

Come join a Community Conversation with Oregon Health Authority's Child and Family Behavioral Health unit

Purpose: Provide a space for providers, community members, youth and family to provide feedback and insight on current and future work of the Oregon Health Authority's Child and Family Behavioral Health team.

Format: Conversations each month follow a theme. We will provide background on the theme followed by plenty of time for your input, suggestions and feedback.

Facilitators: Director of Child and Family Behavioral Health Chelsea Holcomb, System of Care Policy Strategist Hilary Harrison, and others from the team.

October's theme: Discuss **prevention** within the continuum of care — the aim is that our work addresses gaps and quality in the children's behavioral health continuum of care and is centering communities that have been disproportionately impacted by health inequity and systemic racism

When:

- First Wednesday of each month 2 to 3:30 p.m.
- Third Thursday of each month 5 to 6:30 p.m.
