NEED FOR THE RULE(S):

The Division needs to amend these rules to standardize delivery of wraparound processes for consistency across regions statewide.

JUSTIFICATION OF TEMPORARY FILING:

The Authority finds that failure to act promptly will result in serious prejudice to the public interest, the Authority, and recipients of Medicaid benefits. These rules need to be adopted promptly so that the Authority may follow through on the agreement offered to CCOs, CMHPs, and other stakeholders that these rules would be in place July 1, 2019.
