

Roster

1. Bill Bard

Member since: 2019

Term end: 2024

Title: Retired

Organizational affiliation: Consumer

Location: Multnomah

Bill Bard retired after a long career in IT in the airline industry when he developed a disability and became a 24/7 caregiver for his mother. Following her death, he volunteered at Providence Hospice and as a Certified Long-Term Care Ombudsman, advocating for the residents of long-term care facilities, for over a decade. He served two terms on the Residential Ombudsman and Public Guardian Advisory Board, as both chair and vice-chair, and completed a term on the National Consumer Voice for Quality Long-term Care Leadership Council. He continues to advocate for quality and equity for residents of Oregon's long-term care system. He has received the Governor's Senior Volunteer of the Year award and the National Consumer Voice for Quality Long-Term Care Leadership award.

2. Maili Boynay

Member since: 2015

Term end: 2024

Title: Vice President of Information Services Applications

Organizational affiliation: Legacy Health

Location: Multnomah

Maili Boynay has over 17 years of experience with health IT and has worked in the healthcare field for over two decades. She has project managed dozens of electronic health record implementations and led health IT strategic planning for ambulatory care delivery, including electronic health information sharing, interoperability, population/risk management, network collaboration, claims and clinical integration, and data warehouse strategies. She is a member of implementation committee of the Unity Center for Behavioral Health and was instrumental in extending Legacy's electronic health record to Albertina Kerr. She regularly presents to health IT groups about connecting communities, governance, and program growth. She also chaired Legacy's patient portal steering committee, which explored how to ensure patients can communicate with their providers and access their own medical records.

3. Manu Chaudhry, MS DDS

Member since: 2021

Term end: 2025

Title: President

Organizational affiliation: Capitol Dental Care

Location: Marion

Dr. Manu Chaudhry has dedicated his career to the pursuit of improving clinical quality and access to care and transforming delivery of care to improve overall health outcomes. He is a dynamic and visionary leader with extensive leadership experience over multi-region dental practices and has also founded multiple collaborative organizations that reduce oral and overall health disparities. Dr. Chaudhry serves as Vice Chair of OHA's Metrics and Scoring Committee, a member of OHA's Health IT Oversight Council, a member of OHA's Healthcare Workforce Committee, and a board member of Healthier Kids Foundation. He holds a Master of Science in Biomedical Engineering from the University of California, San Diego and earned his Doctor of Dental Surgery from University of the Pacific.

4. Romney Cortes

Member since: 2022

Term end: 2026

Title: Director of Clinical Applications

Organizational affiliation: Central City Concern

Location: Multnomah

Romney Cortes (he/him) has worked in healthcare for 14 years, with 10 of those years in the Clinical Application/ information technology space. Over the years, Romney has worked with various hospital and ambulatory based systems, both in and out of Oregon, working to understand and improve their unique IT systems and challenges. More recently at Central City Concern, which provides healthcare, housing and employment services under a single umbrella, he is partnering with other members of the organization to integrate IT systems between all services to provide a better client experience and health outcomes. In his spare time, while Romney continues as a dedicated member at Central City Concern, he also operates as an EHR consultant for other health organizations.

5. Erick Doolen

Member since: 2012

Term end: 2023

Title: Chief Operating Officer and Executive Vice President

Organizational affiliation: PacificSource

Location: Lane

Erick Doolen leads PacificSource's operational areas across lines of business including customer service, claims, enrollment and billing, information technology, analytics, human resources, and facilities. PacificSource serves commercial and Medicare Advantage members in Oregon, Idaho, and Montana as well as Oregon Health Plan members. Erick joined PacificSource in 2005 as the Chief Information Officer and served in the role until taking on broader operational responsibilities in 2010. During that time, PacificSource had several acquisitions and expansions that took the company into Medicare Advantage and

Medicaid as well as new states. Erick was responsible for the successful integration of systems and operations. Prior to PacificSource, Erick spent 11 years working at Hewlett-Packard in several manufacturing and technology leadership roles. Erick is the co-chair of the Oregon Health Leadership Council's Administrative Simplification Executive Committee, leading efforts across health plans and providers to simplify the administrative aspects of healthcare in Oregon.

6. David Dorr, MD

Member since: 2021; Chair since 2023

Term end: 2024

Title: Chief Research Information Officer

Organizational affiliation: Oregon Health & Science University

Location: Multnomah

Dr. David A. Dorr, an internal medicine doctor, is OHSU's Chief Research Information Officer. He focuses on improving capabilities and use of innovations to manage data, information, and knowledge in research and in translating it to health care. David has significant strategic and policy experience, particularly in the design, evaluation, and implementation of health IT intended to improve the health and well-being of populations impacted by systemic inequities. His interests lie in collaborative care, chronic disease management, quality and what clinical information systems need to support these areas. He also is interested in patient safety. David wants to provide the best care for older adults and people with chronic diseases. He has worked on longitudinal care management systems, which are holistic, patient-centered plans. They help keep better track of patients' needs and goals, help them manage their conditions better, and make them feel like a valued member of the team.

7. Amy Henninger, MD

Member since: 2015, Vice Chair since 2017

Term end: 2023

Title: Primary Care Medical Director

Organizational affiliation: Multnomah County Health Department

Location: Multnomah

Dr. Amy Henninger has worked in Multnomah County's primary care clinic for the last 15 years, serving as the site medical director for 6 years and the primary care medical director for the last 4 years. She still sees patients and understands the day-to-day experiences of health care providers as they navigate health IT and health information sharing. She also has experience in clinic operations and works closely with the population and community services side of the health department. She was involved in the startup of the county's electronic health record and has continued to play a leadership role in system maintenance and upgrades. She was also a leader in rolling out My Chart, which allows patients to access their own health records. She is involved in the Care Oregon Metro Clinical Work Group, including work around population health and the use of data for quality improvement.

8. Mark Hetz

Member since: 2015, Ex Officio

Term end: 2025

Title: Executive Director

Organizational affiliation: HIT Commons

Location: Jackson

Mark Hetz has thirty years of healthcare IT experience and is currently the executive director for the HIT Commons. He is the former chief information officer at Asante and has served on numerous statewide committees, including HIT Commons Governance Board, Emergency Department Information Exchange/Pre-Managed Governing Board, Reliance eHealth Collaborative (formerly Jefferson Health Information Exchange) Governing Board, Health Future CIO Council, Oregon Association of Hospitals and Health Systems Health IT Technical Advisory Committee, Apprise/Information Network For Oregon Hospitals Data Governance Committee, Oregon Health Information Management Systems Society Advisory Council, Oregon Health IT Extension Center Advisory Council, and the Oregon Health Leadership Council Administrative Simplification Task Force.

9. Carly Hood-Ronick, MPA, MPH

Member since: 2021

Term end: 2025

Title: Executive Director

Organizational affiliation: Project Access NOW

Location: Multnomah

Carly Hood-Ronick is the Executive Director at Project Access NOW. Project Access NOW works to improve communities' health and well-being by creating access to care, services, and resources. They partner with care providers, hospitals, clinics, and other community-based organizations to address healthcare and social determinants of health needs to support under and uninsured people. Over the past decade, Carly has worked at the intersection of policy and public health in multiple states and countries to develop innovative upstream programs, establish measurable, community-driven priorities, and publish best practices in financing social care efforts. Through participation and leadership on a variety of state-level and national Boards and committees, Carly is called upon as a leader in systems-level equity efforts, including past Co-Chair and current member of the Oregon Health Policy Board's Health Equity Committee, supporting Medicaid metric and measurement development with regard to upstream investments, and advising on community and social health data sharing efforts. Prior to joining PANOW, Carly led strategy and implementation of social determinants of health and Medicaid engagement efforts alongside community health centers across Oregon, as a Director at the Oregon Primary Care Association.

10. Ann Kasper

Member since: 2022

Term end: 2025

Title: Mental Health Senior Digital Peer Outreach Specialist

Organizational affiliation: Global Mental Health Peer Network

Location: Multnomah

Ann Kasper (she/hers) MA, CPSS, has over 30 years of mental health care experience including hospital program design planning, statute drafting, and pioneering police crisis training. She now administers older adult digital peer support statewide with a focus on Eastern Oregon and serves as an executive committee member of the Global Mental Health Peer Network based in South Africa. She procured sponsorships for more than 800 refugees, taught English to Speakers of Other Languages including English for Engineers and U.S. citizenship preparation as adjunct faculty for 20 years while not being allowed to have any health insurance in Oregon. She worked in county quality assurance, digital academic research, and special education with technology devices. She runs The WiseCrackers, a 50+ international advocacy group and instructs Japanese language to very active preschoolers.

11. Kristina Martin

Member since: 2022

Term end: 2026

Title: Chief Information Officer

Organizational affiliation: Curry Health

Location: Curry

Kristina Martin has worked in health IT for the last 26 years, holding both technical and management positions. Since 2015 she has served as Chief Information Officer (CIO) of Curry Health Network on the southern Oregon Coast. As CIO she wants to have a positive impact on the lives of patients in the communities her health system serves.

12. Dave Perkins

Member since: 2022

Term end: 2024

Title: Chief Information Officer

Organizational affiliation: Yakima Valley Farm Workers Clinic

Location: Southern Washington State, organization serves much of Oregon

David Perkins is the CIO for Yakima Valley Farm Workers Clinic (YVFWC), a federally qualified community health center headquartered in Eastern Washington, with clinics and other service locations throughout Eastern Washington and Western Oregon. Offering medical, dental, mental/behavioral health, pharmacy, and other social and community-based health services, YVFWC's mission targets the underserved in both rural and urban settings. Dave has worked in health IT, helping mission-driven provider organizations like

YVFWC to design systems and processes that ensure access to quality care and promote health equity for the most vulnerable populations for 18 years.
