**From:** Marisha L. Elkins, DUII Services Coordinator

**Cc:** Nicole Corbin, Addiction Treatment, Recovery & Prevention Services Manager

**Date:** December 29, 2022

**Subject:** DUII Referral Status Update Form (OHA Form 8053)

---

In 2019, OHA implemented a standardized form for DUII Services Providers to use when providing reports to the Alcohol & Other Drug Screening Specialists (ADSS) as required in OAR 309-019-0195. The DUII Referral Status Update (OHA 8053) includes the minimum necessary information for the ADSS to meet their statutory reporting requirements to report a DUII client's successful completion or failure to complete all or any part of the screening or treatment program as required in ORS 813.021 and ORS 813.260.

Based on updated guidance from the Oregon Department of Justice, **the use of the DUII Referral Status Update Form is now optional**. DUII Services Providers may use it or an alternate format to meet the reporting requirements in [OAR 309-019-0195\(17\)\(b\)](#).
