* PacificSource will no longer be a coordinated care organization (CCO) in Lane County in early 2026. OHP members in Lane County covered by PacificSource will have a new CCO: Trillium Community Health Plan (Trillium). The unawarded CCBF previously allocated to PS Lane will be reallocated to Trillium Southwest CCO, which will take over serving those members. This change will follow the CCBF funding approach. Final funding decisions will be made as soon as possible, to help build an HRSN provider network that can support both new and existing members.
