

OHA VBP PCPCH Data and CDA VBP Data Template - General Instructions

- 1. Complete all yellow highlighted cells on the following worksheets:
- "PCPCH"
- "Model Descriptions"
- "Hospital CDA VBP Data"
- "Maternity CDA VBP Data"
- "Behavioral Health CDA VBP Data"
- "Children's Health CDA VBP Data"
- "Oral Health CDA VBP Data"
- 2. For payments that span multiple HCP-LAN categories, use the most advanced category. For example, if you have a contract that includes a shared savings arrangement with a pay-for-performance component such as a quality incentive pool then you should put the total value of the annual contract in Category 3A for shared savings because 3A (shared savings) is more advanced than 2C (pay-for-performance).
- 3. In addition to the HCP-LAN framework, Contractor shall use the VBP Roadmap for Coordinated Care Organizations and the OHA VBP Technical Guide for Coordinated Care Organizations for the VBP specifications and the appropriate LAN VBP category for each payment model, located at https://www.oregon.gov/oha/HPA/dsi-tc/Pages/Value-Based-Payment.aspx
- 5. The completed template is due to OHA by May 2, 2025, via the Contract Deliverables portal located at https://oha-cco.powerappsportals.us/. The submitter must have an OHA account to access the portal. It may not be submitted as a PDF document and must remain a Microsoft Excel spreadsheet. Please use the following naming convention when submitting the template: CCO + reporting year + title of template (e.g. CCOABC 2025 VBP PCPCH Data and CDA Template).

version 02032025

Evaluation criteria for this worksheet: Response required for each highlighted cell, even if there are no current clinics in your service area at that tier level. If a question is not applicable, write N/A. Non-response in a highlighted cell will not be approved. Add or subtract additional rows as needed. Guidance can be found on page 12 of the VBP Technical Guide: https://www.oregon.gov/loha/HPA/dsi-tc/Documents/VBP-Technical-Guide-for-CCOs.pdf

Tier level	Number of contracted clinics	Average PMPM payment
Tier 1	0	\$0.00
Tier 2	0	\$0.00
Tier 3	2	\$5.85
Tier 4	20	\$7.14
Tier 5	10	\$11.65

Required implementation of care delivery areas by January 2025: Refer to Value-based Payment Technical Guide for CCOs at https://www.oregon.gov/oha/HPA/dsi-tc/Documents/VBP-Technical-Guide-for-CCOs.pdf for more information on requirements.

Evaluation criteria for this worksheet: Response required for each highlighted cell. If questions on rows 18 and 20 are not applicable, write NI/A.

CCO NAME:

PacificSource Community Solutions (Lane)

Describe Care Delivery Area (CDA) Note: a VBP may encompass two CDAs concurrently. If your CCO has taken this approach, list both CDAs; no more than two CDAs can be combined to meet the CDA requirement.

LAN category (most advanced category)

3B

Briefly describe the payment arrangement and the types of providers and members in the arrangement (e.g. pediatricians and asthmatic children)

If applicable, describe how this CDA serves populations with complex care needs or those who are at risk for health disparities

Total dollars paid

\$89,471,000.66

Total unduplicated members served by the providers

26,376

If applicable, maximum potential provider gain in dollars (i.e., maximum potential quality incentive payment)

\$7,149,834.56

List the quality metrics used in this payment arrangement using the table provide in below. A least one quality component is needed to meet requirement:

If applicable, maximum potential provider loss in dollars (e.g. maximum potential risk in a capitated payment)

Metric	Metric steward (e.g. HPQMC, NQF, etc.)	Briefly describe how CCO assesses quality (e.g. measure against national benchmark, compare to providers' previous performance, etc.)	Describe providers' performance (e.g. quality metric score increased from 8 to 10)	
Childhood Immunizations Status (Combo 3)	NCQA	Comparison to providers' historical performance using OHA quality metric target methodology		
Immunizations for Adolescents (Combo 2)	NCQA	Comparison to providers' historical performance using OHA quality metric target methodology		
Prenatal & Postpartum Care – Postpartum Care	NCQA	Comparison to providers' historical performance using OHA quality metric target methodology		
Well-Child Visits in the 3rd, 4th, 5th, and 6th Years of Life	NCQA	Comparison to providers' historical performance using OHA quality metric target methodology		
Initiation and Engagement of Substance Use Disorder Treatment	NCQA	Comparison to providers' historical performance using OHA quality metric target methodology		
Assessments for Children in DHS Custody	ОНА	Comparison to providers' historical performance using OHA quality metric target methodology		
Oral Evaluations for Adults with Diabetes	OHA (modified from DQA/ NCQA)	Comparison to providers' historical performance using OHA quality metric target methodology		
Members Receiving Preventative Dental or Oral Health Services	ОНА	Comparison to providers' historical performance using OHA quality metric target methodology		
Diabetes HbA1c Poor Control	NCQA	Comparison to providers' historical performance using OHA quality metric target methodology		
Alcohol and Drug Misuse: Screening, Brief Intervention and Referral to Treatment (SBIRT)	ОНА	Comparison to providers' historical performance using OHA quality metric target methodology		
Cigarette Smoking Prevalence	ОНА	Comparison to providers' historical performance using OHA quality metric target methodology		
Screening for Depression and Follow-Up Plan	NCQA	Comparison to providers' historical performance using OHA quality metric target methodology		
Health Equity: Meaningful Language Access to Culturally Responsive Health Care Services	ОНА	Reporting Only		
Health Aspects of Kindergarten Readiness	ОНА	Reporting Only		
Social Determinants of Health	OHA	Reporting Only
