

**Due: December 31, 2022**

### Overview

The SHARE Initiative (Supporting Health for All through Reinvestment) was created through Enrolled Oregon House Bill 4018 (2018) and requires CCOs to invest a portion of profits back into communities to address health inequities and the social determinants of health and equity (SDOH-E). For details, see OHA's [SHARE Initiative guidance document](#). SHARE Initiative guidance is posted to the [SHARE Initiative webpage](#).

In accordance with the requirements stated in [ORS 414.572\(1\)\(b\)\(C\)](#) and [OAR 410-141-3735](#), CCOs must designate a portion of annual net income or reserves that exceed the financial requirements for SHARE Initiative spending. According to contract requirements, a CCO's annual SHARE Initiative designation must be spent down within three years<sup>1</sup> of OHA's approval of the same year's SHARE Initiative spending plan; a one-year extension may be requested (four years total).

For contract years 2020 and 2021, CCOs that exceed minimum financial requirements are expected to define their own SHARE Initiative portion in compliance with the statute and rules referenced above.

As described in OHA's SHARE Initiative guidance document, SHARE Initiative spending must meet the following four requirements:

1. Spending must fall within SDOH-E domains and include spending toward a statewide housing priority;
2. Spending priorities must align with community priorities from community health improvement plans;
3. A portion of funds must go to SDOH-E partners; and
4. CCOs must designate a role for the community advisory council(s) related to its SHARE Initiative funds.

By December 31<sup>2</sup> of each contract year, the CCO shall submit a SHARE Initiative Spending Plan to OHA for review and approval. The spending plan will identify how the CCO intends to direct its SDOH-E spending based on net income or reserves from the prior year for the SHARE Initiative. This annual SHARE Initiative spending plan will capture from CCOs how they are meeting these contractual requirements.

### SHARE Initiative Reporting

- A. By June 30, each CCO must report its
  - o **Annual SHARE Initiative Designation** in [Exhibit L6.7](#) to identify its SHARE Initiative designation based on the *prior year's financials*.
  - o **Annual SHARE Initiative Spend-Down** in [Exhibit L6.71](#) to track year-over-year SHARE spending and to tie such spending to the appropriate year's SHARE Initiative Spending Plan.
  - o **Annual SHARE Detailed Spending Report** using the [detailed spending report template](#).
- B. By December 31, each CCO must complete the **Annual SHARE Initiative Spending Plan** described in this document for the *prior year's financials*.

**CCO name: AllCare Health**

---

<sup>1</sup> See the [2022 contract waiver memo \(12/13/2021\)](#), which extends the spend-down period from two years to three years. CCOs still have the option to request a one-year extension.

<sup>2</sup> See the [2022 contract waiver memo \(12/13/2021\)](#), which extends the spending plan due date to 12/31. (CCOs may submit it any time from 9/30/2022 through 12/31/2022). OHA will notify each CCO about the approval status of its plan within 30 days of receipt. In the event a CCO's plan cannot be approved as submitted, OHA will work with the CCO to resolve the identified deficiencies as quickly as possible.

### Instructions:

- Respond to items 1–11 below using this template.
- Be clear and concise. Do not exceed 20 pages (not including the required attachments).
- Your submission must include the formal agreement with each of the SDOH-E partners as referenced in item 7. If any agreement with an SDOH-E partner is a subcontract as defined in the CCO contract, then your submission must include the Subcontractor and Delegated Work Report updated for the subcontract/s, as required by the CCO contract.
- All file names must clearly reflect the content (for example, CCOxyz\_SHARE\_Item8).
- Only submit materials pertinent to this spending plan.

Submit your plan to [CCO.MCOTDeliverableReports@dhsosha.state.or.us](mailto:CCO.MCOTDeliverableReports@dhsosha.state.or.us) by December 31.

### Section 1: SHARE Initiative Designation

1. What is the dollar amount for your CCO's SHARE Initiative Designation? (as recorded in cell E30 in [Exhibit L – Report L6.7](#))  
\$100,000

### Section 2: SHARE Initiative Spending Plan

#### Spending plan summary

2. Summarize the work your CCO is funding through this year's SHARE Initiative. At a high level, briefly describe 1) project titles; 2) what activities are being funded; and 3) what populations will be served

Agency: Rogue Food Unites

- a. Project: Commercial kitchen build-out, \$50,000
- b. Activities: Develop a commercial kitchen to develop a line of shelf stable healthy and organic meal replacement packages with a threefold objective: to be used in disaster recovery, ongoing food support programs, as well as potentially to be sold on the retail market to create a revenue line for RFU. They also hope to be able to make the kitchen available to members of the community for preparation of culturally specific foods or special community meals.
- c. Population: The goods and/or services funded are intended to improve the overall member and community health and well-being of people in Southern Oregon who have been impacted by disaster and/or are in need of healthy ready-to-eat meals to combat food insecurity.

Agency: AllCare Community Foundation (ACCF)

- a. Project: Glencrest Cottages, \$25,000
- b. Activities: Site planning and architecture for affordable housing. This project will build small,

## 2022 SHARE Initiative Spending Plan Template

affordable cottages with innovative, cost effective, and efficient methods of construction as a demonstration for the community what a small home development could be. This will highlight alternative methods of building such as fire-safe technologies.

- c. Population: Low-income households, household successfully exiting transitional housing

Agency: Brookings CORE Response, \$25,000

- a. Project: Project Turnkey
- b. Activities: Improve the overall member and community health and well-being of people experiencing homelessness by increasing the capacity of Brookings CORE Response to offer safe and supportive transitional housing.
- c. Population: Homeless persons in Curry County

### CHP/statewide priorities

- 3. Describe how your SHARE Initiative spending aligns with your CCO's shared community health improvement plan.

Please find the complete CHP here for reference:

<https://jeffersonregionalhealthalliance.org/wp-content/uploads/2019/07/Full-CHIP-FINAL.pdf>

**Rogue Food Unites** meets the following CHP goals and strategies:

Parenting Supports and Life Skills Goal 1: Families are nurtured and strengthened through the building of family protective factors

Strategy d. Increase access to concrete supports in times of need

Parenting Supports and Life Skills Goal 3: Families have ample healthy and affordable food

Strategy a. Reduce food insecurity for children and families

Strategy b. Increase access to healthy foods for children and families

**ACCF** meets the following CHP goals and strategies:

Housing Goal 1: Increase the percentage of households paying no more than 30% of their income on housing

Strategy a. Increase supply of housing that costs less than 30% of area median income through new construction and rehabilitation of existing housing stock

1. Expand upon and replicate successes within the region

2. Learn from challenges that cities have faced

3. Promote a "Yes in my back yard" (YIMBY) attitude

4. Elevate housing on the agenda of community and economic development

Strategy b. Advocate for and enact zoning and land use policy changes to support affordable housing options

Strategy c. Identify and fund specific neighborhood revitalization projects

Housing Goal 2: Increase percentage of individuals living in housing that is safe, accessible, and connected to community and services

Strategy a. Build connections between housing providers and service providers

## 2022 SHARE Initiative Spending Plan Template

Strategy b. Expand utilization of resources that assist people in attaining housing

1. Provide support services targeted to homeless families and individuals who are seeking housing options
2. Expand resources for rental assistance
3. Reduce barriers to housing

Strategy c. Invest in the development and operation of more permanent supportive housing and transitional housing

1. Pre- and post-addiction recovery housing
2. Housing with mental health support
3. Post-incarceration/corrections housing
4. Hospital discharge housing

Strategy d. Develop accessible units for specific needs

1. ADA accessible
2. Aging safely in place
3. Multigenerational

Parenting Supports and Life Skills Goal 1: Families are nurtured and strengthened through the building of family protective factors

## 2022 SHARE Initiative Spending Plan Template

Parenting Supports and Life Skills Goal 1: Families are nurtured and strengthened through the building of family protective factors

Strategy d. Increase access to concrete supports in times of need

#### 4. Describe how your SHARE Initiative spending addresses the statewide priority of housing-related services and supports, including supported housing.

Two of the three selected SHARE investments for AllCare Health in 2022 focus on supportive housing at the community level:

Brookings CORE Response will use SHARE funds to build additional capacity and expedite completion of their Project Turnkey non-congregate shelter program in Curry County, providing much needed shelter and low-barrier transitional housing to a very vulnerable population.

ACCF's Glencrest Cottages program will expedite the development of 15 low-cost, affordable homes, which provide a next-step housing option for people exiting transitional housing, potentially the carceral population, transition age youth, or other low-income households. Additionally, this will serve as a demonstration project for other regional developers looking to employ innovative, fire-wise, low cost, and dense development models and recently adopted municipal development codes in accordance with HB2001, which may increase the rate of housing development in Josephine County.

#### SDOH-E partners and domains

#### 5. Using the box below, respond to items A–C for each SDOH-E partner. Duplicate the box for each partner included in your spending plan.

**A) Identify each SDOH-E partner that will receive a portion of SHARE Initiative funding.**

**B) Identify the SDOH-E domains applicable to your SHARE spending for each partner.**

**C) Indicate whether the partner agreement is a subcontract and if yes, attach an updated Subcontractor and Delegated Work Report.**

**A. Partner name:** Rogue Food Unites

**B. SDOH-E domain(s) for the SHARE activities being funded for this partner (check all that apply):**

Neighborhood and built environment

Economic stability

Education

Social and community health

**C. Is your CCO's agreement with this SDOH-E partner a subcontract as defined in CCO contract?**

Yes  No

**If yes, your submission must include the Subcontractor and Delegated Work Report updated for the subcontract/s, as required by the CCO contract.**

## 2022 SHARE Initiative Spending Plan Template

**A. Partner name:** ACCF

**B. SDOH-E domain(s) for the SHARE activities being funded for this partner (check all that apply):**

- Neighborhood and built environment
- Economic stability
- Education
- Social and community health

**C. Is your CCO's agreement with this SDOH-E partner a subcontract as defined in CCO contract?**

- Yes  No

**If yes, your submission must include the Subcontractor and Delegated Work Report updated for the subcontract/s, as required by the CCO contract.**

**A. Partner name:** Brookings Harbor Core Response

**B. SDOH-E domain(s) for the SHARE activities being funded for this partner (check all that apply):**

- Neighborhood and built environment
- Economic stability
- Education
- Social and community health

**C. Is your CCO's agreement with this SDOH-E partner a subcontract as defined in CCO contract?**

- Yes  No

**If yes, your submission must include the Subcontractor and Delegated Work Report updated for the subcontract/s, as required by the CCO contract.**

**6. Describe how each of the SDOH-E partners identified above were selected for SHARE Initiative project(s) or initiative(s).**

Community SHARE partners were selected based on their need, relevance to the SHIP, CHP, and our CAC input, geographic distribution to reach out varied membership, the urgency of their needs, and their ability to deliver the services described in their applications.

**Rogue Food Unites:** Emerged during the response to the 2020 wildfires as a key link between local agriculture, food industry, including the emergency food system, and household nutritional needs, especially among wildfire survivors who are disproportionately low-income and minority populations. RFU serves a key role in addressing national needs for high risk and historically marginalized populations.

**ACCF:** Serves Grants Pass, Cave Junction and both incorporated and unincorporated areas of Josephine County. ACCF serves a key role in addressing gaps in the local housing continuum, promoting the development of missing housing types, reducing barriers to housing and shelter, and promoting housing as a linchpin component of community health and wellness.

## 2022 SHARE Initiative Spending Plan Template

**Brookings CORE Response:** Serves Curry County, particularly the community of Brookings and, by extension, Harbor and the surrounds. CORE serves a key role in piloting innovative methods of services delivery in a community that is struggling both to acknowledge and address homelessness and the need for shelter services, affordable housing, and transitional housing supports. To better serve the community, they have applied for and received a TurnKey grant from Oregon Community Foundation and are partnering with Oasis Shelter Home (a domestic violence survivor program with a history of effective shelter service delivery).

7. **Attach** your formal agreement with each of the SDOH-E partners described in item 5. (See guidance for required contract components.) Have you attached an agreement for each of your SHARE partners?

Yes  No

**If no, please explain why not.** AllCare Health is not enacting formal contracts with our 2022 SHARE partners. We are, instead, utilizing our informal grant/CBI agreements per our internal policies. We have, however, attached our informal award letters, which outline timelines, reporting metrics, and other partner expectations.

8. **Attach** a budget proposal indicating the amount of SHARE Initiative funding that will be allocated to each project or initiative, including the amount directed to each SDOH-E partner. Did you attach a simple budget proposal with this submission?  Yes  No

### Community advisory council (CAC) role

9. **Describe your CAC's designated role in SHARE Initiative spending decisions.** (As appropriate, describe the ongoing engagement and feedback loop with the CAC as it relates to SDOH-E spending.)

Our CAC (Council) structure is such that our Council chairs sit on our bi-monthly CCO Board of Governors; in this capacity, our Councils had a direct impact on setting the SHARE amount and board priorities for SHARE spending. Additionally, our Councils had an active role in informing the CHA and CHP, on which our SHARE plan is based, and reviewed and informed our 2022 SHARE spending plan at combined monthly Council meetings through the year. Most recently, Council members were able to offer SHARE spending plan feedback and review at the final CCO Board of Governors Meeting and final Council meeting of the year on 12/12/2022. As a result, the SHARE spending plan reflects our entire service area and varied areas of community improvement and SDOH-E, based on specific community needs. Our Councils are essential in our selection, recruitment, and decision-making processes.

### Section 3: Additional details

10. **(Optional)** Describe the evaluation plan for each project or initiative, including expected outcomes; the projected number of your CCO's members, OHP members, and other community members served; and how the impact will be measured.

Rogue Food Unite expected outcome: existence and utilization of the community kitchen

Metrics:

## 2022 SHARE Initiative Spending Plan Template

Itemization of equipment and construction

Hours of use and/or meals provided (units or pounds)

Community partners and locations engaged as distribution points or kitchen users

ACCF expected outcome: Development of land/site use plans; development of architectural drawings

Metrics:

Plans and drawings delivered

Plans and drawings available to the community online

Housing development underway or completed

Brookings CORE Response expected outcomes: expenditure of funds on the capital development of their TurnKey project and increased livability and security

Metrics:

Itemization of construction costs and livability improvements

Number of units improved

Number of persons served through TurnKey in year one

- 11. If the project or initiative requires data sharing, attach a proposed or final data-sharing agreement that details the obligation for the SDOH-E partner to comply with HIPAA, HITECH and other applicable laws regarding privacy and security of personally identifiable information and electronic health records and hard copies thereof. Does the project require data sharing?  Yes  No**

**Activities**

Capital costs and equipment purchases related to the development of a functional commercial kitchen to serve the needs of: wildfire victims, low-income community members and partner agencies, emergency preparedness; potential use for sustainable revenue model; potential use of community utilization as an economic incubator.

Development of land-use plans and architectural drawings to develop, build, and promote lower-cost, fire-resistant, and denser housing development models. The successful project will also open up approximately 62 acres of much-needed buildable lands immediately and approximately 200 acres for develop in the middle-long term. Project will result in 15 affordable units of housing and serve as a development model for other housing producers and property owners. All development plans will be made available to the City and on the ACCF website for other builders and developers as a community benefit.

Increase the site security, livability, safety and accessibility of the Turnkey project so that it meets the needs of the community.

**BUDGET NARRATIVE - CAC use** Glencrest Cottages will create 12 workforce-affordable rental homes, using the city's cottage development code using 2+ acres of donated land with homes at 500,600,800 and 1000 sq. ft. This project provides more housing for the community and demonstrates low-cost construction alternatives i.e., Insulated Concrete Forms, off site built wall and roof systems, slab on grade foundations in conjunction with passive solar design and other concepts. Someone considering the construction of an ADU or other small homes can come and see what these 12 different units look like and talk to our group about the process and the documents describing our rezoning processes including transition land from the county zoning to the city zoning. **STATEMENT OF NEED**

RFU programs for the past two years provided temporary support during the hardest phases of recovery. We understand that food insecurity may persist after our programs end, which is why we are developing initiatives for sustainable delivery of food and food education beyond disaster recovery. One of these initiatives is to develop a commercial kitchen to develop a line of shelf stable healthy and organic meal replacement packages with a threefold objective: to be used in disaster recovery, ongoing food support programs, as well as potentially to be sold on the retail market to create a revenue line for RFU. We also hope to be able to make the kitchen available to members of the community for preparation of culturally specific foods or special community meals.

**BUDGET NARRATIVE - CAC use** We are requesting \$50,000 towards purchase of equipment for the kitchen. We are just starting the design and construction process for this project and so we do not have a detailed hard-cost budget available yet. However, initial estimates put the equipment expenses at \$200,000 and the contracted labor for the design / contracting / planning at \$50,000 for the first phase. Production costs have not yet been determined, as there are a significant number of variables still to be determined.

---

**BUDGET**

---

**EST. NUMBER TO BE SERVED** 60,000 per year (once operational)

---

**SUSTAINABILITY PLAN - CAC use** Our capital request to All Care is to help offset the expenses for purchase of the equipment for the commercial kitchen. Future production expenses will fall under a different initiative, this project request is solely for the design/build process in 2023. RFU is collaborating with ODHS to draft and implement a long-term production and sustainability plan.

Jed Keller  
AllCare Community Foundation  
PO Box 1972  
Grants Pass, Oregon 97528

Dear Jed,

Thank you for your funding application to the AllCare Health Resiliency Fund for SHARE-Glencrest Cottages Workforce Housing and Demonstration Site. The Community Health Improvement Team is very pleased to award AllCare Community Foundation with \$25,000 towards the implementation, success, and expansion of the work that you do. This funding is awarded toward the purposes detailed in your application documents.

We appreciate the opportunity to support your work and are eager to learn more about the impact SHARE-Glencrest Cottages Workforce Housing and Demonstration Site has in the community. We are particularly interested in vignettes demonstrating effectiveness and in measurable outcomes related to providing your program. These would include projected outcomes listed in your application: Increase the amount of affordable housing and support for those experiencing housing instability in Josephine County.

Please reference this reporting schedule for your convenience:

Progress Report: July 15, 2023  
Final Project Outcomes Report: January 15, 2024
