Future Efforts

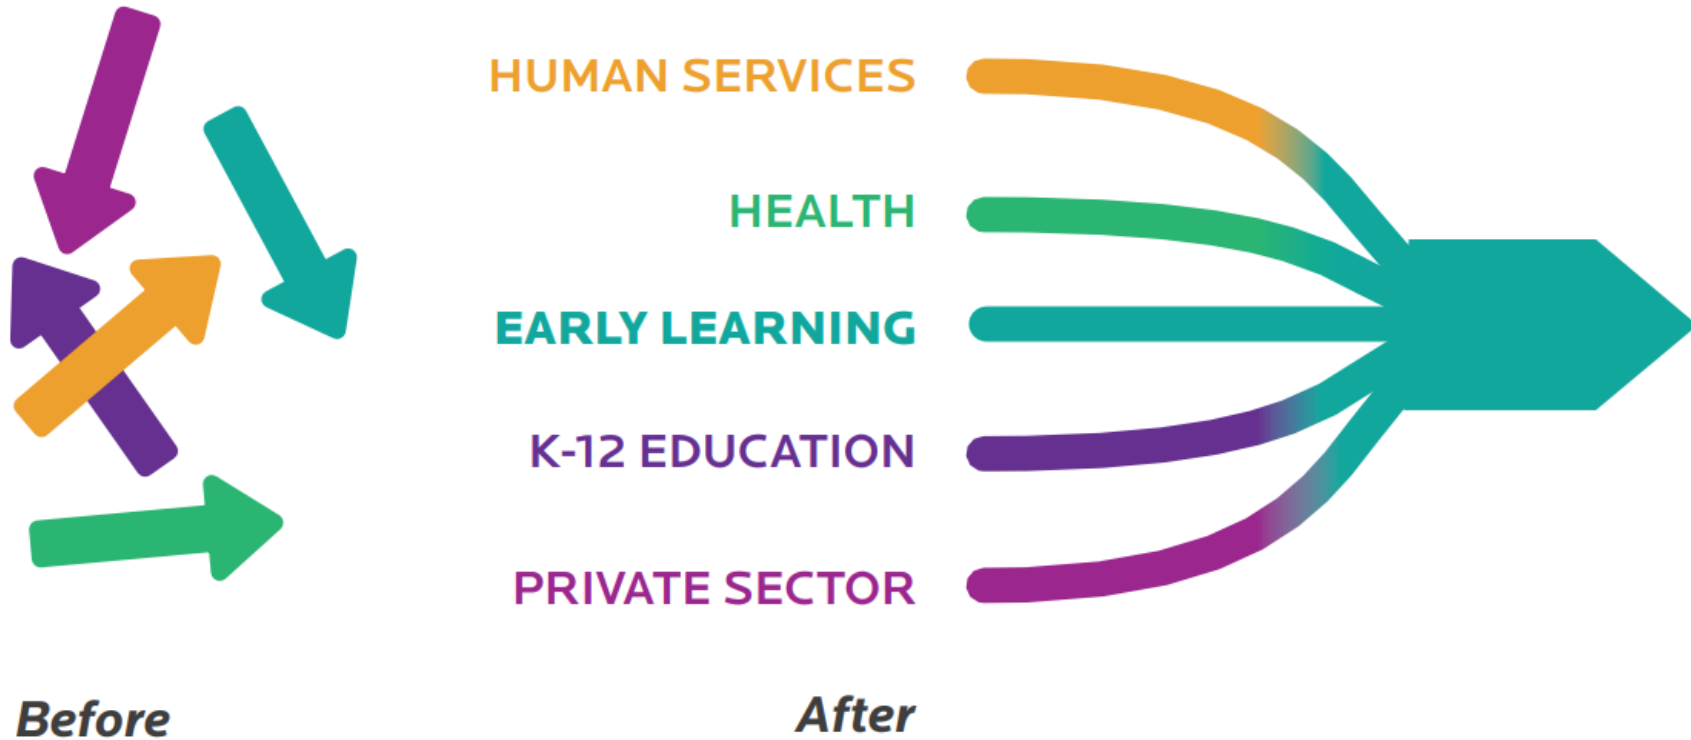

- Through collaboration:
 - Asset Mapping
 - Cross-Sector Community Engagement
 - Action Plan Development
- Examples:
 - Increased CHA Presence w/ELH
 - Maternity
 - + Quality
 - + Behavioral Health
 - CHA Initiatives
 - Incentive Metrics
 - + Health Equity
 - + System of Care

And more to come!

Early Learning Hubs and the HAKR-SEM Year 1 Community Engagement Work

The Early Learning Hubs are specifically designed and implemented in a way to bring several key players together to support children.

Option A:

- CCO Goes It Alone
- Books Separate Meetings
- Plans Separate Interventions with Each Stakeholder

Option B:

- CCO Coordinates with ELH
- Books One Meeting
- All CBOs, Care Providers, and Agencies are available to plan action together

Which should you choose?
