 - Serve adults or youth, at least 50% of whom are uninsured, enrolled in the state medical assistance program (Medicaid), or enrolled in Medicare
 - Are not hospitals; and
 - Qualify as one or more of the following:

Eligibility Criteria

- Certified by Oregon Health Authority to provide behavioral health care
- Provides behavioral health care through program contracting with or administered by the Oregon Youth Authority
- Provides behavioral health rehabilitation services through a program contracting with or administered by the Department of Human Services
- Licensed opioid treatment program
- Provides withdrawal management services; or
- Is a sobering center.

Frequently Asked Questions

Question: What does the "Total staffing costs (gross pay)" include?

Answer: Total staffing costs (gross pay) should include the budgeted costs for all filled and vacant positions, for one month.

Question: How much funding does my agency qualify for?

Answer: Each grant will be a percentage of the funds available under section 5 of this 2022 Act that represents a provider's staffing costs, for both filled and vacant positions, relative to the staffing costs of all providers in this state.

Frequently Asked Questions

Question: What is included in the 75% compensation?

Answer: Direct compensation to staff in the form of wages, benefits, and bonuses. Other examples may include but are not limited to, child care and transportation that are provided as a taxable benefit.

OHA will continue to develop a FAQ document and will post it on the HB 4004 web page.

Q&A

The remainder of our time will be dedicated to answering your questions

Thank you for your participation

There will be another HB 4004 Workforce Stability Grant Webinar on 4/28, 12-1:00
