
Engaging new social-emotional partners with the health system - CCO feedback session

Health Aspects of Kindergarten Readiness Measure: System-Level Social-Emotional Health Metric

April 9, 2024

Agenda

- Resources for provider coding, fee schedule, definitions for provider types, and provider enrollment
- Discussion about what CCOs need to support their existing and new providers who are or will be delivering social-emotional health services to children 0-5 years
 - CCO breakout groups
 - Larger group discussion
- Announcements

Introduction

- Submission of year 2 attestation materials
- Proposed 2025 metric specs were presented at M&SC March 2024
- CCOs asked OHA for support around coding, billing, and engaging new partners with the health system – today is the initial step

Fee-For-Service behavioral health fee schedule

- Provides information by code including rendering provider types
- Most of the proposed child-level CPT codes are listed in MH outpatient services tab or Applied Behavior Analysis tab
- Codes not listed in fee schedule:
 - Preventative Medicine Counseling
 - Multi-Family Group Training Session
 - Education and training for patient self-management by a qualified, nonphysician health care professional using a standardized curriculum, face-to-face with patient (could include caregiver/family)

Definitions for outpatient behavioral health services and provider types

As examples you'll find these provider types in the definitions (among many other definitions):

- Licensed health care professional
- Qualified mental health associate
- Qualified mental health professional
- Peer support specialist
- Peer wellness specialist

Provider enrollment

- MMIS provider enrollment portal is used for enrolling providers in Fee-For-Service
- If provider is enrolling as an encounter-only or CCO-only provider, the CCO supports enrollment on behalf of the provider

CCO breakout session

- Discuss the following questions:
 - What clarifying questions do you have related to the resources shared?
 - What questions do you have and/or support do you need with existing partners who are or will be delivering these services?
 - What types of new partners do you anticipate will be delivering these services? What barriers are you experiencing, or do you anticipate experiencing with these partners?
 - Now that we know the proposed codes for the child-level metric, what questions do you have?
- Report back to the larger group at the end of the breakout session
- Share one question/request for OHA
