

Authority

States receiving funding through the Community Mental Health Services Block Grant (MHBG), 45 CFR Part 96 Sec. 300x-3, are required to establish a Mental Health Planning and Advisory Council. The Substance Abuse and Mental Health Services Administration (SAMHSA) recommended, in 2011, that states integrate representatives of substance use disorder prevention and treatment services on their Council and develop Behavioral Health Planning and Advisory Councils.

The Addictions and Mental Health Division (AMH) responded with the development of the Addictions and Mental Health Planning and Advisory Council (AMHPAC) which integrates representatives of:

- Substance Use and Problem Gambling Prevention
- Substance Use, Mental Illness and Problem Gambling Treatment
- Recovery Support Services
- Consumers, and their Family Members, of Behavioral Health Services

AMHPAC shall consist of the following subcommittees which develop policy recommendations for adoption of the full Council and consideration of AMH:

- Behavioral Health Promotion and Prevention
- Treatment
- Recovery Support Services
- Housing/Olmstead
- Executive Committee

Governance

Jennifer Foley – AMH Staff Liaison for the Treatment Sub-Committee

Co-Chairs—Christine Farentinos, Monica Ford

Committee Members—Clifford Hartman, Colin Dumont, Ebony Sloan-Clarke, Jan Stewart, Rebecca Eichhorn, Ruth Riskedahl, Scott Willard, Sergio Gutierrez, Thomas Moore, Tim Murphy, Tony Howell

Scope

- The treatment subcommittee monitors and evaluates treatment services for adults and children.
- Identify the needs and recommend strategies to AMHPAC that improves Utilization, Efficacy, Access and Satisfaction (e.g. availability, retention, and outcomes)
- Enhances the quality of care for individuals receiving treatment services funded by AMH through the block grant, beer and wine taxes, general fund and lottery dollars.
- Provides monitoring of shared residential services between AMH and CCO's.

Deliverables & Schedule

- Complete committee members roster
- Completed work plan
- Mental Health, Addictions, and Gambling residential treatment standards for youth and adults

Exclusion and Boundaries

- AMHPAC and its subcommittees are advisory to AMH.
- Pursuant to ORS 430.075, at least 20 percent of the membership of all task forces, commissions, advisory groups and committees primarily relating to persons with mental health or addiction issues established by a public body, shall be consumers, with representation balanced by age.
- AMHPAC and its subcommittees are subject to the Public Meetings Law.
- Members of AMHPAC and its subcommittees serve at the pleasure of the Director of AMH.

Dependencies

To accomplish the work the subcommittee is reliant on:

- Council approval of work plans
- Shared vision
