Subject: Establishment of facility fee for outpatient abortion clinics effective July 1, 2021

The Oregon Health Authority (OHA) now allows eligible providers to be reimbursed for facility costs associated with abortion services provided on or after July 1, 2021. This facility payment is in addition to OHA's current reimbursement for abortion services. Eligible providers are outpatient abortion clinics including family planning clinics that do not currently receive a facility payment.

Why is this happening?

OHA has made this change to increase reproductive health reimbursement rates as noted in Package 801 of the [2021-2023 Legislatively Adopted Budget](#).

What should you do?

To bill OHA for facility costs associated with providing abortion services, use CPT code 99070 and modifiers SU and U4.

To add facility costs for previously submitted claims, please adjust the claims. To learn more about adjusting claims, please refer to the [Claim Adjustment Handbook](#).
