BEHAVIORAL HEALTH QUALITY AND PERFORMANCE IMPROVEMENT PLAN: Oregon State Hospital

Goal 1: Increase Percentage of Adults with Serious and Persistent Mental Illness (SPMI) Receiving ACT services

Statewide number of adults with SPMI receiving ACT services: 1,393 persons

Statewide goal: 1,400 persons (40 per 100,000 adults 18+)

Performance against this goal is shown in each region. State and regional populations were taken from the 2020 Portland State University Population Estimates and Reports data, certified as of July 1, 2020 (<https://www.pdx.edu/prc/population-reports-estimates>).

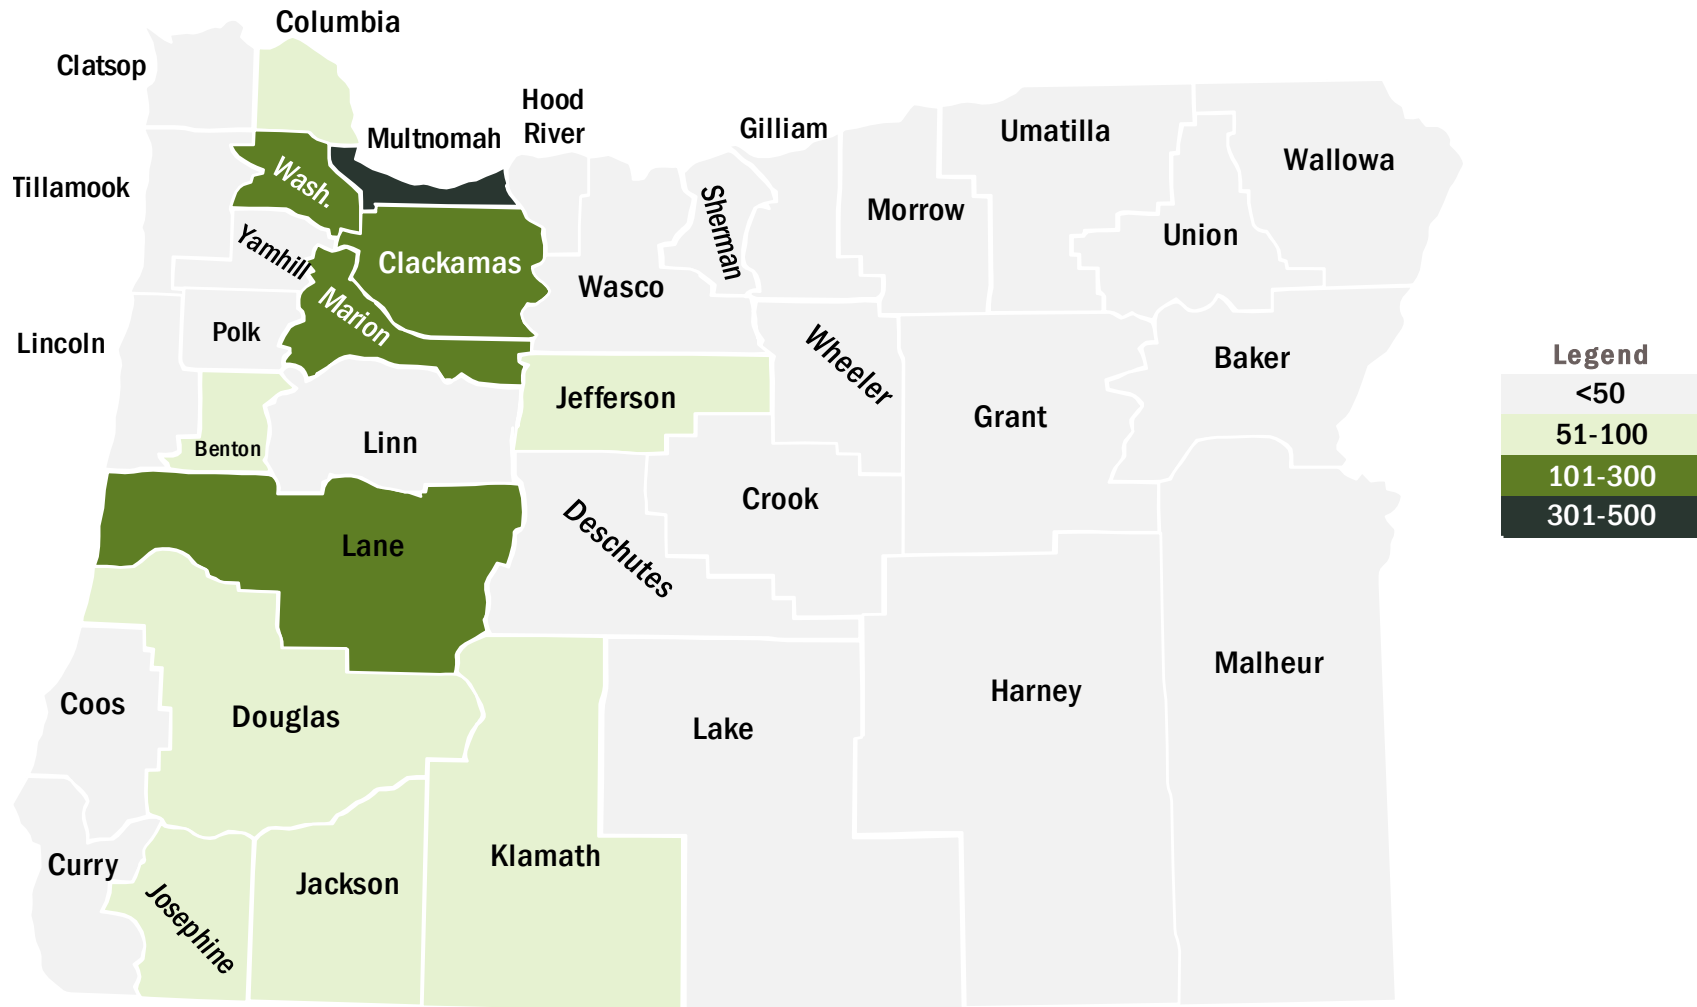

BEHAVIORAL HEALTH QUALITY AND PERFORMANCE IMPROVEMENT PLAN: Oregon State Hospital

Goal 2: Increase adults with Serious and Persistent Mental Illness (SPMI) residing in supported housing

Current number of persons with SPMI living in supported housing in Oregon: 1,820

Statewide goal ending 6/30/2021: 1,925

BEHAVIORAL HEALTH QUALITY AND PERFORMANCE IMPROVEMENT PLAN: Oregon State Hospital

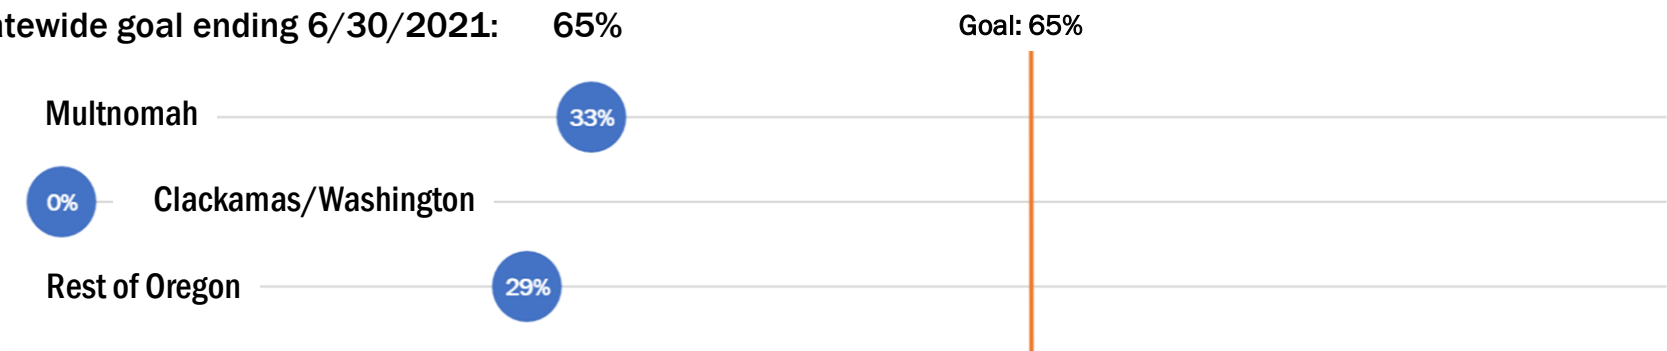

Goal 3.1: Increase the percentage of adults with SPMI in civil commitment that are discharged within 30 days of Ready to Transition determination

Statewide goal ending 6/30/2021: 65%

Goal 3.2: Increase the percentage of adults with SPMI in civil commitment that are discharged within 180 days of admission

Statewide goal ending 6/30/2021: 65%

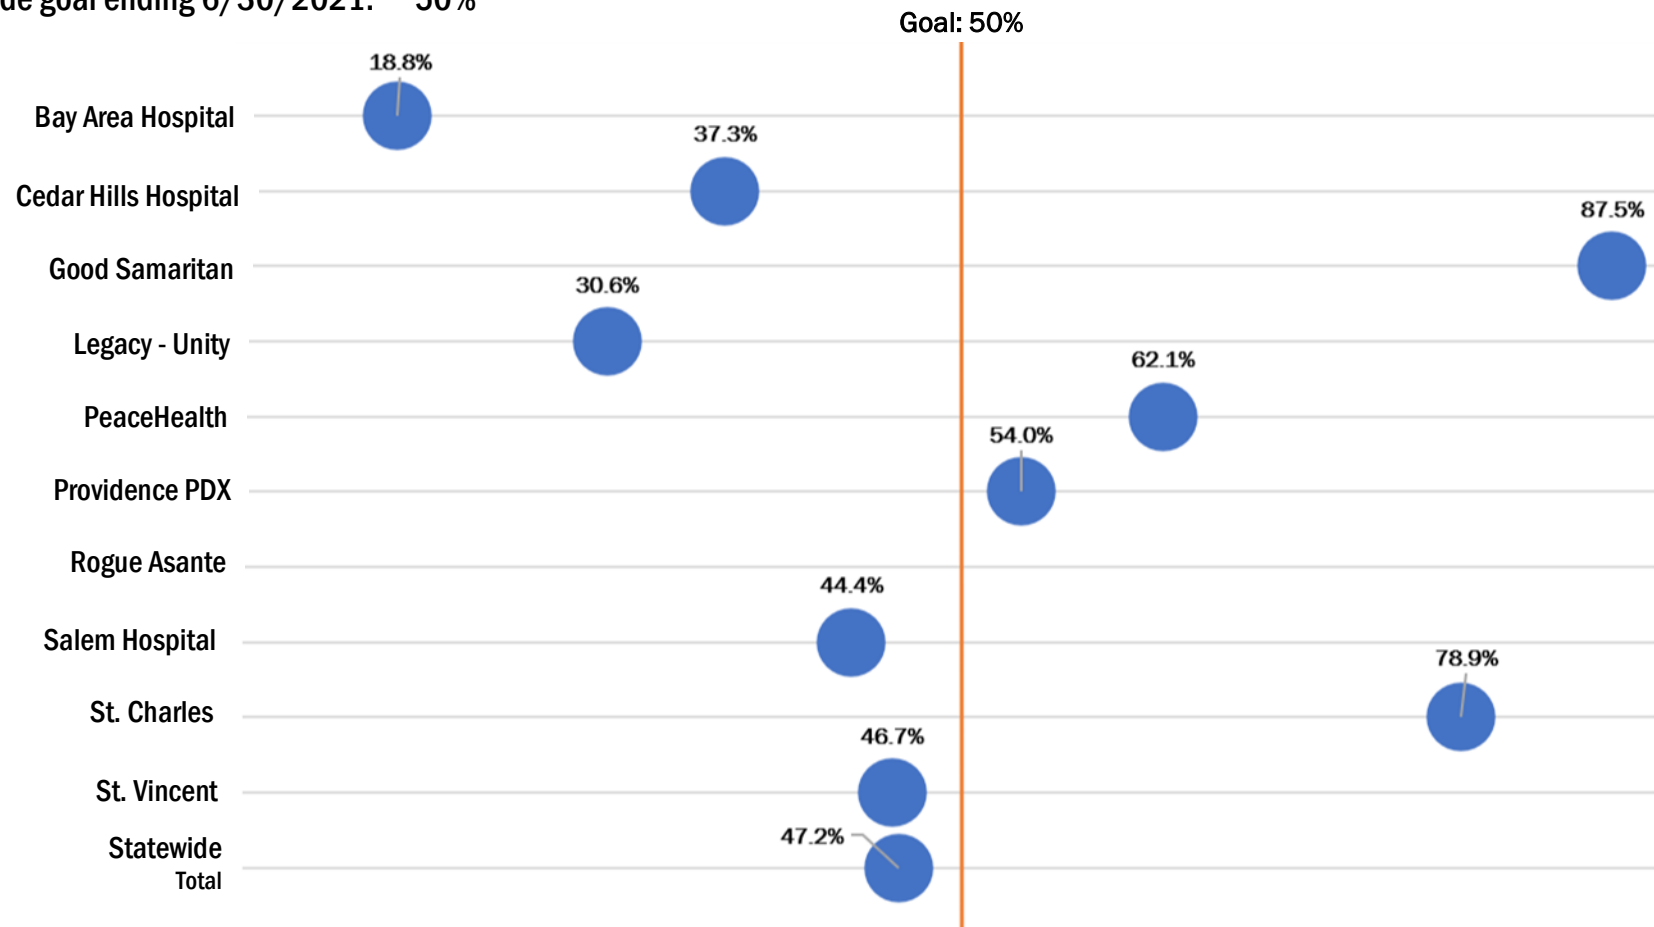

The reported percentages for Goals 3.1 and 3.2 may be statistically unreliable due to small numbers; interpret with caution.

BEHAVIORAL HEALTH QUALITY AND PERFORMANCE IMPROVEMENT PLAN: Oregon State Hospital

Goal 4.1: Increase the percentage of adults with SPMI receiving a warm handoff prior to discharge from an acute care psychiatric facility

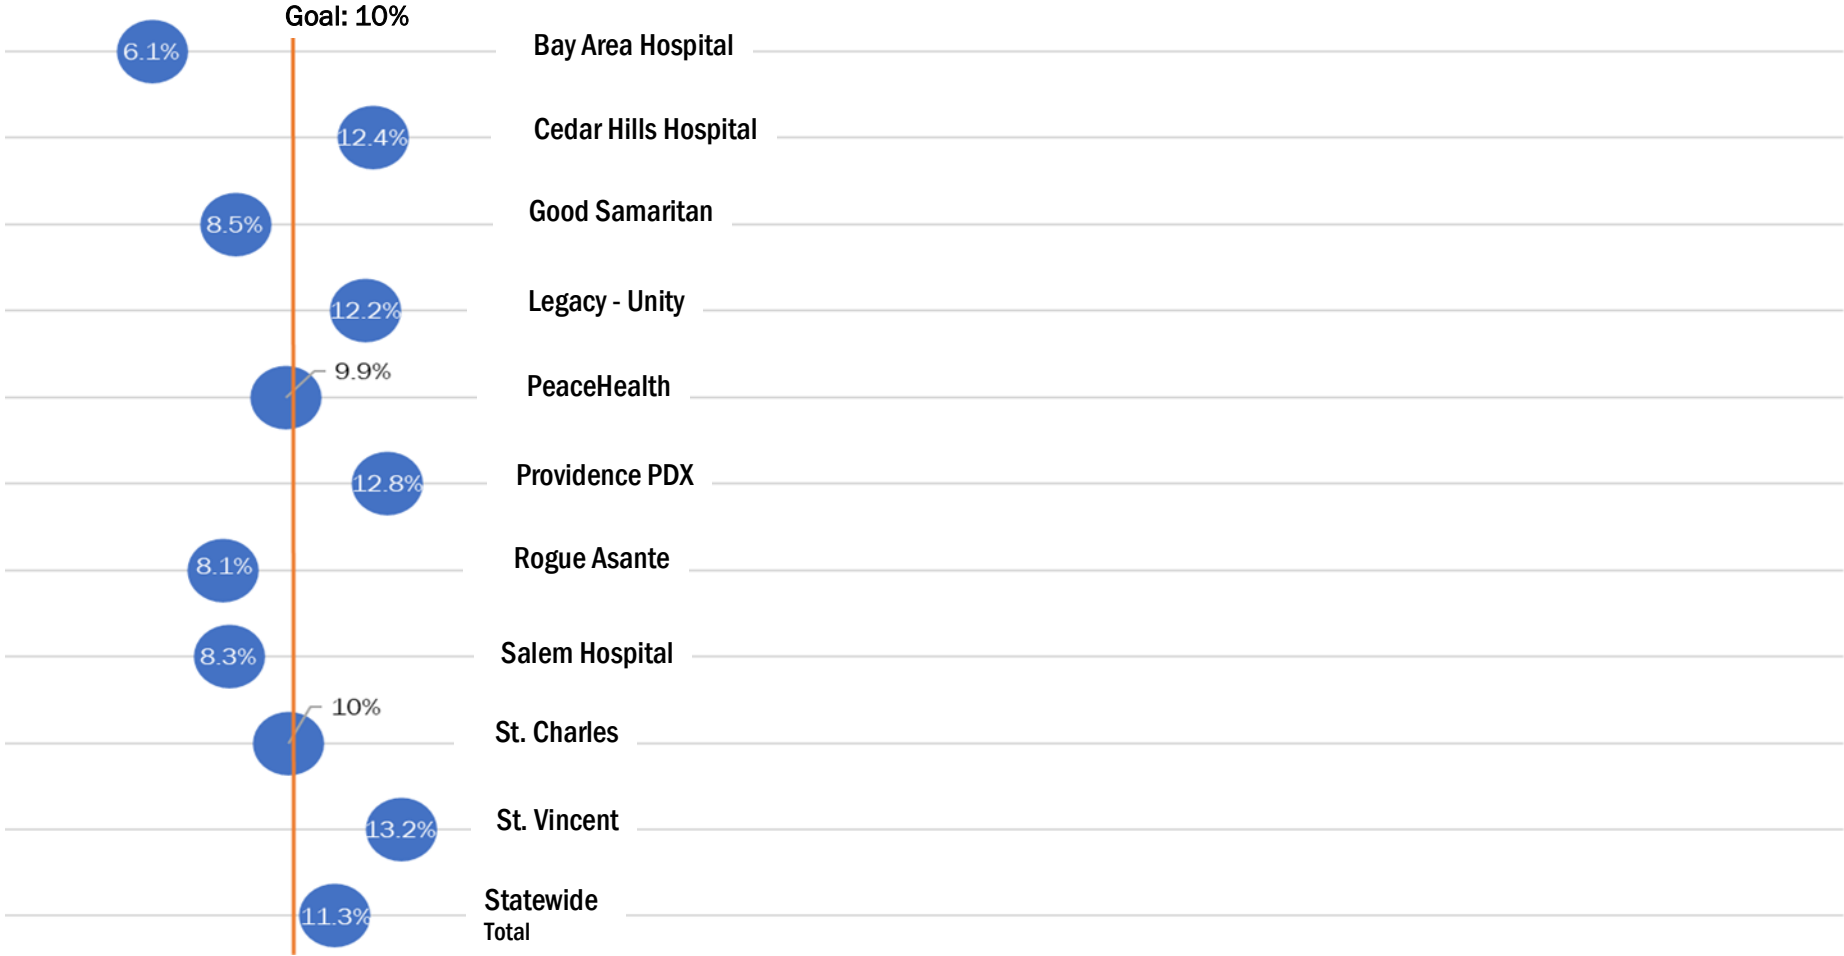

Statewide goal ending 6/30/2021: 50%

BEHAVIORAL HEALTH QUALITY AND PERFORMANCE IMPROVEMENT PLAN: Oregon State Hospital

Goal 4.2: Lower the percentage of readmissions within 30 days

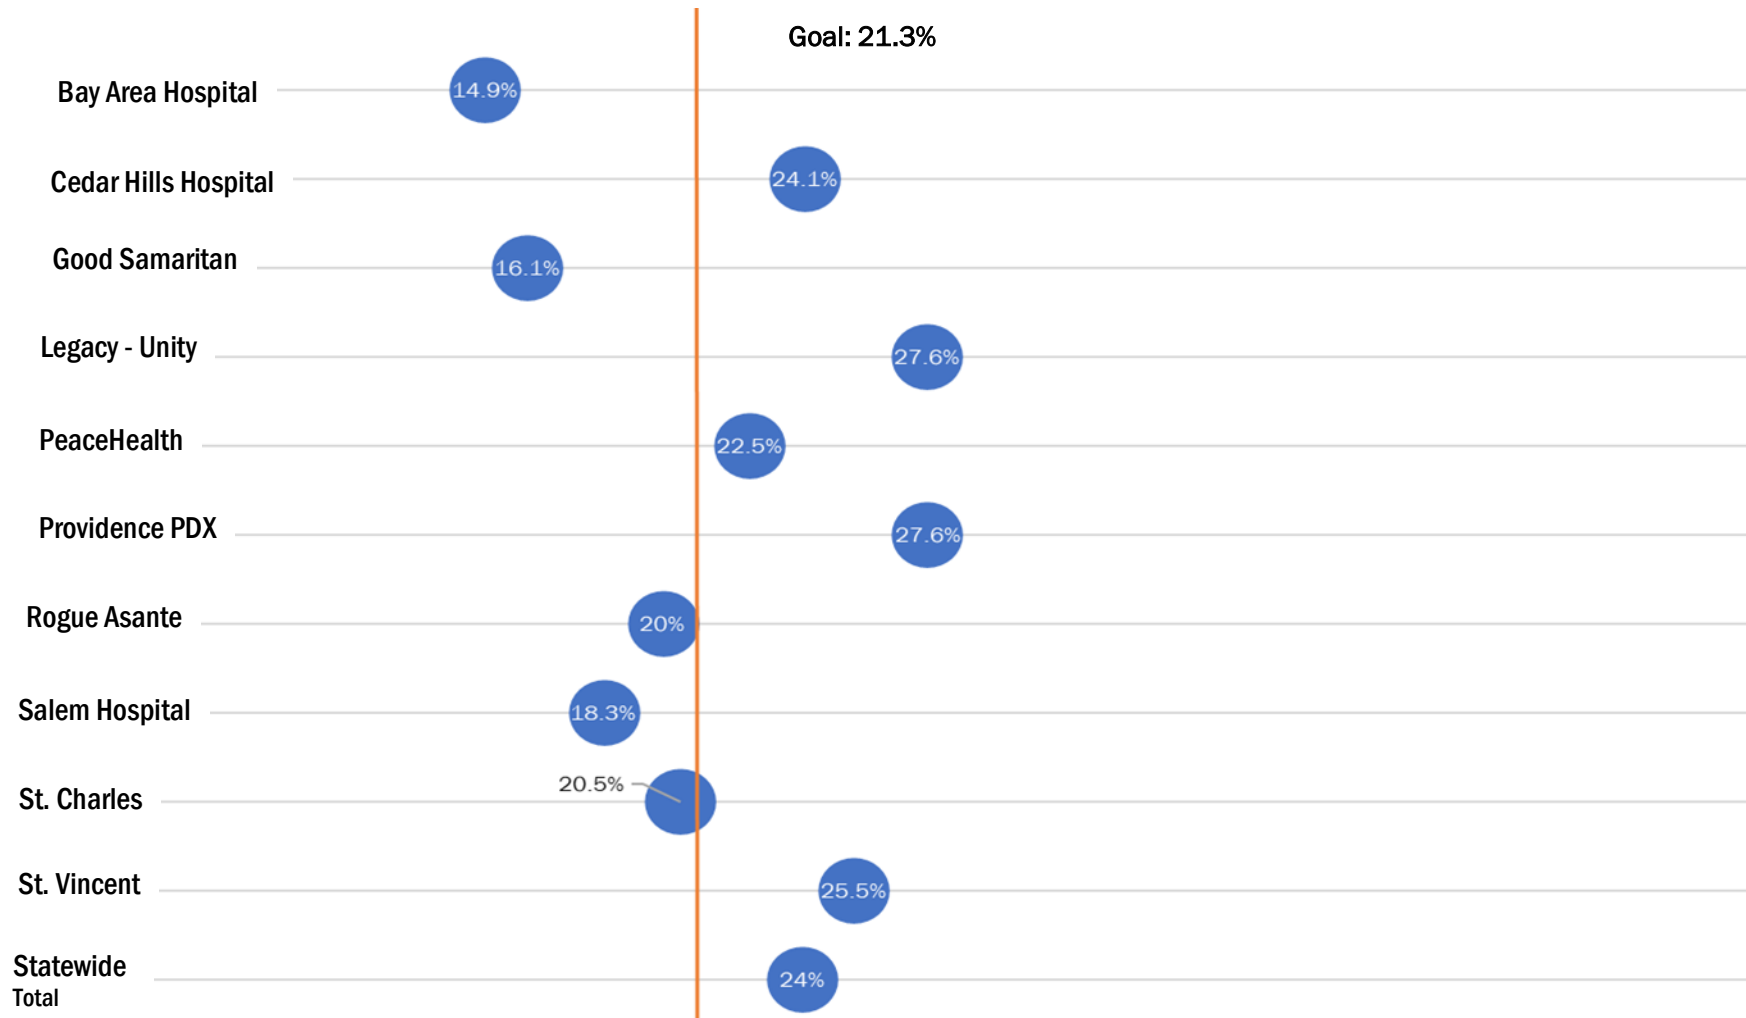

Statewide goal ending 6/30/2021: 10%

BEHAVIORAL HEALTH QUALITY AND PERFORMANCE IMPROVEMENT PLAN: Oregon State Hospital

Goal 4.2: Lower the percentage of readmissions within 180 days

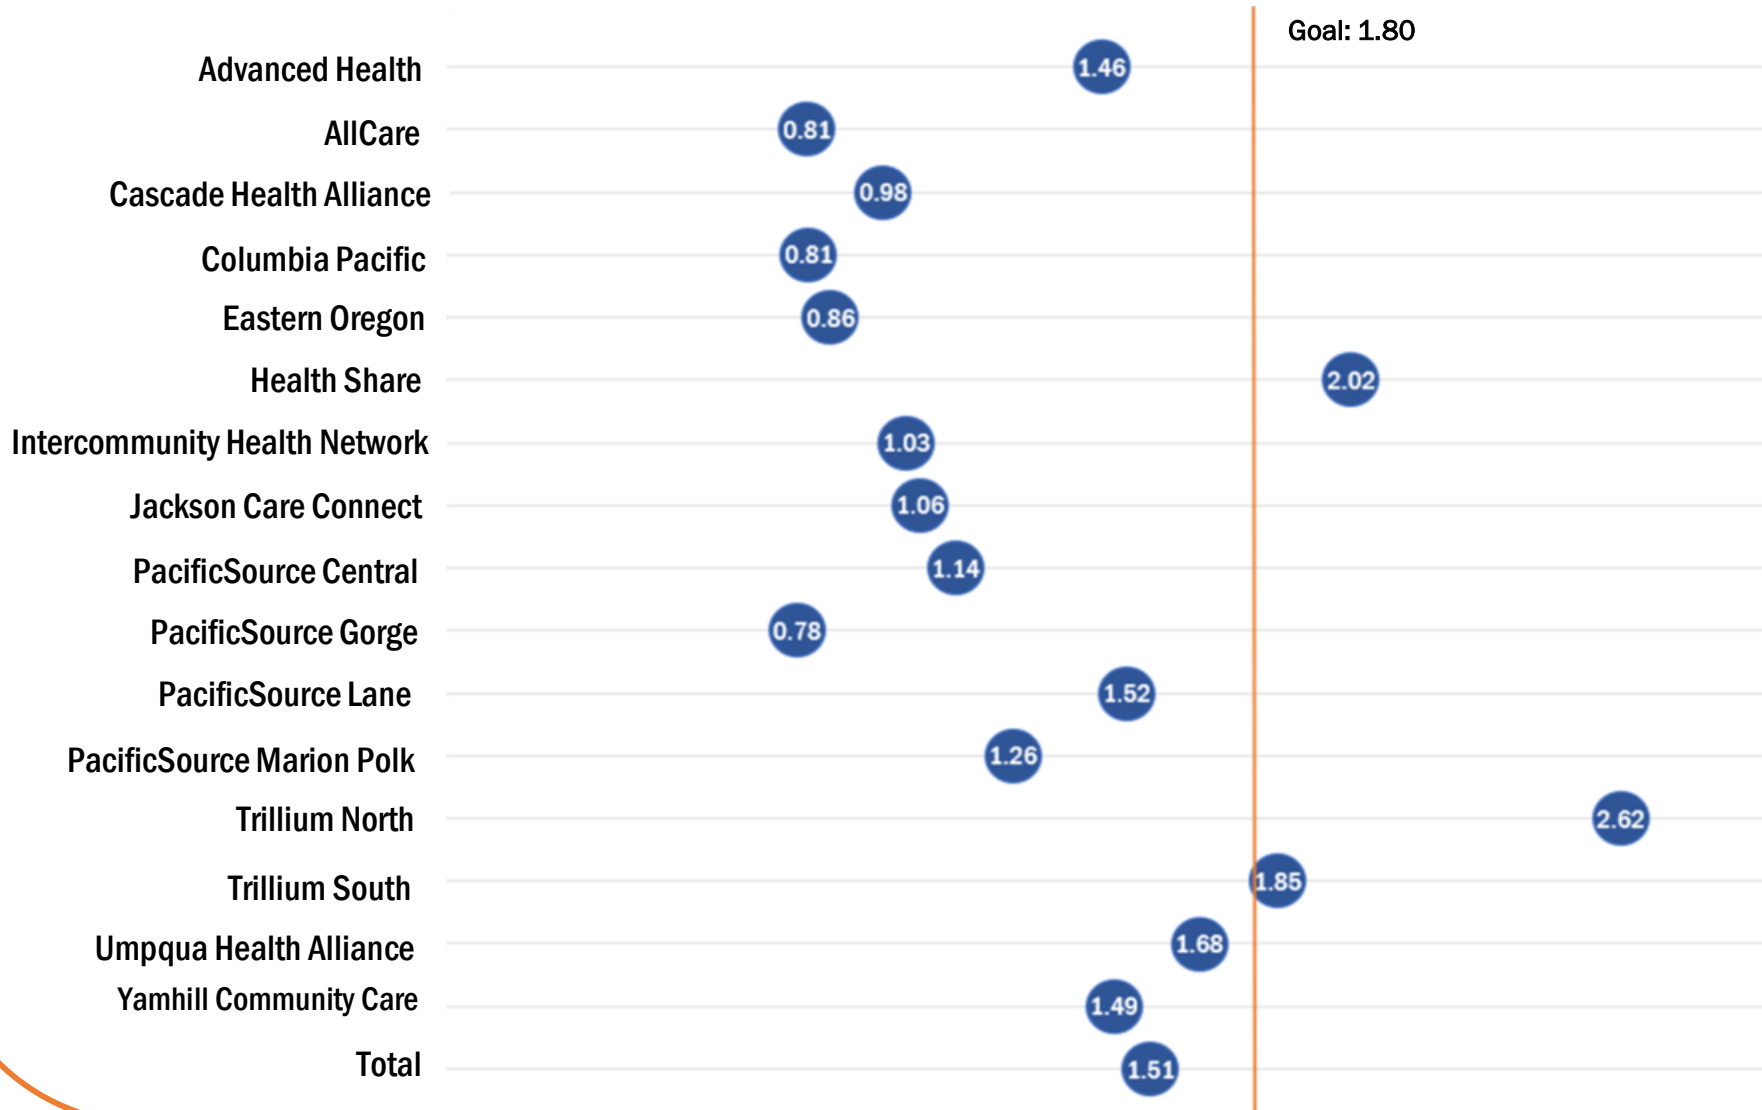

Statewide goal ending 6/30/2021: 21.3%

BEHAVIORAL HEALTH QUALITY AND PERFORMANCE IMPROVEMENT PLAN: Oregon State Hospital

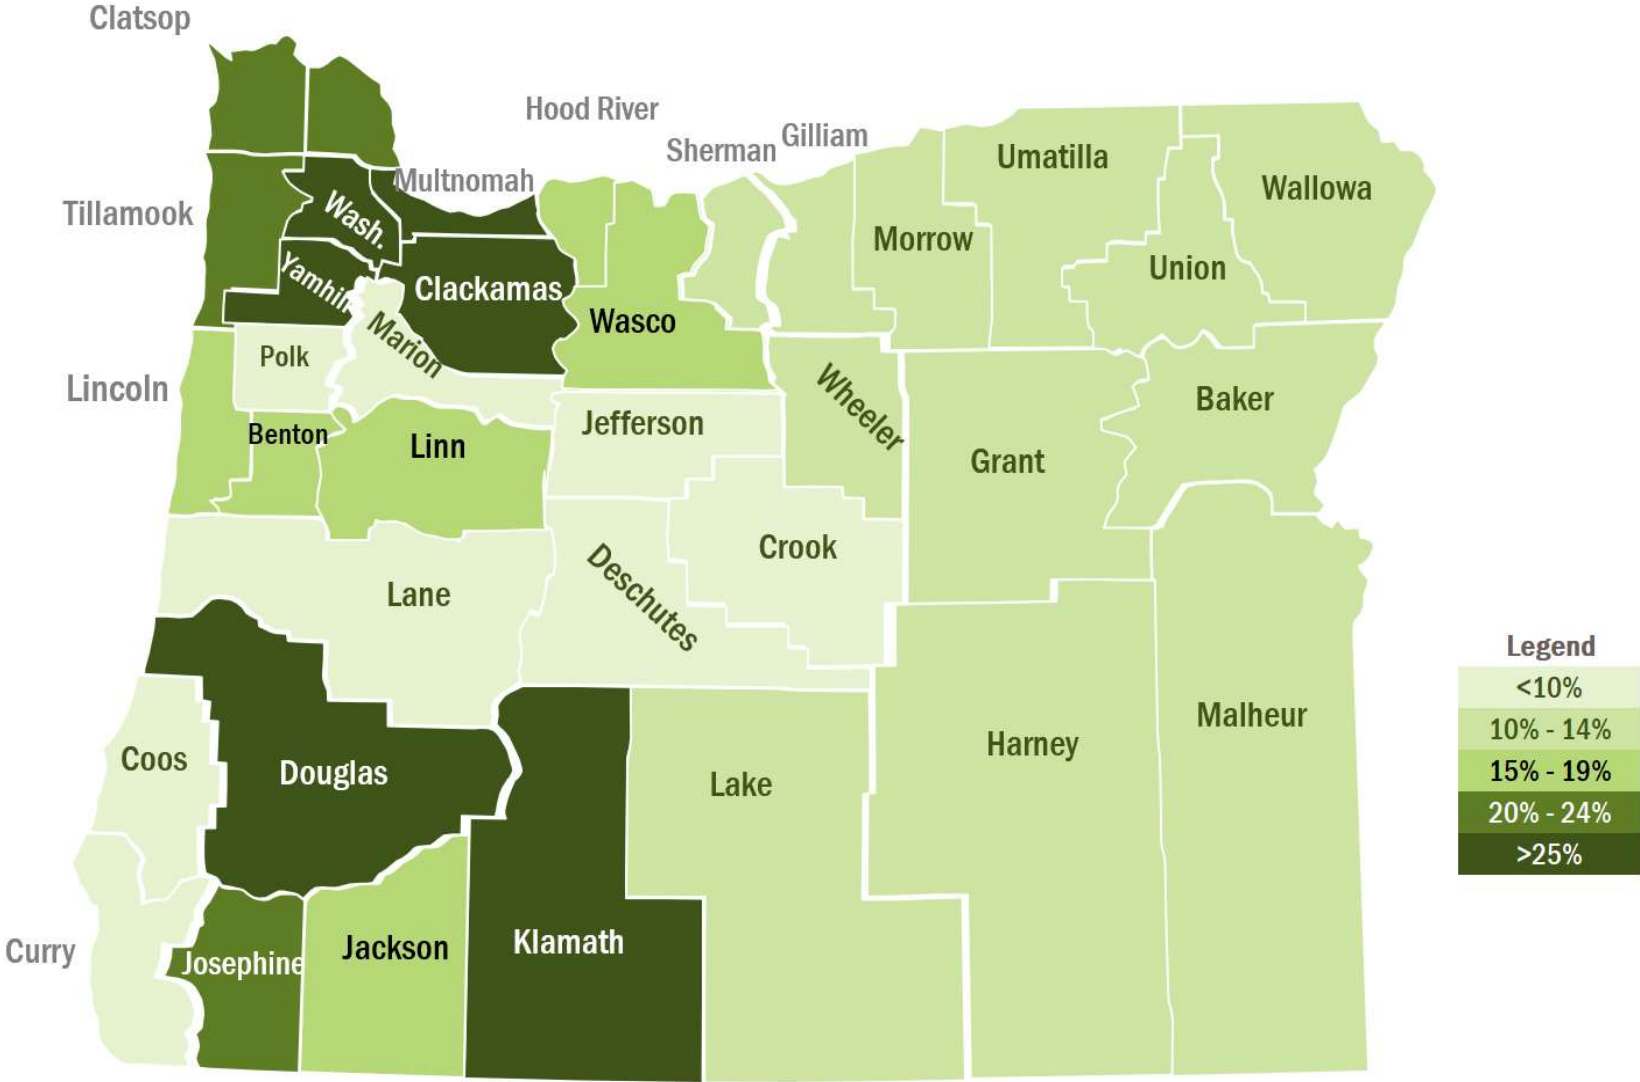

Goal 5.1: Decrease the rate of emergency department visits for mental health reasons by adults with a SPMI

Statewide goal ending 6/30/2021: 1.80 per 1,000 Medicaid member months

BEHAVIORAL HEALTH QUALITY AND PERFORMANCE IMPROVEMENT PLAN: Oregon State Hospital
