

## Consulting Services of The Next Door, Inc.

Is your staff fully prepared to serve and engage with diverse populations? Our services will help your team meet your specific needs, promote inclusion and equity in all that you do and help you meet mandated training requirements. We provide these services:

### Communication Support:

- Spanish Language Focus Group Facilitation & Research
- Spanish Language Interpretation
- Plain Language Training
- Popular Education Training
- Latino Outreach Consultation

### Cultural Awareness Trainings:

- Diversity, Equity and Inclusion
- Power and Privilege
- Challenging “Isms” and Implicit Bias
- Social Determinants of Health

### Leadership Trainings:

- Community Health Worker Certification/Supervisor Training
- Transformational Communication Training

**Training fees:** Service fees are determined based on the needs of each training in regards to customized content, length, # of participants, etc.

The Next Door, Inc. is the largest social service organization in the Columbia River Gorge. Our programs support our mission of *“opening doors to new possibilities by strengthening children and families and improving communities”*.
