# Clinical Quality Metrics Registry User Group

March 10, 2020

Oregon Health Authority

# Welcome and Agenda Review

Topics for today

- Using the CQMR – tips and tricks, Q&A

- What's coming next in the CQMR

- QRDA I Technical Assistance

- Wrap up and next steps

# Getting to Know You

Menti Poll: Go to www.menti.com and enter the code 99 01 98 to answer the following questions:

- Which program(s) do you use the CQMR for?
- Which reporting year(s)? (2018, 2019)
- Results

# Reports

Menti Poll: Go to www.menti.com and enter the code 94 12 60 to answer the following questions:

- Have you used dashboards or reports in the CQMR?
- If not, why not?
- Results

Oregon
Health
Authority

# Training

Menti Poll: Go to [www.menti.com](http://www.menti.com) and enter the code 74 02 7 to answer the following questions:

- What training opportunities have you used?
- Requests for other training?
- [Results](#)

# Using the CQMR

- [Browser](#) reminders
    - Internet Explorer is not supported
    - For Microsoft Edge, may need to add trusted sites

- [Reports](#)
    - Refresh button at the bottom of the screen refreshes data
    - You can set up your report view and save that as your default view
    - You can download reports in multiple formats
        - Crosstab is optimized for Excel so you can sort and filter

# Tips for Medicaid EHR Incentive Program Users

- You need to report only 6 eCQMs for the program.
  - In Excel template, please fill out the 6 eCQMs you want to report.
  - If you are using QRDA 3, please select the 6 eCQMs you want to report.
- If you are using the attestation option, be sure to use the 2019 template, and submit one file per EP.

Your questions?

Oregon Health Authority

# Tips for CCO Incentive Measure Users

- **CCO data submissions** need to match up with your data proposal
  - For Excel template, use reports to pull the identifying info from data proposal
  - For QRDA 3 files, use file naming convention for clinic reporting:
    [Year]_[CCO ID]_[PCPCH ID]_[file name]

- Tip: If you use webform (data proposal screen) to enter data, the system populates measure performance calculation – but you won't see the calculation until you reopen the webform

Your questions?

# Current Uses of the CQMR

- Today, eCQM reporting for multiple programs
    - Medicaid EHR Incentive Program
    - CCO incentive measures
    - Comprehensive Primary Care Plus (CPC+) (supported)
    - Merit-based Incentive Payment System (MIPS) (supported)

- Approximately 130 organizations onboarded so far

- Intention to support additional programs over time

# Coming next for CQMR:
# QRDA I dashboard

## What is it?

Functionality to allow users to upload, review, and submit a sample of QRDA I files

## Why is it needed?

Enable users to review files before submitting for CCO incentive measure reporting; sample submission is a first step toward patient-level data reporting

## What's next?

Dashboard training [webinar](#) Wednesday, 3/25, 10-11

# Coming up for the CQMR:
## Active Care Relationship Services (ACRS) Implementation

## What is it?

A system enhancement to use enrollment data and patient matching to filter patient-level eCQM data by payer

## Why is it needed?

CMS eCQMs are specified for all-payer reporting and don't include allocation to specific payers/ continuous enrollment criteria

## What is the first use case?

MMIS enrollment data to support allocating patients to CCOs for eCQMs

Oregon Health Authority

# QRDA I Technical Assistance

Technical assistance available to clinics on reporting eCQMs at the individual patient level

- TA provided by OHSU Care Management Plus team
- Over 70 clinics/ organizations engaged so far
- TA includes assessment of clinic's needs and at-the-elbow support, plus EHR vendor-specific user guides and user groups

TA project info and user guides available on QRDA I TA page

For more information, contact Oregon.CQMR@dhsoha.state.or.us

# Wrap up: Upcoming Events and Deadlines

Reporting deadlines

- Medicaid EHR Incentive Program: Tuesday, March 31

- CCO Incentive Measures:
    - Aggregated EHR-based measure data submission: Wednesday, April 1
    - QRDA I sample submission: Thursday, April 30

Training

- [Webinar](#) on QRDA I dashboards: Wednesday, March 25, 10-11
- Materials available on CQMR [Resources](#) page

# Wrap up: Next user group meeting

Menti Poll: Go to www.menti.com and enter the code 87 77 51 to answer the following questions:

- What topics would you like to see covered at later meetings?
- Other feedback to make the user group useful for you?
- Results

Oregon Health Authority

# Wrap up: Next user group meeting

Next user group meeting will likely be in June
