

Care Coordination & Intensive Care Coordination (CC/ICC) 2022 Learning Collaborative Series

The Oregon Health Authority (OHA) Transformation Center is hosting a monthly virtual learning collaborative to support Coordinated Care Organizations (CCOs) and other organizations that provide care coordination services to Oregon Health Plan (OHP) members. The year-long learning collaborative will provide support toward understanding and meeting CCO 2.0 care coordination requirements and facilitate sharing of CC/ICC best practices for advancing equity, improving health outcomes, and achieving the goals of Oregon's CCO model.

Date June 16, 2022
Time Noon – 2:00 PM
Location Virtual, over [Zoom](#)

Session Objectives

- Learn more about Oregon requirements for CC/ICC
- Family Preservation Demonstration Project
 - Understand the goals of the Family Preservation Demonstration
 - Identify where the demonstration is happening
 - Begin to think through opportunities for partnering around family preservation
- Pediatric Transitions
 - Recognize transition from pediatric to adult health care as a structured 3-stage process
 - Describe infrastructure for effective provider transfer
 - List actions CCOs can take to support members and providers engaged in transition
