

LEARN WITH OHA

Join Oregon Health Authority's (OHA) COVID-19 Feedback Team to learn how we are using direct feedback from people in Oregon to support the COVID-19 Response and Recovery. We will also be sharing strategies and tips on how to build "feedback culture" within your organization.

OHA's COVID-19 Feedback Team will be hosting a 3-part webinar series for internal staff and community partners.

We will be sharing:

- Information about our feedback management process.
- Lessons learned and strategies on how to design an equity-centered feedback management process.
- Information on ways to contact us and how we can collaborate to support your team.

JOIN US!

For individuals with disabilities or individuals who speak limited English we can provide free help. Some examples are sign language and spoken language interpreters, real-time captioning, braille, large print, audio, and written materials in other languages. If you need help with these services or other related services please contact Colin Sanders, 503-602-2220 (voice/text), colin.s.sanders@dhsaha.state.or.us at least 48 hours before the meeting. All relay service calls are accepted. To best ensure our ability to provide a modification please contact us if you are considering attending the meeting and require a modification. The earlier you make a request the more likely we can meet the need.
