
Clinical Quality Metrics Registry (CQMR) Subject Matter Expert Workgroup

December 12, 2018

Agenda

- Welcome and agenda review
- User Acceptance Testing Roundtable
- Wrap-up and next steps

UAT Reminders

- UAT ends Friday, 12/14
- OneHealthPort has scheduled maintenance Thursday, 12/13, 6-11 am, so no access to testing that morning
- If you run into any roadblocks, please reach out
- Feedback survey will be sent out after UAT

UAT Roundtable

- Testing process
- System functionality and usability
- Training materials and FAQs

Next in UAT

- Continuing to review test feedback to identify any defects and timing to address issues
- Decision on launch date will be announced no later than 12/19

Next Steps

- Next meeting: January 9, 2019
- Feedback and suggestions for future meetings:
