Director

**Organizational affiliation:** HIT Commons

**Location:** Jackson

Mark Hetz has thirty years of healthcare IT experience and is currently the executive director for the HIT Commons. He is the former chief information officer at Asante and has served on numerous statewide committees, including HIT Commons Governance Board, Emergency Department Information Exchange/Pre-Managed Governing Board, Reliance eHealth Collaborative (formerly Jefferson Health Information Exchange) Governing Board, Health Future CIO Council, Oregon Association of Hospitals and Health Systems Health IT Technical Advisory Committee, Apprise/Information Network For Oregon Hospitals Data Governance Committee, Oregon Health Information Management Systems Society Advisory Council, Oregon Health IT Extension Center Advisory Council, and the Oregon Health Leadership Council Administrative Simplification Task Force.

---

## 11. Carly Hood-Ronick, MPA, MPH

**Member since:** 2021

**Term end:** 2025

**Title:** Executive Director

**Organizational affiliation:** Project Access NOW

**Location:** Multnomah

Carly Hood-Ronick is the Executive Director at Project Access NOW. Project Access NOW works to improve communities' health and well-being by creating access to care, services, and resources. They partner with care providers, hospitals, clinics, and other community-based organizations to address healthcare and social determinants of health needs to support under and uninsured people. Over the past decade, Carly has worked at the intersection of policy and public health in multiple states and countries to develop innovative upstream programs, establish measurable, community-driven priorities, and publish best practices in financing social care efforts. Through participation and leadership on a variety of state-level and national Boards and committees, Carly is called upon as a leader in systems-level equity efforts, including past Co-Chair and current member of the Oregon Health Policy Board's Health Equity Committee, supporting Medicaid metric and measurement development with regard to upstream investments, and advising on community and social health data sharing efforts. Prior to joining PANOW, Carly led strategy and implementation of social determinants of health and Medicaid engagement efforts alongside community health centers across Oregon, as a Director at the Oregon Primary Care Association.

---

## 12. Kellen Joseph

**Member since:** 2020

**Term end:** 2023

**Title:** Information Systems Manager, Clinical App Coordinator

**Organizational affiliation:** Yellowhawk Tribal Health Center

**Location:** Umatilla

Kellen Joseph has been with the Yellowhawk Tribal Health Center, which provides wraparound services including primary care, behavioral health, oral health, optometry, and community wellness, for ten years. He currently serves as the Information Systems Manager, Clinical App Coordinator, and a member of the Yellowhawk Executive Management Team. He joined Yellowhawk at the beginning of its EHR implementation efforts and has seen the impacts of health IT on providers and community members. Kellen is also an enrolled member of the Confederated Tribes of the Umatilla Indian Reservation, and he and many of his family members are also patients at Yellowhawk.

---

### 13. Ann Kasper

**Member since:** 2022

**Term end:** 2025

**Title:** Mental Health Senior Digital Peer Outreach Specialist

**Organizational affiliation:** Community Counseling Solutions

**Location:** Multnomah

Ann Kasper (she/hers) MA, CPSS, has over 30 years of mental health care experience including hospital program design planning, statute drafting, and pioneering police crisis training. She now administers older adult digital peer support statewide with a focus on Eastern Oregon and serves as an executive committee member of the Global Mental Health Peer Network based in South Africa. She procured sponsorships for more than 800 refugees, taught English to Speakers of Other Languages including English for Engineers and U.S. citizenship preparation as adjunct faculty for 20 years while not being allowed to have any health insurance in Oregon. She worked in county quality assurance, digital academic research, and special education with technology devices. She runs The WiseCrackers, a 50+ international advocacy group and instructs Japanese language to very active preschoolers.

---

### 14. Kristina Martin

**Member since:** 2022

**Term end:** 2026

**Title:** Chief Information Officer

**Organizational affiliation:** Curry Health

**Location:** Curry

Kristina Martin has worked in health IT for the last 26 years, holding both technical and management positions. Since 2015 she has served as Chief Information Officer (CIO) of Curry Health Network on the southern Oregon Coast. As CIO she wants to have a positive impact on the lives of patients in the communities her health system serves.

---

## 15. Abdisalan Muse, MS

**Member since:** 2021

**Term end:** 2024

**Title:** Data and Reporting Manager

**Organizational affiliation:** Multnomah County Health Department

**Location:** Multnomah

Abdisalan Muse is a Data and Reporting Manager with Multnomah County Health Department, where he has been for 20 years. Abdisalan's experience spans various programs and different state and federal jurisdictions. He has coordinated the implementation, use, modifications, and complex integrations of information systems for Multnomah County public health programs. Abdisalan sees opportunities where platforms can integrate in our siloed healthcare system. He also served on the Immigrant and Refugee Community Organization (IRCO) and Neighborhood House boards, co-founded an African House that serves African immigrant and refugee communities, and co-chaired a diversity and quality team for the county's public health division.

---

## 16. Dave Perkins

**Member since:** 2022

**Term end:** 2024

**Title:** Chief Information Officer

**Organizational affiliation:** Yakima Valley Farm Workers Clinic

**Location:** Southern Washington State, organization serves much of Oregon

David Perkins is the CIO for Yakima Valley Farm Workers Clinic (YVFWC), a federally qualified community health center headquartered in Eastern Washington, with clinics and other service locations throughout Eastern Washington and Western Oregon. Offering medical, dental, mental/behavioral health, pharmacy, and other social and community-based health services, YVFWC's mission targets the underserved in both rural and urban settings. Dave has worked in health IT, helping mission-driven provider organizations like YVFWC to design systems and processes that ensure access to quality care and promote health equity for the most vulnerable populations for 18 years.
