General Guidance for All Potential Applicants:

We have received questions about whether we can fund a project with a specific scenario. Please note we can't answer these questions because they effectively are asking if we can make a tentative commitment to fund such a project. Our advice is following the criteria in the Application Notice to your best ability and present the scenario in your application.

The RFGA posted to the OHA SDOH webpage on August 8, 2022 has an Addendum posted on September 19, 2022 that reflects the changes regarding submitting the Letter(s) of Endorsement.
