Oregon COVID Reporting Portal Updates

- Provider Information
- Patient Information
- Race
- Ethnicity
- Language
- Disability
- Sexual Orientation and Gender Identity (SOGI)

REALD Data Collection Tool

- We have developed a script for asking REALD questions by telephone
 - Includes all the REALD questions, drawn from the English language template
 - Outlines skip patterns
 - Includes added language necessary to ask questions by telephone, such as:
 - An introduction
 - After the question on broad racial/ethnic categories, the script reads, “More specifically, do you/they identify as...”
 - Alternate wording for asking an individual, or a person answering for someone else
- Phone script will be available on the website
- We welcome any feedback!
 - Craig Mosbaek: craig.mosbaek@dhsoha.state.or.us
