

Oregon's 1115 Medicaid Waiver

All Come Webinar

June 17, 2026

Zoom Meeting Tips

Use **chat** to ask questions.

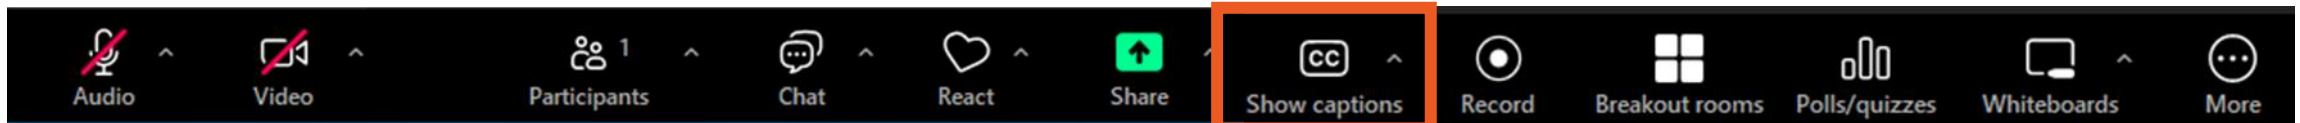

- We'd like this session to be interactive, so we'll be saving the chat.
- If you want to ask a question verbally, feel free to raise your hand.

This webinar is being **recorded**.

- We'll share it with participants after the presentation.

For **live captioning**, please click on the “cc” button at the bottom of your screen.

1115 Medicaid Waiver Background

What is the Oregon Health Plan?

Medicaid

Medicaid is the nation's public health care program. In Oregon we call it the Oregon Health Plan (OHP).

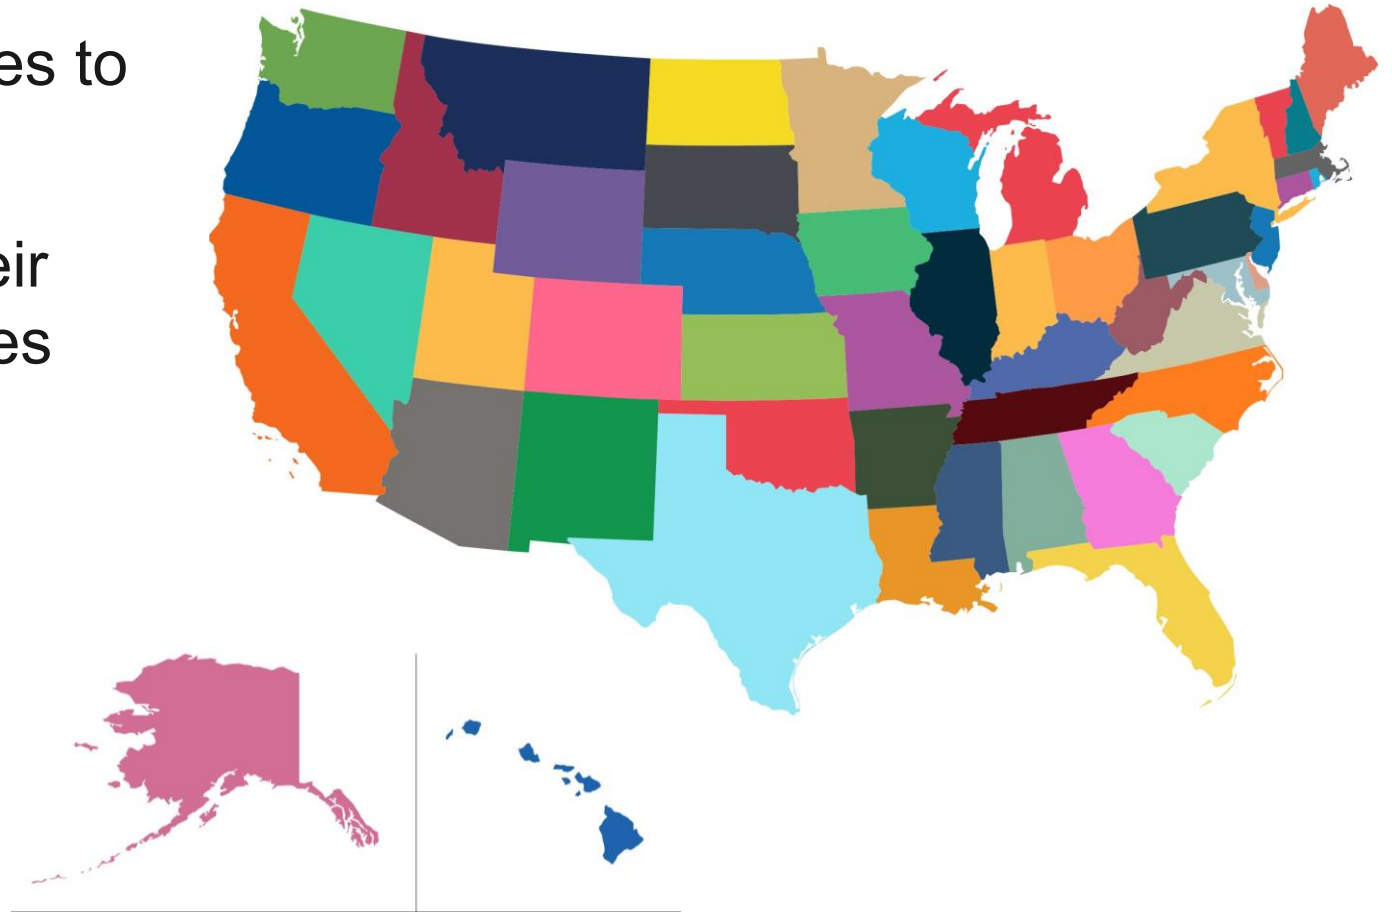

Oregon Health Plan

The Oregon Health Plan (OHP) is free health care coverage for low-income children, teens, and adults who live in Oregon. You can apply for OHP at any time during the year.

What is a Medicaid Waiver?

- States must follow federal rules to get Medicaid funding.
- States can ask **to change** their Medicaid rules. These changes are called a Medicaid waiver.

What are Health-Related Social Needs?

Health-Related Social Needs (HRSNs) are social and economic needs that affect people's ability to stay healthy and well. Eligible OHP members may get these services meant to help improve their health outcomes.

HRSN Benefits include:

- Housing Supports, including Home Changes for Health and Safety
- Nutrition Supports
- Outreach & Engagement

Nutrition Benefits: Pantry Stocking and Fruit & Vegetable

OHP Nutrition Benefits for Qualifying Members

Launched January 1, 2025

Medically Tailored Meals

Prepared meals for up to 6 months delivered to members with specific health-related conditions.

Assessment for Medically Tailored Meals

Assessment with a Registered Dietitian Nutritionist (RDN) to develop a nutrition care plan.

Nutrition Education

Helps members understand how to choose healthy foods and beverages.

Launching July 1, 2026

Pantry Stocking

Provides members with a portion of their recommended daily food for up to 6 months. Foods can be fresh, frozen, dried, pureed, or canned.

Fruit & Vegetable Benefit

Provides fruits, vegetables, and herbs to members for up to 6 months. Fruits, vegetables, and herbs can be fresh, frozen, dried, pureed, or canned.

Pantry Stocking Benefit Details

The Pantry Stocking Benefit can be delivered through two different service delivery models.

	Pantry Stocking Grocery Box	Pantry Stocking Card
Covered Service	An assortment of foods aimed at promoting improved nutrition for the member. Foods available through this service may be fresh, frozen, dried, pureed, or canned.	
Service Model (depends on service area):	Grocery box delivery or Community Supported Agriculture (CSA) program.	Voucher/token or prepaid card to be used only at a food retailer for allowable purchases.
	There may be only one option available depending on Member location, health plan, and needs.	
Unit:	Eligible OHP Members may receive this on the individual level (not household).	
Duration:	Up to 24 weeks across a 26-week (six-month) period	
Setting:	Delivered to the member's home or private residence or picked up from designated pick-up areas.	Purchase from approved food retailers.

Fruit & Vegetable Benefit Details

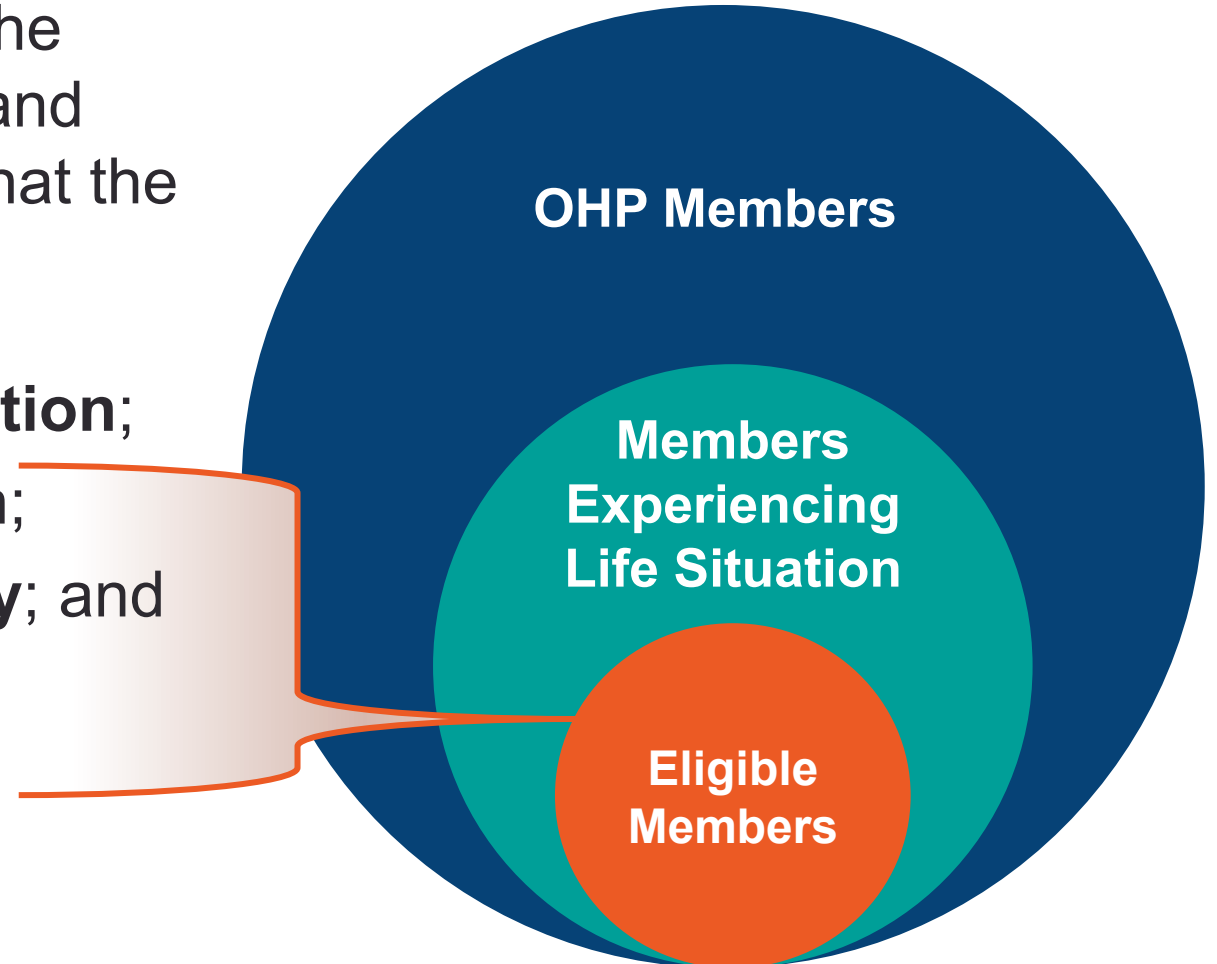

The Fruit & Vegetable Benefit can be delivered through two different service delivery models.

	Fruit & Vegetable Box	Fruit & Vegetable Card
Covered Service:	Fresh, frozen, dried, pureed, or canned fruits and vegetables. Herbs are also included.	
Service Model (availability varies):	Fruit and vegetable box delivery or Community Supported Agriculture (CSA) program.	Voucher/token or prepaid card to be used only at a food retailer for allowable purchases.
	There may be only one option available depending on Member location, health plan, and needs.	
Unit:	Eligible OHP Members may receive this on the individual level (not household).	
Duration:	Up to 24 weeks across a 26-week (six-month) period	
Setting:	Delivered to the member's home or private residence or picked up from designated pick-up areas.	Purchase from approved food retailers.

Overview: OHP Nutrition Benefit Eligibility

To qualify for OHP Nutrition Benefits, the individual **must be an OHP member** and meet certain requirements, including that the member:

1. Is experiencing a **certain life situation**;
2. Has a **qualifying health condition**;
3. Has **low or very low food security**; and
4. Meets any other **service-specific requirements**.

1: Qualifying Life Situations

1

Qualifying life situations include:

- Being an OHP member with Young Adult with Special Health Care Needs (YSHCN) benefits.
- Having left a mental health or substance use disorder treatment facility in the past 12 months.
- Having left incarceration (such as jail or prison) in the past 12 months.
- Being in the Oregon child welfare system (foster care) now or in the past.
- Going from Medicaid-only benefits to qualifying for Medicaid plus Medicare.
- Experiencing homelessness.
- At risk of becoming homeless.

2 & 3: Qualifying Health and Social Conditions

2

Health Conditions

Members must meet at least one of the following:

- A complex behavioral health need
- A developmental disability need
- A complex physical health need
- Difficulty with self-care and daily activities
- Experience with abuse or neglect
- Use emergency rooms or crisis services often
- Pregnant or gave birth in the past 12 months
- Child under 6 years of age
- Adult 65 years of age or older
- Young Adults with Special Health Care Needs (YSHCN)

3

Social Condition

Member must be experiencing
Low Food Security or Very Low Food Security.

4. Benefit-Specific Eligibility

4

Pantry Stocking

- Members must be:
 - **A child under 21,**
 - **YSHCN,**
 - **or pregnant.**
- Members **must not:**
 - **Reside in institutional settings** that must provide residents with meals.

Fruit & Vegetable Benefit

- Members **must not:**
 - **Reside in institutional settings** that must provide residents with meals.

Nutrition Eligibility Overview

Requirement	1	+	2	+	3	+	4
	Life Situation		Qualifying Health Condition		Qualifying Social Condition		Benefit-Specific Eligibility
	Member is experiencing a certain life situation.		Member has a qualifying health condition.		Member has the qualifying social condition.		Member meets any additional benefit-specific criteria.
Example	Member is a child that has an open case with Child Welfare in Oregon.		Member has been diagnosed with lupus.		Member does not have enough food to eat.		Member is a child under 5.

The Member can choose to receive Pantry Stocking or Fruit & Vegetable, but not at the same time. If the Member is eligible after one benefit ends, they can request the other and be authorized if they are still eligible.

HRSN Data Update

OHA SHNAP works with Health-Related Social Needs (HRSN) data

- The Social Health Needs and Analytics Projects (SHNAP) team provides data support for implementing Oregon's Medicaid 1115 Waiver.
- Key responsibilities and projects:
 - Collecting HRSN specific data from Health Plans
 - Analyzing HRSN data for internal uses
 - Publishing HRSN analytics for public use
 - Supporting Providers to better use HRSN data

To request HRSN data complete the [online data request form](#).

For other HRSN data questions: HRSN.data@oha.Oregon.gov

Almost 25,000 OHP members have received an HRSN Service through December 2025

Total HRSN Services Delivered:
390,635

Total Unique Members Receiving HRSN Services:
24,668

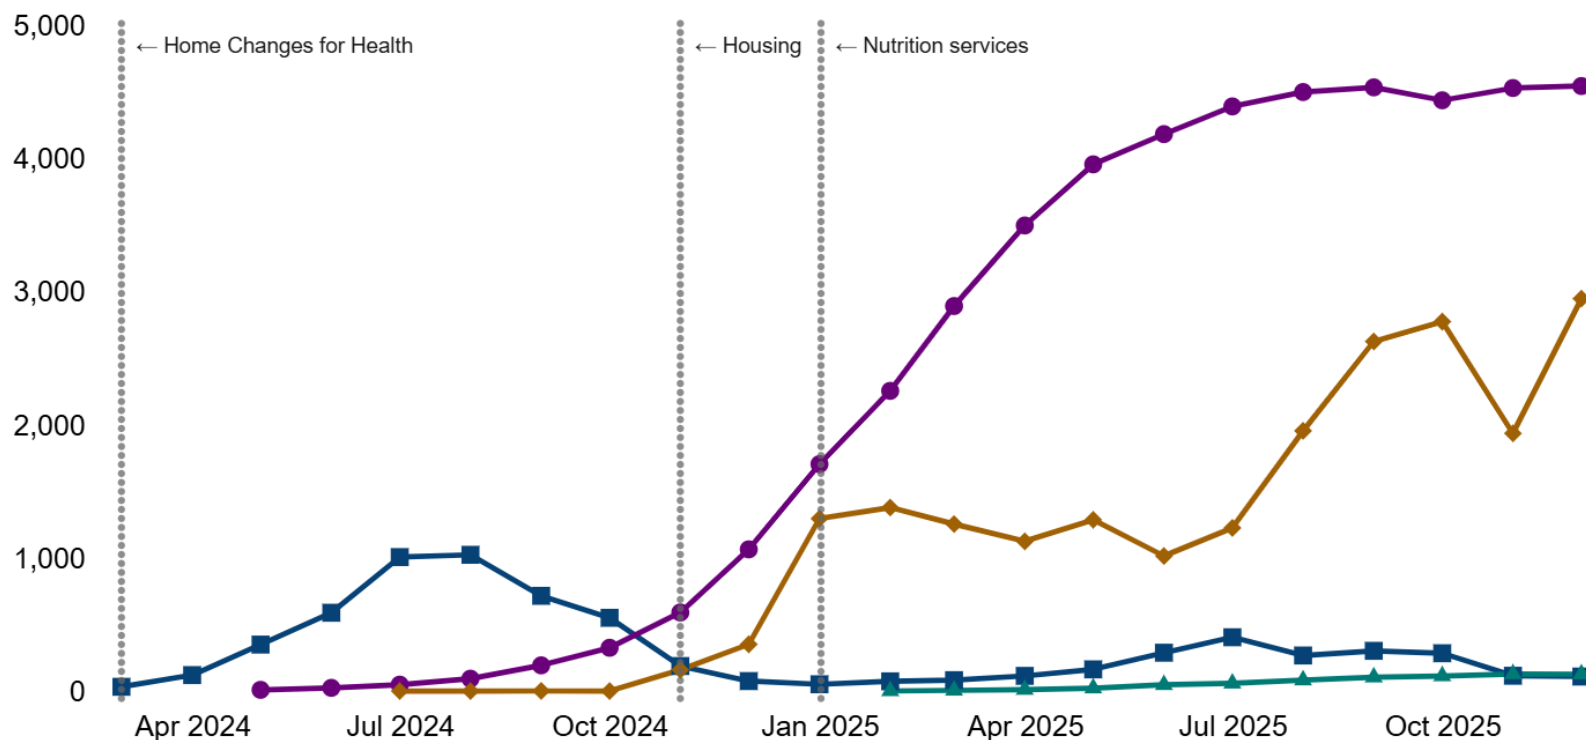

Data Notes:

- While Housing benefits launched November 2024, members may request rent and utility payments going back to May 2024
- Members may receive more than one HRSN service and may appear more than once in the data over time

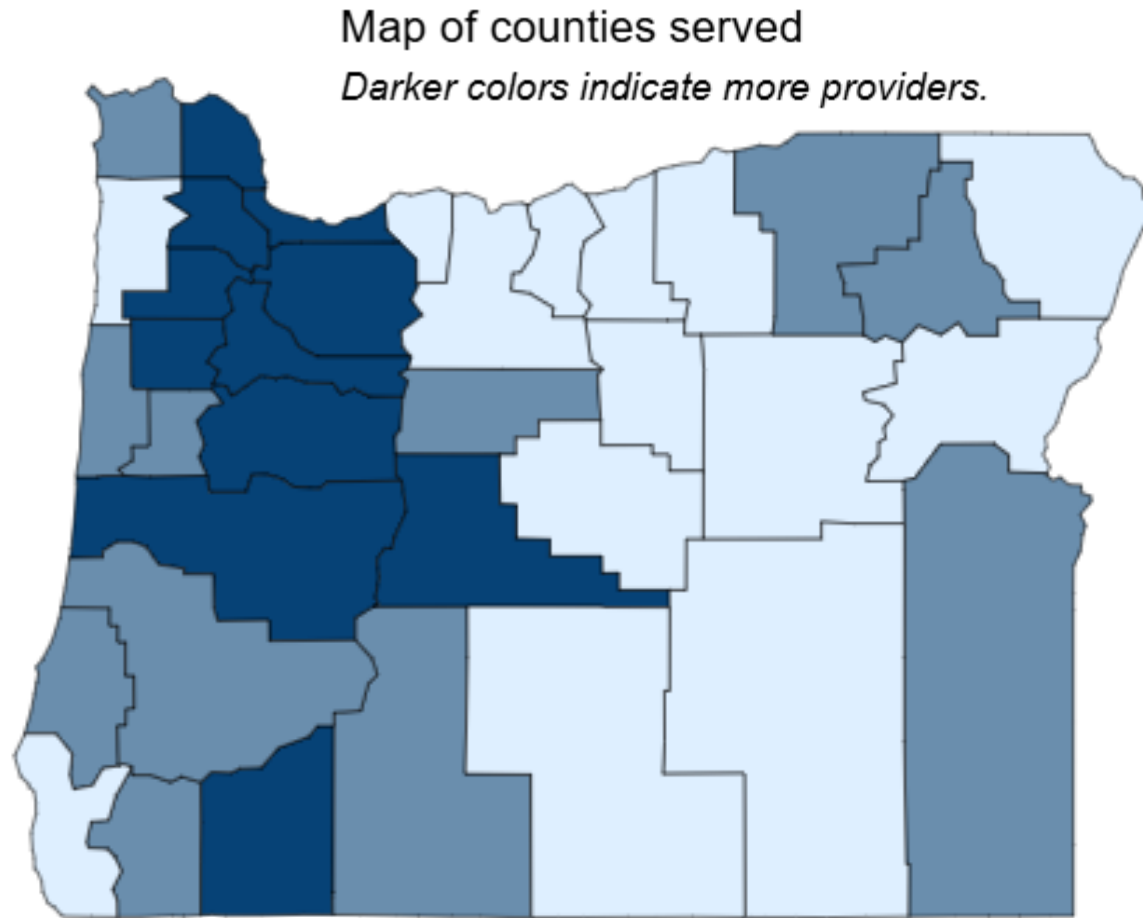

Members receiving HRSN services over time

Dotted lines indicate the launch dates of different HRSN services

■ Home Changes for Health ■ Housing ▲ Nutrition ◆ Outreach & engagement

Over 137 Providers have delivered HRSN benefits from program launch through December 2025

There are HRSN service providers for every benefit area:

- 22 Home Changes for Health
- 107 Housing
- 10 Nutrition*
- 102 Outreach & Engagement

*Two new nutrition benefits will launch July 1. There are enrolled providers who will be delivering these benefits who are not counted here.

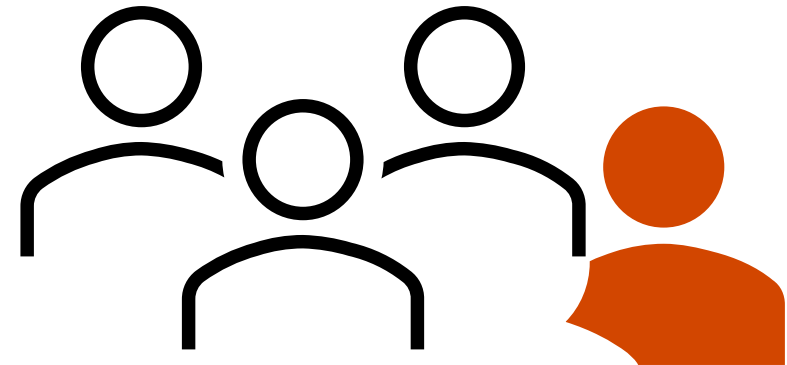

Data Notes:

- HRSN service providers may serve multiple counties, participate in multiple plans, and provide multiple types of benefits.

Over half of the 24,000 members that received an HRSN benefit report having 1+ disability

~**53%** of HRSN benefit recipients report having one or more disabilities

Compared to **24%** of the general OHP population

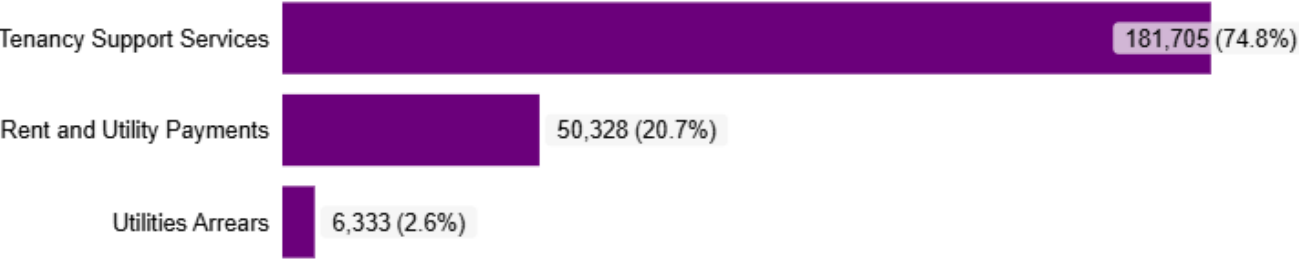

Data Notes:

- Disability data is using REALD data standards.

Over 10,000 members have received housing services since November 2024

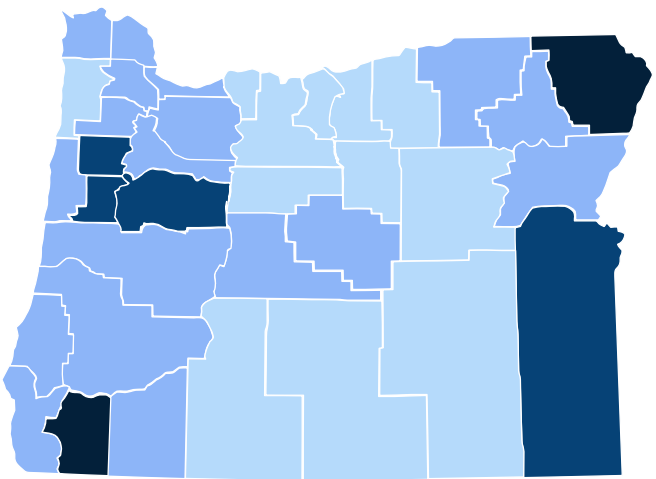

Top 3 services delivered

About half of members receiving housing services report a disability

Top 2 counties*

- Wallowa
- Josephine

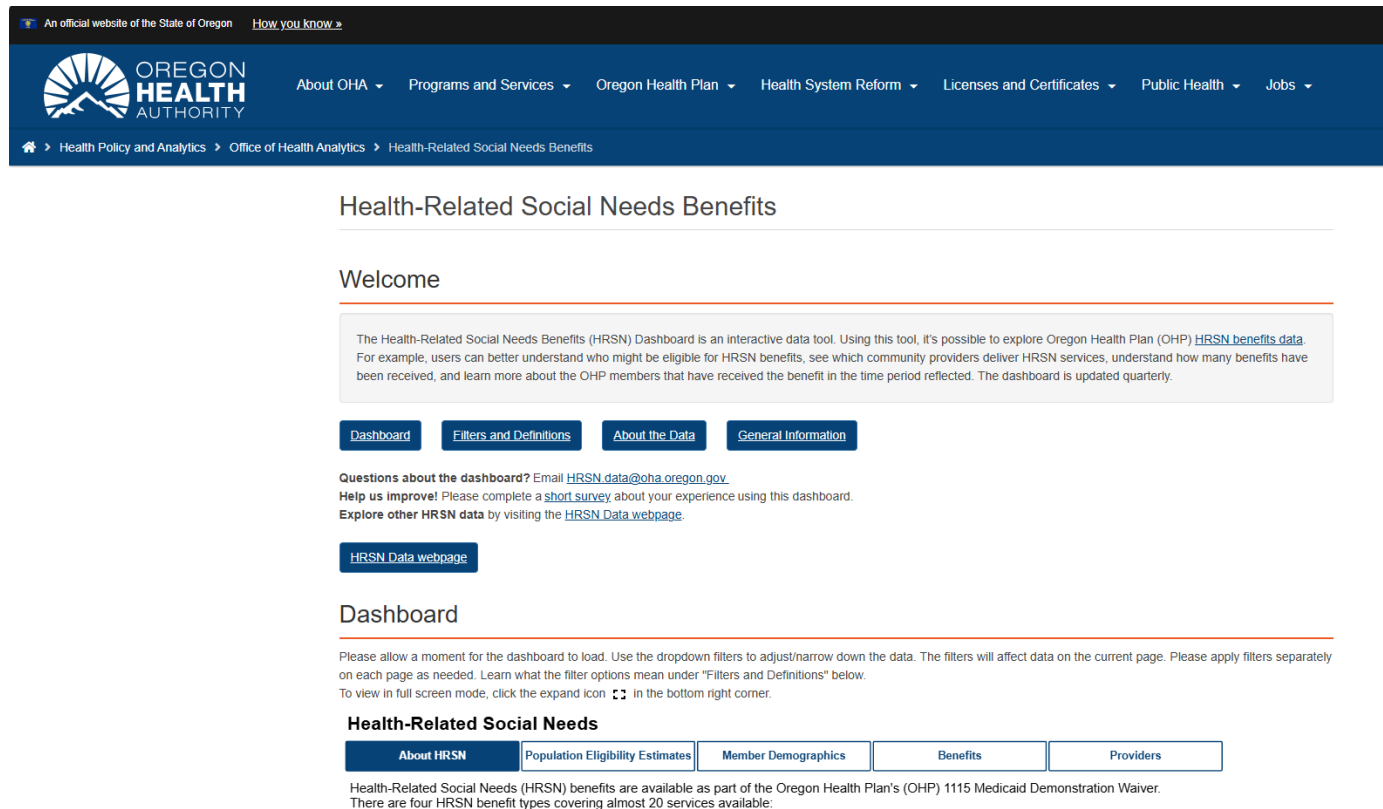

*by rate of members receiving housing services

Data Notes:

- Utilization data pulled from Medicaid Management Information System goes through 12/31/2025.
- Disability data is using REALD data standards.

The new HRSN Dashboard is now live!

A [simple, user-friendly data dashboard](#) on the OHA Data about Medicaid Health-Related Social Needs Benefits webpage

The screenshot shows the Oregon Health Authority website with a dark blue header. The header includes the OHA logo and a navigation menu with links: About OHA, Programs and Services, Oregon Health Plan, Health System Reform, Licenses and Certificates, Public Health, and Jobs. Below the header, a breadcrumb trail reads: Health Policy and Analytics > Office of Health Analytics > Health-Related Social Needs Benefits. The main content area is titled "Health-Related Social Needs Benefits" and includes a "Welcome" section. The welcome text states: "The Health-Related Social Needs Benefits (HRSN) Dashboard is an interactive data tool. Using this tool, it's possible to explore Oregon Health Plan (OHP) [HRSN benefits data](#). For example, users can better understand who might be eligible for HRSN benefits, see which community providers deliver HRSN services, understand how many benefits have been received, and learn more about the OHP members that have received the benefit in the time period reflected. The dashboard is updated quarterly." Below the welcome text are four buttons: Dashboard, Filters and Definitions, About the Data, and General Information. Further down, there is a section for "Questions about the dashboard?" with an email link HRSN_data@oha.oregon.gov, a link to a "short survey", and a link to the "HRSN Data webpage". Below this is a "Dashboard" section with a loading message: "Please allow a moment for the dashboard to load. Use the dropdown filters to adjust/narrow down the data. The filters will affect data on the current page. Please apply filters separately on each page as needed. Learn what the filter options mean under 'Filters and Definitions' below. To view in full screen mode, click the expand icon: [icon] in the bottom right corner." Below the loading message is a section titled "Health-Related Social Needs" with a horizontal menu of buttons: About HRSN, Population Eligibility Estimates, Member Demographics, Benefits, and Providers. The "About HRSN" button is currently selected. Below the menu, a short paragraph states: "Health-Related Social Needs (HRSN) benefits are available as part of the Oregon Health Plan's (OHP) 1115 Medicaid Demonstration Waiver. There are four HRSN benefit types covering almost 20 services available."

This dashboard covers:
Broad HRSN eligibility
HRSN service use
Member demographics
HRSN service providers

[View the dashboard.](#)

This dashboard can't answer every question about HRSN

- This dashboard is *not* appropriate for understanding HRSN benefits for specific members or tracking live data.
- The provider information is not suitable as a provider directory
- At this time, it will not include the following data:
 - Denials, appeals, or grievances
 - Months of rent
 - HRSN spending
 - HRSN Service Provider contact information or location
 - Health outcomes
 - Timeline data about HRSN services

What types of questions can be answered with the dashboard?

- Who is receiving HRSN benefits in my region?
- Which providers serve which geographic areas?
- How has HRSN benefit use changed over time?
- What languages do HRSN recipients speak?

The ‘About HRSN’ tab describes each HRSN benefit provided by the 1115 Medicaid Demonstration Waiver

Health-Related Social Needs

About HRSN	Population Eligibility Estimates	Member Demographics	Benefits	Providers
------------	----------------------------------	---------------------	----------	-----------

Health-Related Social Needs (HRSN) benefits are available as part of the Oregon Health Plan's (OHP) 1115 Medicaid Demonstration Waiver. There are four HRSN benefit types covering almost 20 services available:

Home changes for health devices are part of the housing benefit, and include mini-refrigerators, air conditioners, air filtration devices and replacement filters, portable power supplies, heaters, and device installation.

Housing benefit includes rent and utility costs, utilities arrears, utilities set-up, storage fees, hotel/motel stays, medically necessary home accommodations, medically necessary home remediations, and tenancy support services.

Nutrition benefit includes nutrition education and medically tailored meals. Additional nutrition benefits will be available in 2026.

Outreach and Engagement benefits help members learn about programs or services, apply for benefits, organize paperwork, or find help in their language.

To be eligible for an HRSN service, a member must meet four general eligibility requirements, plus additional service specific requirements. [View the population eligibility estimates tab to learn more.](#)

HRSN recipients: are OHP members who meet program eligibility requirements and have been provided a service through their Health Plans.

The ‘Population Eligibility Estimates’ tab explores broad eligibility for HRSN benefits

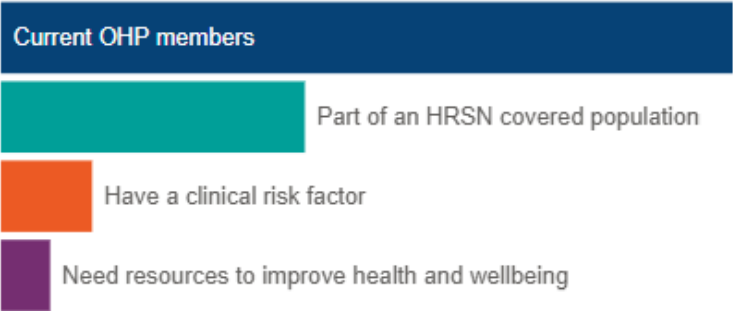

Health-Related Social Needs: Population Eligibility Estimates

About HRSN	Population Eligibility Estimates	Member Demographics	Benefits	Providers
------------	----------------------------------	---------------------	----------	-----------

To be eligible for an HRSN service, a member must meet four general eligibility requirements, plus additional service specific requirements.

Estimates in this dashboard help illustrate how many OHP members could potentially meet all four of the general eligibility requirements. These estimates look at all HRSN benefits and services together. In practice, each service will have different eligibility requirements and as a result a different estimate of members that might be eligible for that service. Estimates also focus on potential eligibility and don't consider demand, uptake or access to services. See the webpage to learn more.

- Requirement #1: Be a current OHP member**
Approximately 1.4 million OHP members that belong to an HRSN eligible OHP program.
- Requirement #2: Be part of an HRSN covered population**
About 40% of OHP members belong to an HRSN covered population.
- Requirement # 3: Have an HRSN clinical risk factor**
Between ~30 to ~50% of OHP members in an HRSN covered population have an HRSN clinical risk factor.
- Requirement #4: Need resources to improve their health and wellbeing.**
About ~50% will need resources to improve their health and wellbeing.

The 'Member Demographics' tab looks at HRSN beneficiaries, including REALD

Data Notes:

* indicates suppressed values where the number of individuals is less than 10 (including zero).

Percentages based on small counts—particularly when the denominator is fewer than 50—may be unreliable and should be interpreted with caution. Counts should be emphasized instead.

Age is based on age of member at the time they received their first HRSN service.

If members are enrolled in more than one Health Plan, the member is counted in the rows twice but only once in the total.
