

Application to the Oregon Consumer Advisory Council

Due October 25, 2021 at 11:59 p.m.

Background

The Oregon Consumer Advisory Council (OCAC) makes recommendations to the Oregon Health Authority (OHA). The Council's purpose is to provide input on behavioral health policy and services. The Council wants to provide input from a variety of views within the consumer community.

The Council is in statute. The Oregon Administrative Rules governing Council membership are:

- (1) Members shall be appointed by the Director's Designee, considering OCAC recommendations, and shall be appointed for a three-year-term following a written acceptance of the offer.
- (2) CAC shall consist of between 15 and 25 consumers, and selection shall strive to represent:
 - (a) A broad range of ages, parents or guardians of children¹, youth in transition² (ages 16 to 25), adults age 55 or older;
 - (b) A variety of cultures and ethnicities;
 - (c) An approximate division of gender; and
 - (d) A balance of geographic areas within the state.
- (3) OHA may appoint any member for a second two-year term.

¹ A Youth or Qualifying Parent is either a person who is 15 years of age or younger, and has parental or guardian consent to sit on the OCAC, or the parent of a child currently 15 years of age or younger, who has received or is receiving, mental health or addiction services.

² Young Adult in Transition is a young adult between the ages of 16 and 25 (if the person is under 18 years of age, they must have parent or guardian consent, except in the case of emancipated youth, to sit on OCAC).

(4) No person shall be excluded from serving as a member of CAC due to affiliation with any organization or institution, or on the basis of race, ethnic origin, religious affiliation, gender, age, disability, or sexual orientation.”

OHA defines the following for use in membership selection:

Oregon Revised Statute (ORS) 430.073 describes a consumer as “a person who has received or is receiving mental health or addiction services.”
