The Oregon Health Authority's Transformation Center is excited to let you know about a great opportunity for consultants with expertise in one or more of the following topic areas:

- Analytic modeling
- Behavioral health integration
- Community health improvement plan review, implementation and evaluation
- Early learning systems and strategies
- Economic and financial modeling
- Engagement strategies for person- and family-centered health care systems
- Health information technology
- Health systems leadership
- Health systems research, including program evaluation
- Improving health equity
- Incentive metrics
- Oral health integration
- Organizational development
- Primary care transformation, including patient-centered primary care homes
- Project management
- Public health integration
- Public policy facilitation
- Quality improvement science
- Strategies to address rising pharmaceutical costs
- Strategies to address the social determinants of health
- Value-based payment and payment strategies

The [OHA Transformation Center](#) has issued a request for applications (RFA) from qualified firms, nonprofits, governmental agencies, coalitions or individuals to provide technical assistance (TA) to coordinated care organizations (CCOs) across Oregon as well as provide assistance to other publicly funded health programs, tribal health programs, OHA-contracted health systems, or other OHA program areas that work on health system transformation.

This pool of subject matter experts will extend OHA's capacity to offer TA in the 21 subject areas above. The TA will support CCOs and OHA to achieve better health, better care and lower costs for Oregonians. TA will be delivered through consultation, training and/or presentations. Applicants do not need to have expertise in all 21 subject areas to apply. For examples of current TA providers and completed projects, see <https://www.oregon.gov/oha/HPA/dsi-tc/Pages/Technical-Assistance-Bank.aspx>

Applicants are encouraged to apply for the subject areas for which they are qualified before 3 p.m. (PDT) November 1, 2020. This RFA has been posted on the Oregon Procurement Information Network (ORPIN): <http://orpin.oregon.gov>
