- Please take this quick poll to tell us what days, times, and topic areas work best for you.
- We'll share 2026 dates soon.

# HRSN Dashboard Preview

# Goal: Release Public-Facing Dashboard by Early 2026

The HRSN dashboard will be updated quarterly and have four main content areas:

## 1. HRSN Covered Population

- What portion of OHP members are part of a group that could qualify?

## 2. Members that received HRSN Services

- Age
- County
- REALD data

## 3. HRSN Services

- Service types delivered and trends over time

## 4. HRSN Providers

- Providers delivering services
- Provider list and service areas

## Keep in mind...

- HRSN is a new program and data is still developing.
- This dashboard will not have real-time data. All Medicaid data takes 3 months before we can publicly report it, and some HRSN data takes even longer.
- We care a lot about the privacy of members. All small numbers will be hidden.
- This is version 1 of the dashboard. We will have more updates in the future including adding additional data sources.
- This dashboard is still in review and some aspects might change.

**Data Notes:**

1. Some providers who registered in MMIS as an HRSN provider, may not be actively delivering services.
2. Out-of-state providers and CCOs are included because they can also provide services to members.
3. Some providers enrolled more than once under the same name, duplicate entries have been removed for data consistency.

# Additional HRSN Updates

# HRSN Outreach & Engagement Open Card Billing Follow Up

**Issue:** OHA heard from HRSN service providers that HRSN O&E standalone claims were being denied. This happened because there was no authorization on file, and the Open Card contractor did not have insight into whether these were covered HRSN members.

- You can bill O&E to Open Card if you are enrolled as an HRSN O&E service provider.
- You should not have claim denials for this issue as there is a workaround in place for the Open Card contractor to accept claims until an automated solution occurs.

If you do have any issues, please email [ORHRSN@Acentra.com](mailto:ORHRSN@Acentra.com).

# HRSN Billing Updates

## Fee Schedule Updates: Rent and Utility Financial Assistance

- New rates in effect beginning November 1, 2025.
- Service requests that were approved **before** November 1, 2025 will refer to the previous fee schedule, effective November 1, 2024–October 31, 2025.
- Service requests that were approved **on or after** November 1, 2025 will be subject to the updated rates, effective November 1, 2025.
- Starting November 1, 2025, MMIS will refer to the revised Upper Payment Limits (UPL) in the updated fee schedule, to determine if the entire paid amount submitted is reimbursable.

# HRSN Billing Updates

## HRSN Tenancy and O&E Services Billable Activities

- As of 11/1/25, OHA **increased the rate** for HRSN Tenancy Services and HRSN Outreach & Engagement Services from \$20 to \$26 per 15-minute unit
- New flexibility for bundling HRSN Outreach & Engagement and Tenancy Services

# Seven-day billing cycle walkthrough

Starting November 1, 2025, HRSN providers can combine (bundle) short service times across multiple days in a single calendar week (Sunday–Saturday). This will allow providers to meet the 8-minute minimum required to submit a claim for HRSN Outreach & Engagement and Tenancy Services.

## How it works

- If a provider spends **less than 8 minutes** helping a member on any single day, they can **add up** those minutes across **multiple days in the same week** (Sunday to Saturday) to reach at least **8 minutes total** and submit a claim.
- **You can bundle time only if these are true:**
  - Both dates of service are for Outreach & Engagement Services **or** both dates of service are for Tenancy Services.
  - At least one day's service is **less than 8 minutes**.
  - All services happen **within the same calendar week** (Sunday to Saturday).
  - The **total time adds up to at least 8 minutes**.
  - Bundling is **necessary**, meaning you wouldn't get paid for those short interactions otherwise.

# New resource: Billing for O&E vs. Tenancy Services

This document was developed to help HRSN housing providers understand the difference between providing and billing for HRSN outreach and engagement and HRSN tenancy services.

Available in [English](#) and [Spanish](#).

# Q&A Tips

---

- Share space, allow others to be heard (try to limit the number of questions you are asking).
- Do not share case specifics.
- Share suggestions and ideas.
- Focus on questions from providers and community partners.

## **Submitting questions:**

- Please add your question to the Q&A box to ask your question.
- We will invite you to speak out loud if we have additional questions.
- If you are unable to use the Q&A function, you can raise your hand.
