

## Social Emotional Health Metric Learning Collaborative

June 21, 2022, noon-2 p.m.

### Goals

- Provide additional context around measure and reach data
- Learn from other CCOs about how they are analyzing reach data

### Agenda

- **Introductions and agenda overview** – Diana Bianco, Artemis Consulting
- **Logistics** – Diana
  - Meeting dates
  - Resource library
  - Prioritization of topics
- **Context setting, Part 2** – Sara Kleinschmit, OHA
- **Small group discussions: Focus on reach data**
  - How are you analyzing reach data?
  - What strategies are you using and what roadblocks are you encountering?
  - What questions do you still have?
- **Report out**
- **Full group discussion: Visualization of data**
  - How are you presenting the data? What are some ideas?
- **Close and next steps** – Diana
