INTRODUCTION

The Health Systems Division has developed an online payment and license application submission system. AccessGov (<u>https://or.accessgov.com/dhshoha</u>) is an easy-to-use system that will allow providers to upload their initial or renewal application and pay the required fee online using a credit or debit card. This portal will reduce delays in application and payment processing while providing a secure system that accepts various payment methods including:

- American Express
- Discover
- Mastercard
- Visa

The use of this system is optional. Individuals not wishing to use the system should submit their applications by email to: HSD.MH.Applications@oha.oregon.gov, and continue to mail their fee payment to:

HSD - Licensing & Certification Oregon Health Authority 500 Summer St NE – E86 Salem, OR 97301

Use of this system does not apply to governmentally operated facilities or homes. Government agencies should submit their applications by email to: <u>HSD.MH.Applications@oha.oregon.gov</u>.

REGISTRATION

Use of this site does not require registration however, providers may want to register so they can save and recall information already entered should they need to interrupt the process, rather than re-entering information.

From the website <u>https://or.accessgov.com/dhshoha</u> click on "Log In".

It is important to keep copies these emails for historical purposes. Additionally, the AccessGov system does not have any ability to re-create receipts, so these emails effectively become the backup receipts.
