

## Integrated Co-occurring Disorders (ICD) Training on Integrated Assessment.

In conjunction with the release of the Integrated Assessment Toolkit, the Oregon Health Authority (OHA) Integrated Co-Occurring Disorders Program has scheduled four 90-minute zoom-based trainings in the month of July, 2024. The trainings are identical and will be repeated at different times and days of the week to meet a variety of scheduling needs. At this time, the trainings will NOT be recorded. Facilitated by OHA staff and subject matter experts working in Oregon, the trainings will:

- Be 90 minutes long,
- Include 1.5 MHACBO CEUs, and
- Will use the <u>Integrated Assessment Toolkit</u> and Screening Tools for <u>Integrated Co-Occurring</u> <u>Disorders Treatment</u> posted on the <u>Integrated COD program webpage</u> as a guide.

Pre-registration for each group meeting is required.

Attendance for at least 80 minutes will be required to receive a CEU certificate.
