# What is Systems of Care?

A **spectrum** of effective, community-based services and supports for children and youth with or at risk of challenges, *and their families...*

Organized into:

- *a coordinated network*
- *that builds meaningful partnerships with families and youth*
- *and addresses their cultural and linguistic needs*

...in order to help them to function better in all life domains.

# Systems of Care in Oregon

## 2009 Statewide Wraparound Legislation

- House Bill 2144 passed the 2009 Legislative Session providing statutory direction for the Statewide Systems of Care and Wraparound Initiative.
- DHS and Oregon Health Authority are identified as the lead agencies, among partner agencies including Dept. of Education, Oregon Youth Authority, Commission on Children and Families, & other appropriate agencies involved in the systems of care.

## 2009 Demonstration

- 8 counties awarded
- Report on progress and cost of full implementation

## 2014 Expansion

- 13 CCOs awarded across 30 counties
