Introduction

This guide reviews the reports available in the Clinical Quality Metrics Registry. For other topics, such as submitting data and using dashboards, please see the [training materials](#).

Viewing Reports

You can view reports detailing quality measure information for your organization(s), practice(s), or provider(s) based on your role’s permissions and access levels. For more information about role permissions, affiliations, and access levels, see the [training materials](#) on CQMR roles.

***TIP:** You can save a particular view of a report and, if desired, set it as your default view. After using the filters, click the view button at the bottom of the report and use the pop-up screen to name and save your custom view as shown in the example below.*

Measure	Value	Target	Score	Denominator	Score	Denominator
Numerator 3 Total	100.0%	75	75	0	0	0

Medicaid EHR Incentive Program Operational Report

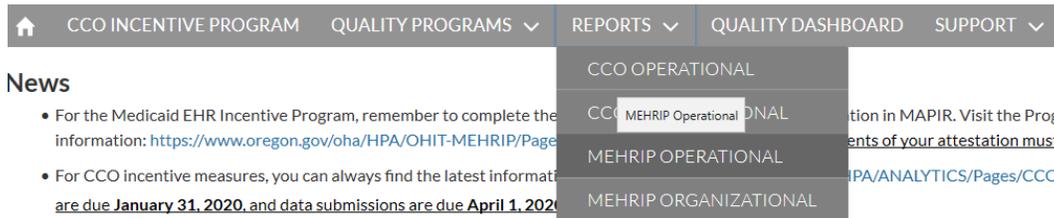

The MEHRIP Operational Report helps you track which providers in your organization have eQMs submitted to Oregon’s Medicaid EHR Incentive Program for a given reporting period. This report populates as soon as a user submits the data.

***TIP:** To refresh the report to show the latest data that has been submitted, scroll to the bottom of the screen and click “Refresh.”*

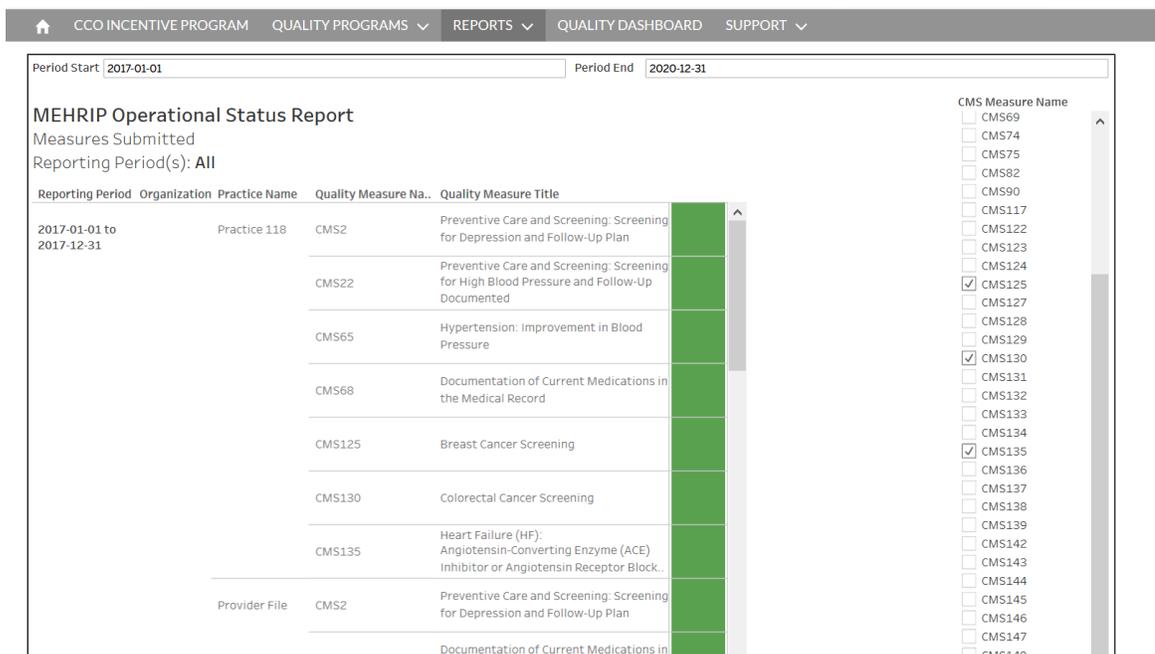

These are the steps to access and filter MEHRIP Operational Reports.

¹ For more information on dashboard views, including information on using the target configurator to set targets and caution margins to be displayed, please see the CQMR [training materials](#) document on dashboards.

1. From the CQMR’s OneHealthPort [single sign-on page](#), log into the CQMR. From the home screen, in the top toolbar, click on the Reports tab and select “MEHRIP Operational Report.”

2. Use the filters at the top of the screen to select the desired reporting period and measure(s). This report indicates which measures were submitted by a provider. If a measure was not submitted, it will not appear on the report.

3. You also may [download](#) or [subscribe](#) to the report.

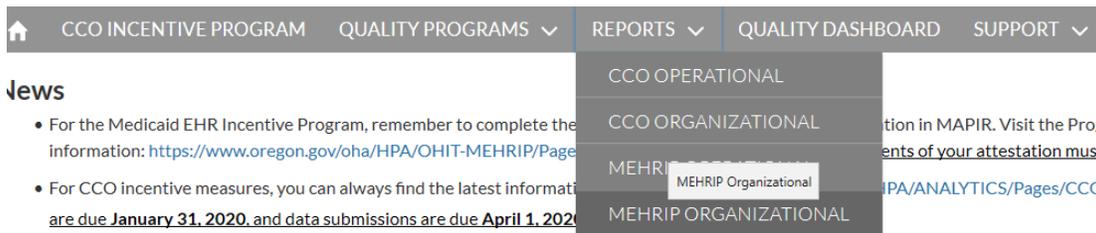

MEHRIP Organizational Report

The MEHRIP Organizational Report shows the eCQM performance details for providers as submitted to Oregon’s Medicaid EHR Incentive Program, so you can see performance for all the providers in your organization. The MEHRIP Organizational Report is populated with data as soon as users submit data. This report is optimized for export to Excel.

TIP: To refresh the report to show the latest data that has been submitted, scroll to the bottom of the screen and click “Refresh.”

These are the steps to access and filter MEHRIP Organizational Reports.

1. From the CQMR’s OneHealthPort [single sign-on page](#), log into the CQMR. From the home screen, in the top toolbar, click on the Reports tab and select “MEHRIP Organizational Report.”

2. Use the filters to select the desired reporting period, provider (by NPI), provider (by name), practice, and measures to view in the report.

The screenshot shows the 'MEHRIP Organizational Status Report' interface. It includes filters for Period Start (2019-01-01), Period End (2019-12-31), Provider NPI (All), Provider Name (Test provider), Practice Name (All), and CMS Measure (All). The report title is 'MEHRIP Organizational Status Report' and the reporting period is '2019-01-01 to 2019-12-31'. Below the filters is a table with the following data:

Reporting Period	Upload Timestamp	Practice Name	Provider NPI	Reporting Type	CMS Measure Name	Quality Measure Title	Numerator / Stratum	Performance Rate	Numerator	Denominator
2019-01-01 to 2019-12-31	Jan 6 2020 2:35PM	Test provider	2233445588	MEHRIP FLAT	CMS2	Preventive Care and Screening: Screening for Depression and Follow-Up Plan	Numerator 1 Total	50.00%	2,000	4,000

3. View the provider performance for each measure, including
 - a) Performance Rate
 - b) Numerator
 - c) Denominator
 - d) Denominator Exclusions
 - e) Denominator Exclusions % of Total
 - f) Denominator Exemptions

- g) Measure Submitted Above Threshold²
- h) Performance Rate Standard Deviation
- i) Providers Submitting Above Threshold²

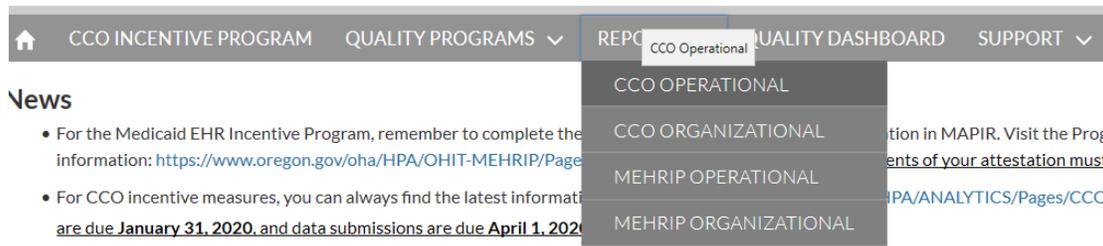

4. You also may [download](#) or [subscribe](#) to the report.

CCO Operational Status Report

This report allows a CCO to track submission status relative to the data proposal. You can use this report to see whether data has been submitted as planned.

TIP: To refresh the report to show the latest data that has been submitted, scroll to the bottom of the screen and click “Refresh.”

1. From the CQMR’s OneHealthPort [single sign-on page](#), log into the CQMR. From the home screen, in the top toolbar, click on the Reports tab and select “CCO Operational Report.”

2. Use the filters to select the desired reporting period and CCO(s). You can select and view only the CCO(s) that you are associated with.

² Thresholds can be selected by the user in the target configurator. For the Medicaid EHR Incentive Program, there are no eCQM performance benchmarks. The ability to configure thresholds is provided to enable tracking against benchmarks or targets as used in other programs. For information on using the target configurator, please see the CQMR [training materials](#) document on dashboards.

3. You also may [download](#) or [subscribe](#) to the report.

TIP: A CCO may download this report as a crosstab to review the details on identifiers (TINs, PCPCH IDs, NPIs) for the organizations, practices, and providers listed in the CCO’s data proposal. To allow a more user-friendly view within space constraints of a screen, these details are not displayed on the screen view, but they are included in the crosstab download. For a CCO using the Excel template to upload data, the information may be copied from this report into the appropriate Excel template columns.

CCO Organizational Status Report

This report contains the performance data for the CCO from the reporting organizations, practices, and providers.

TIP: To refresh the report to show the latest data that has been submitted, scroll to the bottom of the screen and click “Refresh.”

1. From the CQMR’s OneHealthPort [single sign-on page](#), log into the CQMR. From the home screen, in the top toolbar, click on the Reports tab and select “CCO Organizational Report.”

The screenshot shows the top navigation bar with 'REPORTS' selected. A dropdown menu is open, showing 'CCO OPERATIONAL' and 'CCO ORGANIZATIONAL' as options. Below the menu, a 'News' section is partially visible with a bullet point starting 'For the Medicaid EHR Incentive Program, remember to complete the'.

- Use the filters to select the desired reporting period, population, organization, practice, provider, and measures to view in the report.

TIP: A CCO may download this report as a crosstab to review the details on identifiers (TINs, PCPCH IDs, NPIs) for the organizations, practices, and providers listed in the CCO's data proposal. To allow a more user-friendly view within space constraints of a screen, these details are not displayed on the screen view, but they are included in the crosstab download. For a CCO

using the Excel template to upload data, the information may be copied from this report into the appropriate Excel template columns.

Downloading Reports

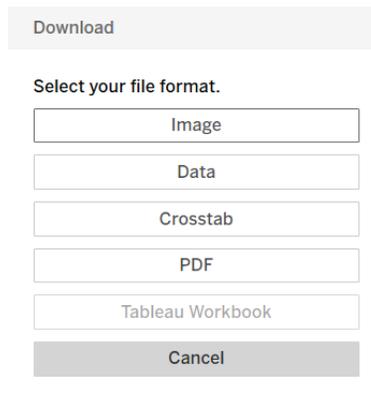

You can export a report by clicking the “Download” button located on the bottom toolbar. You may need to scroll down in the reports frame to see the Download button.

TIP: This option will export the report as you have it configured when you click Download. Any filters you have applied to your view are also applied to downloaded data. For example, if you have filtered your report to ABC Clinic, only the data for ABC Clinic will appear in the download.

Formats for Downloading

You have multiple format options for how to download your data.
