# Community Engagement Agreements

---

- We acknowledge that we bring our lived experiences into our conversations
- We strive to engage non-judgmentally, with respect, humility and inclusivity
- We try to stay open minded
- We work to make conversations accessible, and trauma informed
- We honor everyone's lived experiences and expertise
- We expect it to get messy at times. When it does, we will acknowledge ruptures and focus on repair.
- We show up with humility and a place of vulnerability
