

# Care Coordination & Intensive Care Coordination (CC/ICC) 2022 Learning Collaborative Series

*The Oregon Health Authority (OHA) Transformation Center is hosting a monthly virtual learning collaborative to support Coordinated Care Organizations (CCOs) and other organizations that provide care coordination services to Oregon Health Plan (OHP) members. The year-long learning collaborative will provide support toward understanding and meeting CCO 2.0 care coordination requirements and facilitate sharing of CC/ICC best practices for advancing equity, improving health outcomes, and achieving the goals of Oregon's CCO model.*

**Date** October 20, 2022  
**Time** Noon – 2:00 PM  
**Location** Virtual, over [Zoom](#)

## Session Objectives

- Create enduring CC/ICC communities of practice
- Learn more about Oregon requirements for CC/ICC
- Describe I/DD and APD Long-Term Services and Supports systems of care
- Discuss how the LTSS and CC/ICC coordination models intersect
- Identify strategies and next steps to enhance collaboration between CCO and LTSS care coordination programs
