

2020 Transformation and Quality Strategy Technical Assistance

Coordinated care organization (CCO) staff are invited to participate in technical assistance for developing the 2020 Transformation and Quality Strategy (TQS). This series is hosted by the OHA Transformation Center.

Background: The TQS aims to move health system transformation by aligning and coordinating internal CCO health transformation and quality initiatives. The programs and projects included in each CCO's TQS are a showcase of current CCO work and are not a comprehensive catalogue or full representation of the CCO's body of work in any component area.

Audience: CCO transformation staff, quality staff and subject area leads, depending on webinar topic

Contact: If you have questions, please contact Anona Gund (anona.e.gund@state.or.us or 971-673-2832).
