NEED FOR THE RULE(S):

The Division needs to amend these rules to establish standards for Integrated Child and Adolescent Psychiatric and Substance Use Disorders Residential Treatment Programs.

JUSTIFICATION OF TEMPORARY FILING:

The Authority finds that failure to act promptly will result in serious prejudice to the public interest, the Authority, and recipients of Medicaid benefits. These rules need to be adopted promptly so that the Authority may establish standards for Integrated Child and Adolescent Psychiatric and Substance Use Disorders Residential Treatment Programs.

DOCUMENTS RELIED UPON, AND WHERE THEY ARE AVAILABLE:

Chapter 309, Division 022 OAR, available on the SOS website
Chapter 415, Division -12, available on the SOS website

AMEND: 309-022-0100

RULE TITLE: Purpose and Scope

RULE SUMMARY: These amendments create a new provider type for child and adolescent intensive treatment providers. Amending these rules will allow ITS providers to convert their ITS certification to a license to provide Integrated Child and Adolescent Psychiatric and Substance Use Disorders Residential Treatment.

RULE TEXT:

(1) OAR 309-022-0100 through OAR 309-022-0192 prescribe minimum standards for services and supports provided by addictions and mental health providers approved by the Health Systems Division (Division) of the Oregon Health

Authority (Authority) to operate under:

(a) An Intensive Treatment Services (ITS) certificate; or

(b) A Child and Adolescent Integrated Psychiatric Residential Treatment Facility and Residential Substance Use Disorders Treatment Program license (also called an "Integrated license" or "IPSR" program or license).

(2) OAR 309-022-0100 through OAR 309-022-0105 and OAR 309-022-0195 through OAR 309-0122-0230 prescribe minimum standards for services and supports provided by addictions and mental health providers approved by the Division to serve as a Children's Emergency Safety Intervention Specialist (CESIS).

(3) In addition to applicable requirements in OAR 410-120-0000 through 410-120-1980 and OAR 943-120-0000 through 943-120-1550, these rules specify standards for services and supports provided in Intensive Treatment Services (ITS) for children and adolescents.

(4) Entities providing or seeking to operate a child and adolescent Integrated Psychiatric Residential Treatment Facility and Residential Substance Use Disorders Treatment Program (IPSR) shall:

(a) Meet all the requirements for ITS providers;

(b) Meet all the requirements for residential substance use disorder treatment programs in OAR 309-018-0100 through 309-018-0215, except as described in subsection (d) below;

(c) Not be required to obtain a separate license under OAR 309-018-0100 through 309-018-0215 as long as the entities have a valid IPSR license under OAR chapter 309, division 022;

(d) Meet the requirements for individual rights set forth in OAR 309-018-0115, except that seclusion and restraint may be administered as set forth in OAR 309-022-0175;

(e) Comply with the requirements of OAR 309-022-0175 and OAR chapter 309, division 022 to the extent that seclusion and restraint is administered; and

(f) Be subject to the rules in OAR chapter 415, division 012 with respect to the IPSR/Integrated license or application for a license.

STATUTORY/OTHER AUTHORITY: ORS 161.390, 413.042, 430.256, 426.490 - 426.500, 428.205 - 428.270, 430.640, 443.450

STATUTES/OTHER IMPLEMENTED: ORS 109.675, 161.390 - 161.400, 179.505, 413.520 - 413.522, 426.380 - 426.395, 426.490 - 426.500, 430.010, 430.205 - 430.210, 430.240 - 430.640, 430.850 - 430.955, 443.400 - 443.460, 443.991, 743A.168

AMEND: 309-022-0105

RULE TITLE: Definitions

RULE SUMMARY: These amendments create a new provider type for child and adolescent intensive treatment providers. Amending these rules will allow ITS providers to convert their ITS certification to a license to provide Integrated Child and Adolescent Psychiatric and Substance Use Disorders Residential Treatment.

Services are responsive to the vulnerabilities of trauma survivors and are delivered in a way that avoids inadvertent re-traumatization and facilitates individual direction of services.

(106) "Treatment" means the planned, medically appropriate, individualized program of medical, psychological, and rehabilitative procedures, experiences, and activities designed to remediate symptoms of a DSM diagnosis that are included in the service plan.

(107) "Urgent" means the onset of symptoms requiring attention within 48 hours to prevent a serious deterioration in

an individual's mental or physical health or threat to safety.

(108) "Urinalysis Test" means an initial test or, if positive, a confirmatory test conducted by a laboratory meeting the requirements of OAR 333-024-0305 to 333-024-0365:

(a) An initial test shall include, at a minimum, a sensitive, rapid, and inexpensive immunoassay screen to eliminate "true negative" specimens from further consideration;

(b) A confirmatory test is a second analytical procedure used to identify the presence of a specific drug or metabolite in a urine specimen. The confirmatory test shall be by a different analytical method from that of the initial test to ensure reliability and accuracy.

(109) "Variance" means an exception from a provision of these rules granted in writing by the Division upon written application from the provider. Duration of a variance is determined on a case-by-case basis.

(110) "Volunteer" means an individual who provides a program service or who takes part in a program service and who is not an employee of the program and is not paid for services. The services shall be non-clinical unless the individual has the required credentials to provide a clinical service.

(111) "Wellness" means an approach to healthcare that emphasizes good physical and mental health, preventing illness, and prolonging life.

(112) "Wraparound" means a high-fidelity process of team-based intensive care coordination for children and their families based on National Wraparound Initiative values and principles.

(113) "Young Adult in Transition" means an individual who is developmentally transitioning into independence, sometime between the ages of 14 and 25.

AMEND: 309-022-0115

RULE TITLE: Individual Rights

RULE SUMMARY: These amendments create a new provider type for child and adolescent intensive treatment providers. Amending these rules will allow ITS providers to convert their ITS certification to a license to provide Integrated Child and Adolescent Psychiatric and Substance Use Disorders Residential Treatment.

RULE TEXT:

- (1) In addition to all applicable statutory and constitutional rights, every individual receiving services has the right to:
- (a) Choose from available services and supports those that are consistent with the service plan, culturally competent, provided in the most integrated setting in the community, and under conditions that are least restrictive to the individual's liberty, least intrusive to the individual, and provide for the greatest degree of independence;
 - (b) Be treated with dignity and respect;
 - (c) Have access to peer delivered services;
 - (d) Participate in the development of a written service plan, receive services consistent with that plan, and participate in periodic review and reassessment of service and support needs, assist in the development of the plan, and receive a copy of the written service plan;
 - (e) Have all services explained, including expected outcomes and possible risks;
 - (f) Confidentiality and the right to consent disclosure in accordance with ORS 107.154, 179.505, 179.507, 192.515, 192.507, 42 CFR Part 2, and 45 CFR Part 205.50;
 - (g) Give informed consent in writing prior to the start of services, except in a medical emergency or as otherwise permitted by law. Minor children may give informed consent to services in the following circumstances:
 - (A) Under age 18 and legally married;
 - (B) Age 16 or older and legally emancipated by the court; or
 - (C) Age 14 or older for outpatient services only. For purposes of informed consent, outpatient service does not include service provided in residential programs or in day or partial hospitalization programs.
 - (h) Inspect their service record in accordance with ORS 179.505;
 - (i) Refuse participation in experimentation;
 - (j) Receive medication specific to the individual's diagnosed clinical needs, including medications used to treat opioid dependence;
 - (k) Receive prior notice of transfer, unless the circumstances necessitating transfer pose a threat to health and safety;
 - (L) Be free from abuse or neglect and can report any incident of abuse or neglect without being subject to retaliation;
 - (m) Have religious freedom;
 - (n) Be free from seclusion and restraint, except as set forth in OAR 309-022-0175;
 - (o) Be informed at the start of services and periodically thereafter of the rights guaranteed by this rule;
 - (p) Be informed of the policies and procedures, service agreements, and fees applicable to the services provided and to have a custodial parent, guardian, or representative assist with understanding any information presented;
 - (q) Have family and guardian involvement in service planning and delivery;
 - (r) Make a declaration for mental health treatment when legally an adult;
 - (s) File grievances, including appealing decisions resulting from the grievance;
 - (t) Exercise all rights set forth in ORS 109.610 through 109.697 if the individual is a child, as defined by these rules;
 - (u) Exercise all rights set forth in ORS 426.385 if the individual is committed to the Authority; and
 - (v) Exercise all rights described in this rule without any form of reprisal or punishment.
- (2) In addition to the rights set forth in section (1) of this rule, every individual receiving residential services has the right to:
- (a) A safe, secure, and sanitary living environment;
 - (b) A humane service environment that affords reasonable protection from harm, reasonable privacy, and daily access to fresh air and the outdoors;

- (c) Keep and use personal clothing and belongings and have an adequate amount of private, secure storage space. Reasonable restriction of the time and place of use of certain classes of property may be implemented if necessary to prevent the individual or others from harm, provided notice of this restriction is given to individuals and their families, if applicable, upon entry to the program, documented, and reviewed periodically;
 - (d) Express sexual orientation, gender identity, and gender presentation;
 - (e) Have access to and participate in social, religious, and community activities;
 - (f) Private and uncensored communications by mail, telephone, and visitation, subject to the following restrictions:
 - (A) This right may be restricted only if the provider documents in the individual's record that there is a court order to the contrary or that in the absence of this restriction, significant physical or clinical harm may result to the individual or others. The nature of the harm shall be specified in reasonable detail, and any restriction of the right to communicate shall be no broader than necessary to prevent this harm; and
 - (B) The individual and their guardian, if applicable, shall be given specific written notice of each restriction of the individual's right to private and uncensored communication. The provider shall ensure that correspondence can be conveniently received and mailed, that telephones are reasonably accessible and allow for confidential communication, and that space is available for visits. Reasonable times for the use of telephones and visits may be established in writing by the provider.
 - (g) Communicate privately with public or private rights protection programs or rights advocates, clergy, and legal or medical professionals;
 - (h) Have access to and receive available and applicable educational services in the most integrated setting in the community;
 - (i) Participate regularly in indoor and outdoor recreation;
 - (j) Not be required to perform labor;
 - (k) Have access to adequate food and shelter; and
 - (L) A reasonable accommodation if due to a disability the housing and services are not sufficiently accessible.
- (3) The provider shall give to the individual and, if appropriate, the guardian a document that describes the applicable individual's rights as follows:
- (a) Information given to the individual shall be in written form or upon request in an alternative format or language appropriate to the individual's need;
 - (b) Rights and how to exercise them shall be explained to the individual and if appropriate to their guardian; and
 - (c) Individual rights shall be posted in writing in a common area.
- (4) In addition to the rights described in section (3), applicants and providers of Integrated (IPSR) Programs shall meet the requirements for Individual Rights specified in OAR 309-018-0115, except that seclusion and restraint may be administered as set forth in OAR 309-022-0175.

AMEND: 309-022-0135

RULE TITLE: Entry and Assessment

RULE SUMMARY: These amendments create a new provider type for child and adolescent intensive treatment providers. Amending these rules will allow ITS providers to convert their ITS certification to a license to provide Integrated Child and Adolescent Psychiatric and Substance Use Disorders Residential Treatment.

RULE TEXT:

(1) The program shall utilize a written entry procedure to ensure the following:

- (a) Individuals shall be considered for entry without regard to race, ethnicity, gender, gender identity, gender presentation, sexual orientation, religion, creed, national origin, age, except when program eligibility is restricted to children, adults or older adults, familial status, marital status, source of income, and disability;
- (b) Individuals shall receive services in the timeliest manner feasible consistent with the presenting circumstances;
- (c) Written informed consent for services shall be obtained from the individual or guardian, if applicable, prior to the start of services. If such consent is not obtained, the reason shall be documented and further attempts to obtain informed consent shall be made as appropriate;
- (d) The provider shall develop and maintain service records and other documentation for each individual that demonstrates the specific services and supports and the applicable date;
- (e) The provider shall report the entry of all individuals on the mandated state data system;
- (f) In accordance with ORS 179.505 and HIPAA, an authorization for the release of information shall be obtained for any confidential information concerning the individual being considered for or receiving services.

(2) At the time of entry, the program shall offer to the individual and guardian, if applicable, written program orientation information. The written information shall be in a language understood by the individual and shall include:

- (a) A description of individual rights consistent with these rules; and
- (b) Policies concerning grievances and appeals, including an example grievance form; and
- (c) Policies concerning confidentiality.

(3) Entry of children in community-based mental health services shall be prioritized in the following order:

- (a) Children who are at immediate risk of psychiatric hospitalization or removal from home due to emotional and mental health conditions;
- (b) Children who have severe mental health conditions;
- (c) Children who exhibit behavior that indicates high risk of developing conditions of a severe or persistent nature; and
- (d) Any other child who is experiencing mental health conditions that significantly affect the child's ability to function in everyday life but not requiring hospitalization or removal from home in the near future.

(4) Assessment:

- (a) At the time of entry, an assessment shall be completed prior to development of the service plan;
- (b) The assessment shall be completed by a QMHP. A QMHA may assist in the gathering and compiling of information to be included in the assessment;
- (c) Each assessment shall include:
 - (A) Sufficient information and documentation to justify the presence of a DSM diagnosis that is the medically appropriate reason for services;
 - (B) Suicide potential shall be assessed and service records shall contain follow-up actions and referrals when an individual reports symptoms indicating risk of suicide;
 - (C) Screening for the presence of co-occurring disorders and chronic medical conditions; and
 - (D) Screening for the presence of symptoms related to physical or psychological trauma.
- (d) When the assessment process determines the presence of co-occurring substance use and mental health disorders or any significant risk to health and safety:
 - (A) Additional assessments shall be used to determine the need for additional services and supports and the level of risk to the individual or to others; and

(B) All providers shall document referral for further assessment, planning, and intervention from an appropriate professional, either with the same provider or with a collaborative community provider.

(e) In addition to periodic assessment updates based on changes in the clinical circumstance, any individual continuing to receive mental health services for one or more continuous years shall receive an annual assessment by an LMP.

(f) Integrated/IPSR providers shall also meet the requirements specified in OAR 309-018-0140 for conducting assessments.

STATUTORY/OTHER AUTHORITY: ORS 161.390, 413.042, 430.256, 426.490 - 426.500, 428.205 - 428.270, 430.640, 443.450

STATUTES/OTHER IMPLEMENTED: ORS 109.675, 161.390 - 161.400, 179.505, 413.520 - 413.522, 426.380 - 426.395, 426.490 - 426.500, 430.010, 430.205 - 430.210, 430.240 - 430.640, 430.850 - 430.955, 443.400 - 443.460, 443.991, 743A.168

AMEND: 309-022-0140

RULE TITLE: Service Planning and Coordination

RULE SUMMARY: These amendments create a new provider type for child and adolescent intensive treatment providers. Amending these rules will allow ITS providers to convert their ITS certification to a license to provide Integrated Child and Adolescent Psychiatric and Substance Use Disorders Residential Treatment.

RULE TEXT:

(1) The provider shall deliver or coordinate for each individual appropriate services and supports to collaboratively facilitate intended service outcomes as identified by the individual and family:

(a) Qualified program staff shall facilitate a planning process, resulting in a service plan that reflects the assessment;

(b) A service plan shall be completed prior to the start of services;

(c) A licensed health care professional shall recommend the services and supports by signing the service plan;

(d) Individuals and family members shall be invited to participate in the development of the service plan;

(e) Providers shall fully inform the individual and guardian when applicable of the proposed services and supports in developmentally and culturally appropriate language, obtain informed consent for all proposed services, offer peer delivered services, and give the individual and guardian a written copy of the service plan;

(f) Providers shall collaborate with community partners to coordinate or deliver services and supports identified in the service plan;

(g) Providers shall collaborate to exchange information with any applicable physical health care providers for the individual to promote regular and adequate health care.

(2) The service plan shall be a written, individualized plan to improve the individual's condition to the point where the individual's continued participation in the program is no longer necessary. The service plan is included in the individual's service records and shall:

(a) Be completed prior to the start of services;

(b) Reflect the full assessment and the level of care to be provided;

(c) Include the participation of the individual and family members;

(d) Be completed by a QMHP;

(e) A QMHP who is also a licensed health care professional shall recommend the services and supports by signing the service plan within ten business days of the start of services; and

(f) An LMP shall approve the service plan at least annually for everyone receiving mental health services for one or more continuous years. The LMP may designate annual clinical oversight by documenting the designation to a specific licensed health care professional.

(3) At a minimum, each service plan shall include:

(a) Treatment objectives that are:

(A) Individualized to meet the assessed needs of the individual; and

(B) Measurable for evaluating individual progress, including a baseline evaluation.

(b) The specific services and supports indicated by the assessment that shall be used to meet the treatment objectives;

(c) A projected schedule for service and support delivery, including the expected frequency and duration of each type of planned service or support;

(d) The credentials of the personnel providing each service and support; and

(e) A projected schedule for re-evaluating the service plan;

(f) Proactive safety and crisis planning; and

(g) A behavior support plan.

(4) The interdisciplinary team shall conduct a review of progress and transfer criteria at least every 30 days from the date of entry and shall document the member's present, progress, and changes made. For Psychiatric Day Treatment Services, the review shall be conducted every 30 days, and the LMP shall participate in the review at least every 90 days.

(5) Providers shall document each service and support in a service note. A service note, at minimum, shall include:

- (a) The specific services rendered;
 - (b) The specific service plan objectives being addressed by the services provided;
 - (c) The relationship of the services provided to the treatment objective described in the service plan;
 - (d) The date, time of service, and the actual amount of time the services were rendered;
 - (e) The personnel rendering the services, including the name, credential, and signature;
 - (f) The setting in which the services were rendered; and
 - (g) Periodic updates describing the individual's progress.
- (6) Decisions to transfer individuals shall be documented and include:
- (a) The reason for the transfer;
 - (b) Referrals to follow up services and other behavioral health providers; and
 - (c) Outreach efforts made.

RULE TITLE: Service Record

RULE SUMMARY: These amendments create a new provider type for child and adolescent intensive treatment providers. Amending these rules will allow ITS providers to convert their ITS certification to a license to provide Integrated Child and Adolescent Psychiatric and Substance Use Disorders Residential Treatment.

RULE TEXT:

- (1) All providers shall develop and maintain a service record for each individual upon entry.
- (2) Documentation shall be appropriate in quality and quantity to meet professional standards applicable to the provider and any additional standards for documentation in the provider's policies and any pertinent contracts.
- (3) The service record shall, at a minimum, include:
 - (a) Identifying information or documentation of attempts to obtain the information, including:
 - (A) The individual's name, address, telephone number, date of birth, and gender;
 - (B) Name, address, and telephone number of the parent or legal guardian, primary care giver, or emergency contact;
 - (C) Contact information for medical and dental providers.
 - (b) Informed Consent for Service, including medications or documentation specifying why the provider could not obtain consent by the individual or guardian as applicable;
 - (c) Written refusal of any services and supports offered, including medications;
 - (d) A signed fee agreement, when applicable;
 - (e) Assessment and updates to the assessment;
 - (f) A service plan, including any applicable behavior support or crisis intervention planning;
 - (g) Service notes;
 - (h) A transfer summary, when applicable;
 - (i) Applicable signed consents for release of information.
- (4) When medical services are provided, the following documents shall be part of the service record as applicable:
 - (a) Medication administration records;
 - (b) Laboratory reports; and
 - (c) LMP orders for medication, protocols, or procedures.
- (5) Providers shall maintain additional service record documentation as follows:
 - (a) A personal belongings inventory created upon entry and updated whenever an item of significant value is added or removed or on the date of transfer;
 - (b) Documentation indicating that the individual and guardian, as applicable, were provided with the required orientation information upon entry;
 - (c) Background information including strengths and interests, all available previous mental health or substance use assessments, previous living arrangements, service history, behavior support considerations, education service plans if applicable, and family and other support resources;
 - (d) Medical information including a brief history of any health conditions, documentation from a LMP or other qualified health care professional of the individual's current physical health, and a written record of any prescribed or recommended medications, services, dietary specifications, and aids to physical functioning;
 - (e) Copies of documents relating to guardianship or any other legal considerations, as applicable;
 - (f) A copy of the individual's most recent service plan, if applicable, or in the case of an emergency or crisis-respite entry, a summary of current addictions or mental health services and any applicable behavior support plans;
 - (g) Documentation of the individual's ability to evacuate the home consistent with the program's evacuation plan developed in accordance with the Oregon Structural Specialty Code and Oregon Fire Code;
 - (h) Documentation of any safety risks;
 - (i) Incident reports, when required, including:
 - (A) The date of the incident, the persons involved, the details of the incident, and the quality and performance actions

taken to initiate investigation of the incident and correct any identified deficiencies; and

(B) Any child abuse reports made by the provider to law enforcement or to the Department's Child Welfare Programs documenting the date of the incident, the individuals involved and, if known, the outcome of the reports.

(j) Level of service intensity determination;

(k) Names and contact information of the members of the interdisciplinary team;

(L) Documentation by the interdisciplinary team that the child's service plan has been reviewed, the services provided are medically appropriate for the specific level of care, and changes in the plan recommended by the interdisciplinary team, as indicated by the child's service and support needs, have been implemented;

(m) Emergency safety intervention records in a separate section or in a separate format documenting each incident of personal restraint or seclusion, signed and dated by the qualified program staff directing the intervention and, if required, by the psychiatrist or clinical supervisor authorizing the intervention; and

(n) A copy of the written transition instructions provided to the child and family on the date of transfer.

RULE TITLE: Minimum Program Requirements

RULE SUMMARY: These amendments create a new provider type for child and adolescent intensive treatment providers. Amending these rules will allow ITS providers to convert their ITS certification to a license to provide Integrated Child and Adolescent Psychiatric and Substance Use Disorders Residential Treatment.

RULE TEXT:

ITS providers shall meet the following general requirements:

- (1) Maintain the organizational capacity and interdisciplinary treatment capability to deliver clinically and developmentally appropriate services in the medically appropriate amount, intensity, and duration for each child specific to the child's diagnosis, level of functioning, and the acuity and severity of the child's psychiatric symptoms.
- (2) Maintain 24-hour, seven days per week treatment responsibility for children in the program.
- (3) Non-residential programs shall maintain on-call capability at all times to respond directly or by referral to the treatment needs of children, including crises, 24 hours per day, and seven days per week.
- (4) Inform the Division and the legal guardian within twenty-four hours of reportable incidents.
- (5) Maintain linkages with primary care physicians, CMHPs, and MHOs and the child's parent or guardian to coordinate necessary continuing care resources for the child.
- (6) Maintain linkages with the applicable education service district or school district to coordinate and provide the necessary educational services for the children and integrate education services in all phases of assessment, service and support planning, active treatment, and transition planning.

AMEND: 309-022-0155

RULE TITLE: General Staffing Requirements

RULE SUMMARY: These amendments create a new provider type for child and adolescent intensive treatment providers. Amending these rules will allow ITS providers to convert their ITS certification to a license to provide Integrated Child and Adolescent Psychiatric and Substance Use Disorders Residential Treatment.

RULE TEXT:

(1) ITS providers shall have the clinical leadership and sufficient QMHP, QMHA, and other program staff to meet the 24-hour, seven days per week treatment needs of children and shall establish policies, procedures, and contracts to assure:

(a) Availability of psychiatric services to meet the following requirements:

(A) Provision of medical oversight of the clinical aspects of care in nationally accredited sub-acute and psychiatric residential treatment facilities and provide 24-hour, seven days per week psychiatric on-call coverage, or consult on clinical care and treatment in psychiatric day treatment; and

(B) Assessment of each child's medication and treatment needs, prescribe medicine or otherwise assure that case management and consultation services are provided to obtain prescriptions, and prescribe therapeutic modalities to achieve the child's service plan goals.

(b) There shall be at least one program staff who has completed First Aid and CPR training on duty at all times.

(2) Residential ITS providers shall ensure overnight program staff visually monitor clients at specified intervals as per agency policy during sleeping hours for signs of life. This includes monitoring for breathing and movement.

(3) ITS providers shall ensure that the following services and supports are available and accessible through direct service, contract, or by referral:

(a) Active psychiatric treatment and education services shall be functionally integrated in a therapeutic environment designed to reflect and promote achievement of the intended outcomes of each child's service plan;

(b) Continuity of the child's education when treatment services interrupt the child's day to day educational environment;

(c) Family therapy provided by a QMHP. The family therapist to child ratio shall be at least one family therapist for each 12 children;

(d) Psychiatric services;

(e) Individual, group, and family therapies provided by a QMHP. There shall be no less than one family therapist available for each 12 children;

(f) Medication evaluation, management, and monitoring;

(g) Pre-vocational or vocational rehabilitation;

(h) Therapies supporting speech, language, and hearing rehabilitation;

(i) Individual and group psychosocial skills development;

(j) Activity and recreational therapies;

(k) Nutrition;

(L) Physical health care services or coordination;

(m) Recreational and social activities consistent with individual strengths and interests;

(n) Educational services coordination and advocacy; and

(o) Behavior support services.

RULE TITLE: Program Specific Requirements

RULE SUMMARY: These amendments create a new provider type for child and adolescent intensive treatment providers. Amending these rules will allow ITS providers to convert their ITS certification to a license to provide Integrated Child and Adolescent Psychiatric and Substance Use Disorders Residential Treatment.

RULE TEXT:

In addition to the general requirements for all ITS providers set forth in OAR 309-022-0150 and 0155, the facilities and programs shall meet the following requirements:

(1) Psychiatric Residential Treatment Facilities (PRTF):

(a) Children shall either have or be screened for an Individual Education Plan, Personal Education Plan, or an Individual Family Service Plan;

(b) PRTFs shall maintain one or more linkages with acute care hospitals or CCOs to coordinate necessary inpatient care;

(c) Psychiatric residential clinical care and treatment shall be under the direction of a psychiatrist and delivered by an interdisciplinary team of board-certified or board-eligible child and adolescent psychiatrists, registered nurses, psychologists, other qualified mental health professionals, and other relevant program staff. A psychiatrist shall be available to the unit 24-hours per day, seven days per week; and

(d) PRTFs shall be staffed at a clinical staffing ratio of not less than one program staff for three children during the day and evening shifts at all times. At least one program staff for every three program staff members during the day and evening shifts shall be a QMHP or QMHA. For overnight program staff there shall be a staffing ratio of at least one program staff for six children at all times for each program unit. At least one of the overnight program staff shall be a QMHA. For units that by this ratio have only one overnight program staff, there shall be additional program staff immediately available within the facility or on the premises. At least one QMHP shall be on site or on call at all times. At least one program staff with designated clinical leadership responsibilities shall be on site at all times.

(2) Programs providing PRTS shall meet the requirements for PRTF's listed in section (1)(a).

(3) Programs providing SCIP and SAIP services shall meet the requirements for PRTFs listed in section (1). They shall also establish policies and practices to meet the following:

(a) The staffing model shall allow for the child's frequent contact with the child psychiatrist a minimum of one hour per week;

(b) Psychiatric nursing staff shall be provided in the program 24 hours per day;

(c) A psychologist, psychiatric social worker, rehabilitation therapist, and psychologist with documented training in forensic evaluations shall be available 24 hours per day as appropriate; and

(d) Program staff with specialized training in SCIP or SAIP shall be available 24 hours per day;

(e) The program shall provide all medically appropriate psychiatric services necessary to meet the child's psychiatric care needs;

(f) The program shall provide secure psychiatric treatment services in a manner that ensures public safety to youth who are under the care and custody of the Oregon Youth Authority, court ordered for psychiatric evaluation, or admitted by the authority of the JPSRB; and (g) The program may not rely on external entities such as law enforcement or acute hospital care to assist in the management of the SCIP or SAIP setting.

(4) In addition to the services provided as indicated by the assessment and specified in the service plan, Sub-Acute Psychiatric Care providers shall:

(a) Provide psychiatric nursing staffing at least 16 hours per day;

(b) Provide nursing supervision and monitoring and psychiatric supervision at least once per week; and

(c) Work actively with the child and family team and multi-disciplinary community partners to plan for the long-term emotional, behavioral, physical, and social needs of the child to be met in the most integrated setting in the community.

(5) Residential Adolescent Substance Use Disorders Treatment and Recovery Services Programs approved to provide adolescent substance use disorders treatment services or those with adolescent-designated service funding shall meet

the following standards:

- (a) Development of service plans, and case management services shall include participation of parents, other family members, schools, children's services agencies, and juvenile corrections, as appropriate;
- (b) Services or appropriate referrals shall include:
 - (A) Family counseling;
 - (B) Education services;
 - (C) Community and social skills training; and
 - (D) Smoking cessation service.
- (c) Continuing care services shall be of appropriate duration and designed to maximize recovery opportunities. The services shall include:
 - (A) Reintegration services and coordination with family and schools;
 - (B) Youth dominated self-help groups where available;
 - (C) Linkage to emancipation services when appropriate; and
 - (D) Linkage to physical or sexual abuse counseling and support services when appropriate.
- (6) Psychiatric Day Treatment Services (PDTS):
 - (a) PDTS shall be provided to children who remain at home with a parent, guardian, or foster parent by qualified mental health professionals and qualified mental health associates in consultation with a psychiatrist;
 - (b) An education program shall be provided, and children shall be screened for an Individual Education Plan, Personal Education Plan, or Individual Family Service Plan; and
 - (c) Psychiatric Day Treatment programs shall be staffed at a clinical staffing ratio of at least one QMHP or QMHA for three children.

AMEND: 309-022-0165

RULE TITLE: Behavior Support Services

RULE SUMMARY: These amendments create a new provider type for child and adolescent intensive treatment providers. Amending these rules will allow ITS providers to convert their ITS certification to a license to provide Integrated Child and Adolescent Psychiatric and Substance Use Disorders Residential Treatment.

RULE TEXT:

Behavior support services shall be proactive, recovery-oriented, individualized, and designed to facilitate positive alternatives to challenging behavior, as well as to assist the individual in developing adaptive and functional living skills.

All providers shall:

- (1) Develop and implement individual behavior support strategies, based on a functional or other clinically appropriate assessment of challenging behavior.
- (2) Document the behavior support strategies and measures for tracking progress as a behavior support plan in the service plan.
- (3) Establish a framework that assures individualized positive behavior support practices throughout the program and articulates a rationale consistent with the philosophies supported by the Division, including the Division's Trauma-informed Services Policy.
- (4) Obtain informed consent from the parent or guardian, when applicable, in the use of behavior support strategies and communicate both verbally and in writing the information to the individual and guardian in a language understood by the individual and in a developmentally appropriate manner.
- (5) Establish outcome-based tracking methods to measure the effectiveness of behavior support strategies in:
 - (a) Reducing or eliminating the use of emergency safety interventions; and
 - (b) Increasing positive behavior.
- (6) Require all program staff to receive annual training in Collaborative Problem Solving, Positive Behavior Support or other Evidence-based Practice to promote positive behavior support.
- (7) Review and update behavior support policies, procedures, and practices annually.

RULE TITLE: Emergency Safety Interventions

RULE SUMMARY: These amendments create a new provider type for child and adolescent intensive treatment providers. Amending these rules will allow ITS providers to convert their ITS certification to a license to provide Integrated Child and Adolescent Psychiatric and Substance Use Disorders Residential Treatment.

RULE TEXT:

Providers of ITS services shall:

- (1) Adopt policies and procedures for emergency safety interventions as part of a crisis prevention and intervention policy. The policy shall be consistent with the provider's trauma-informed services policies and procedures.
- (2) Inform the individual and their parent or guardian of the provider's policy regarding the use of personal restraint and seclusion during an emergency safety situation by both furnishing a written copy of the policy and providing an explanation in the individual's primary language that is developmentally appropriate.
- (3) Obtain a written acknowledgment from the parent or guardian that they are informed of the provider's policies and procedures regarding the use of personal restraint and seclusion.
- (4) Prohibit the use of mechanical restraint and chemical restraint.
- (5) Establish an emergency safety interventions committee or designate this function to an already established quality assessment and performance improvement committee. Committee membership shall minimally include a program staff with designated clinical leadership responsibilities, the person responsible for staff training in crisis intervention procedures, and other clinical personnel not directly responsible for authorizing the use of emergency safety interventions. The committee shall:
 - (a) Monitor the use of emergency safety interventions to assure that individuals are safeguarded and their rights are always protected;
 - (b) Meet at least monthly and shall report in writing to the provider's quality assessment and performance improvement committee at least quarterly regarding the committee's activities, findings, and recommendations;
 - (c) Analyze emergency safety interventions to determine opportunities to prevent their use, increase the use of alternatives, improve the quality of care and safety of individuals receiving services, and recommend whether follow up action is needed;
 - (d) Review and update emergency safety intervention policies and procedures annually;
 - (e) Conduct individual and aggregate review of all incidents of personal restraint and seclusion; and
 - (f) Report the aggregate number of personal restraints and incidents of seclusion to the Division within 30 days of the end of each calendar quarter.

AMEND: 309-022-0175

RULE TITLE: Restraint and Seclusion

RULE SUMMARY: These amendments create a new provider type for child and adolescent intensive treatment providers. Amending these rules will allow ITS providers to convert their ITS certification to a license to provide Integrated Child and Adolescent Psychiatric and Substance Use Disorders Residential Treatment.

RULE TEXT:

(1) Providers shall meet the following general conditions of personal restraint and seclusion:

(a) Personal restraint and seclusion shall be used only in an emergency safety situation to prevent immediate injury to an individual who is in danger of physically harming himself or herself or others in situations, such as the occurrence of or serious threat of violence, personal injury, or attempted suicide;

(b) Any use of personal restraint or seclusion shall respect the dignity and civil rights of the individual;

(c) The use of personal restraint or seclusion shall be directly related to the immediate risk related to the behavior of the individual and may not be used as punishment, discipline, or for the convenience of staff;

(d) Personal restraint or seclusion shall be used only for the length of time necessary for the individual to resume self-control and prevent harm to the individual or others, even if the order for seclusion or personal restraint has not expired, and shall under no circumstances exceed four hours for individuals ages 18 to 21, two hours for individuals ages 9 to 17, or one hour for individuals under age 9;

(e) An order for personal restraint or seclusion may not be written as a standing order or on an as needed basis;

(f) Personal restraint and seclusion may not be used simultaneously;

(g) Providers shall notify the individual's parent or guardian of any incident of seclusion or personal restraint as soon as possible;

(h) If incidents of personal restraint or seclusion used with an individual cumulatively exceed five interventions over a period of five days or a single episode of one hour within 24 hours, the psychiatrist or designee shall convene by phone or in person program staff with designated clinical leadership responsibilities to:

(A) Discuss the emergency safety situation that required the intervention, including the precipitating factors that led up to the intervention and any alternative strategies that might have prevented the use of the personal restraint or seclusion;

(B) Discuss the procedures, if any, to be implemented to prevent any recurrence of the use of personal restraint or seclusion;

(C) Discuss the outcome of the intervention including any injuries that may have resulted; and

(D) Review the individual's service plan making the necessary revisions and documenting the discussion and any resulting changes to the individual's service plan in the service record.

(2) Personal Restraint:

(a) Each personal restraint shall require an immediate documented order by a physician, licensed practitioner, or a licensed CESIS;

(b) The order shall include:

(A) Name of the individual authorized to order the personal restraint;

(B) Date and time the order was obtained; and

(C) Length of time for which the intervention was authorized.

(c) Each personal restraint shall be conducted by program staff that completed and used Division-approved crisis intervention training. If in the event of an emergency, a non-Division approved crisis intervention technique is used, the provider's on-call administrator shall review immediately the intervention and document the review in an incident report to be provided to the Division within 24 hours;

(d) At least one program staff trained in the use of emergency safety interventions shall be physically present, continually assessing and monitoring the physical and psychological well-being of the individual and the safe use of the personal restraint throughout the duration of the personal restraint;

- (e) Within one hour of the initiation of a personal restraint, a psychiatrist, licensed practitioner, or CESIS shall conduct a face-to-face assessment of the physical and psychological well-being of the individual;
- (f) A designated program staff with clinical leadership responsibilities shall review all personal restraint documentation prior to the end of the shift in which the intervention occurred; and
- (g) Each incident of personal restraint shall be documented in the service record. The documentation shall specify:
 - (A) Behavior support strategies and less restrictive interventions attempted prior to the personal restraint;
 - (B) Required authorization;
 - (C) Events precipitating the personal restraint;
 - (D) Length of time the personal restraint was used;
 - (E) Assessment of appropriateness of the personal restraint based on threat of harm to self or others;
 - (F) Assessment of physical injury; and
 - (G) The individual's response to the emergency safety intervention.
- (3) Providers shall be certified by the Division for the use of seclusion:
 - (a) Authorization for seclusion shall be obtained by a psychiatrist, licensed practitioner, or CESIS prior to or immediately after the initiation of seclusion. Written orders for seclusion shall be completed for each instance of seclusion and shall include:
 - (A) Name of the individual authorized to order seclusion;
 - (B) Date and time the order was obtained; and
 - (C) Length of time for which the intervention was authorized.
 - (b) Program staff trained in the use of emergency safety interventions shall be physically present continually assessing and monitoring the physical and psychological well-being of the individual throughout the duration of the seclusion;
 - (c) Visual monitoring of the individual in seclusion shall occur continuously and be documented at least every fifteen minutes or more often as clinically indicated;
 - (d) Within one hour of the initiation of seclusion, a psychiatrist or CESIS shall conduct a face-to-face assessment of the physical and psychological well-being of the individual;
 - (e) The individual shall have regular meals, bathing, and use of the bathroom during seclusion, and the provision of these shall be documented in the service record; and
 - (f) Each incident of seclusion shall be documented in the service record. The documentation shall specify:
 - (A) The behavior support strategies and less restrictive interventions attempted prior to the use of seclusion;
 - (B) The required authorization for the use of seclusion;
 - (C) The events precipitating the use of seclusion;
 - (D) The length of time seclusion was used;
 - (E) An assessment of the appropriateness of seclusion based on threat of harm to self or others;
 - (F) An assessment of physical injury to the individual, if any; and
 - (G) The individual's response to the emergency safety intervention.
 - (4) Any room specifically designated for the use of seclusion or time out shall be approved by the Division. If the use of seclusion occurs in a room with a locking door, the program shall be authorized by the Division for this purpose and shall meet the following requirements:
 - (a) A facility or program seeking authorization for the use of seclusion shall submit a written application to the Division;
 - (b) The application shall include a comprehensive plan for the need and use of seclusion of children in the program and copies of the facility's policies and procedures for the utilization and monitoring of seclusion, including a statistical analysis of the facility's actual use of seclusion, physical space, staff training, staff authorization, record keeping, and quality assessment practices;
 - (c) The Division shall review the application and, after a determination that the written application is complete and satisfies all applicable requirements, shall provide for a review of the facility by authorized Division staff;
 - (d) The Division shall have access to all records including service records, the physical plant of the facility, the employees of the facility, the professional credentials and training records for all program staff, and shall have the opportunity to

fully observe the treatment and seclusion practices employed by the facility;

(e) After the review, the chief officer shall approve or disapprove the facility's application and upon approval shall certify the facility based on the determination of the facility's compliance with all applicable requirements for the seclusion of children;

(f) If disapproved, the facility shall be provided with specific recommendations and have the right of appeal to the Division; and

(g) Certification of a facility shall be effective for a maximum of three years and may be renewed thereafter upon approval of a renewal application.

(5) An ITS provider seeking certification shall have available at least one room that meets the following specifications and structural and physical requirements for seclusion:

(a) The room shall be of adequate size to permit three adults to move freely and allow for one adult to lie down. Any newly constructed room shall be no less than 64 square feet;

(b) The room may not be isolated from regular program staff of the facility and shall be equipped with adequate locking devices on all doors and windows;

(c) The door shall open outward and contain a port of shatterproof glass or plastic through which the entire room may be viewed from outside;

(d) The room shall contain no protruding, exposed, or sharp objects;

(e) The room shall contain no furniture. A fireproof mattress or mat shall be available for comfort;

(f) Any windows shall be made of unbreakable or shatterproof glass or plastic. Non-shatterproof glass shall be protected by adequate climb-proof screening;

(g) There may be no exposed pipes or electrical wiring in the room. Electrical outlets shall be permanently capped or covered with a metal shield secured by tamper-proof screws. AMEND: 309-022-0180

RULE TITLE: Transfer and Continuity of Care

RULE SUMMARY: These amendments create a new provider type for child and adolescent intensive treatment providers. Amending these rules will allow ITS providers to convert their ITS certification to a license to provide Integrated Child and Adolescent Psychiatric and Substance Use Disorders Residential Treatment.

RULE TEXT:

(1) Providers shall meet the following requirements for planned transfer:

(a) Decisions to transfer individuals shall be documented in a transfer summary. The documentation shall include the reason for the transfer;

(b) Planned transfers shall be consistent with the transfer criteria established by the interdisciplinary team and documented in the service plan;

(c) Providers may not transfer services unless the interdisciplinary team in consultation with the child's parent or guardian and the next provider agree that the child requires a more or less restrictive level of care; and

(d) If the determination is made to admit the child to acute care, the provider may not transfer services during the acute care stay unless the interdisciplinary team in consultation with the child's parent or guardian and the next provider agree that the child requires a more or less restrictive level of care following the acute care stay.

(2) Prior to transfer providers shall:

(a) Coordinate and provide appropriate referrals for medical care and medication management. The transferring provider shall assist the individual to identify the medical provider who provides continuing care and arrange an initial appointment with that provider;

(b) Coordinate recovery and ongoing support services for individuals and their families including identifying resources and facilitating linkage to other service systems necessary to sustain recovery including peer delivered services;

(c) Complete a transfer summary;

(d) When services are transferred due to the absence of the individual, the provider shall document outreach efforts made to re-engage the individual or document the reason why such efforts were not made;

(e) If the individual is under the jurisdiction of the PSRB or JPSRB, the provider shall notify the PSRB or JPSRB immediately and provide a copy of the transfer summary within 30 days;

(f) The provider shall report all instances of transfer on the mandated state data system; and

(g) At a minimum, the provider's interdisciplinary team shall:

(A) Integrate transfer planning into ongoing treatment planning and documentation from the time of entry and specify the transfer criteria that shall indicate resolution of the symptoms and behaviors that justified the entry;

(B) Review and, if needed, modify the transfer criteria in the service plan every 30 days;

(C) Notify the child's parent or guardian and the provider to which the child shall be transitioned of the anticipated transfer dates at the time of entry and when the service plan is changed;

(D) Include the parent or guardian peer support when requested by the parent or guardian and provider to which the child shall be transitioned in transfer planning and reflect their needs and desires to the extent clinically indicated;

(E) Finalize the transition plan prior to transfer and identify in the plan the continuum of services and the type and frequency of follow-up contacts recommended by the provider to assist in the child's successful transition to the next appropriate level of care;

(F) Assure that appropriate medical care and medication management shall be provided to individuals who leave through a planned transfer. The last service provider's interdisciplinary team shall identify the medical personnel who provides continuing care and shall arrange an initial appointment with that provider;

(G) Coordinate appropriate education services with applicable school district personnel; and

(H) Give a written transition plan to the child's parent or guardian and the next provider if applicable on the date of transfer.

(3) A transfer summary shall include the following:

- (a) The date and reason for the transfer;
- (b) A summary statement that describes the effectiveness of services in assisting the individual and their family to achieve intended outcomes identified in the service plan;
- (c) Where appropriate, a plan for personal wellness and resilience, including relapse prevention safety and suicide prevention planning; and
- (d) Identification of resources to assist the individual and family including peer delivered services, if applicable, in accessing recovery and resiliency services and supports;
- (e) If the transfer is to services with another provider, all documentation contained in the service record requested by the receiving provider shall be furnished, compliant with applicable confidentiality policies and procedures within 14 days of receipt of a written request for the documentation;
- (f) A complete transfer summary shall be sent to the receiving provider within 30 days of the transfer.

RULE TITLE: Quality Assessment and Performance Improvement

RULE SUMMARY: These amendments create a new provider type for child and adolescent intensive treatment providers. Amending these rules will allow ITS providers to convert their ITS certification to a license to provide Integrated Child and Adolescent Psychiatric and Substance Use Disorders Residential Treatment.

RULE TEXT:

(1) Each provider shall develop and implement a structured and ongoing process to assess, monitor, and improve the quality and effectiveness of services provided to individuals and their families, including:

(a) A quality improvement committee; and

(b) A performance improvement process documented in a performance improvement plan.

(2) The quality improvement committee shall include representatives of individuals served and their families and shall meet at least quarterly to:

(a) Identify and assess the following indicators of quality:

(A) Access to services;

(B) Outcomes of services;

(C) Systems integration and coordination of services; and

(D) Utilization of services.

(b) Review incident reports, emergency safety intervention documentation, grievances, and other documentation as applicable;

(c) Identify measurable and time-specific performance objectives and strategies to meet the objectives and measure progress;

(d) Recommend policy and operational changes necessary to achieve performance objectives; and

(e) Reassess and, if necessary, revise objectives and methods to measure performance on an ongoing basis to ensure sustainability of improvements.

(3) The quality assessment and performance improvement process shall be documented in a performance improvement plan that shall include:

(a) Performance objectives aimed at improving services; and

(b) Strategies designed to meet the performance objectives and measure progress.

AMEND: 309-022-0190

RULE TITLE: Grievances and Appeals

RULE SUMMARY: These amendments create a new provider type for child and adolescent intensive treatment providers. Amending these rules will allow ITS providers to convert their ITS certification to a license to provide Integrated Child and Adolescent Psychiatric and Substance Use Disorders Residential Treatment.

RULE TEXT:

- (1) Any individual receiving services or the parent or guardian of the individual may file a grievance with the provider, the individual's managed care plan, or the Division.
- (2) Medicaid grievances and appeals shall adhere to procedures set forth in OAR 410-141-0260 through 410-141-0266.
- (3) For individuals whose services are not funded by Medicaid, providers shall:
 - (a) Notify each individual or guardian of the grievance procedures by reviewing a written copy of the policy upon entry;
 - (b) Assist individuals and parents or guardians, as applicable, to understand and complete the grievance process and notify them of the results and basis for the decision;
 - (c) Encourage and facilitate resolution of the grievance at the lowest possible level;
 - (d) Complete an investigation of any grievance within 30 calendar days;
 - (e) Implement a procedure for accepting, processing, and responding to grievances including specific timelines for each;
 - (f) Designate a program staff person to receive and process the grievance;
 - (g) Document any action taken on a substantiated grievance within a timely manner; and
 - (h) Document receipt, investigation, and action taken in response to the grievance.
- (4) The provider shall have a grievance process notice that shall be posted in a conspicuous place stating the telephone number of:
 - (a) The Division;
 - (b) The CMHP;
 - (c) Disability Rights Oregon; and
 - (d) The applicable managed care organization.
- (5) When the matter of the grievance is likely to cause harm to the individual before the grievance procedures are completed, the individual or individual's guardian may request an expedited review. The program administrator shall review and respond in writing to the grievance within 48 hours of receipt of the grievance. The written response shall include information about the appeal process.
- (6) A grievant, witness, or staff member of a provider may not be subject to retaliation by a provider for making a report or being interviewed about a grievance or being a witness. Retaliation may include but is not limited to dismissal or harassment; reduction in services, wages, or benefits; or basing service or a performance review on the action.
- (7) The grievant is immune from any civil or criminal liability with respect to the making or content of a grievance made in good faith.
- (8) Individuals and their legal guardians shall have the right to appeal entry, transfer, and grievance decisions as follows:
 - (a) If the individual or guardian is not satisfied with the decision, the individual or guardian may file an appeal in writing within ten working days of the date of the program administrator's response to the grievance or notification of denial for services. The appeal shall be submitted to the CMHP Director in the county where the provider is located or to the Division;
 - (b) If requested, program staff shall be available to assist the individual;
 - (c) The CMHP Director or Division, shall provide a written response within ten working days of the receipt of the appeal; and
 - (d) If the individual or guardian is not satisfied with the appeal decision, they may file a second appeal in writing within ten working days of the date of the written response to the Director.
