

Oregon Health Authority Technical Assistance for CCOs

Adolescent Well-Care Visit Webinars

CCOs and clinics are invited to participate in a technical assistance opportunity for increasing adolescent well-care visit rates hosted by the OHA Transformation Center.

Presenters: Oregon Pediatric Improvement Partnership

Audience: CCO medical directors, quality improvement staff and their teams working to improve adolescent well-care visit rates; primary care providers and clinic staff

Additional meeting materials (resources, handouts, slides) are available at:
