Subject: Clarification about APAC reporting for 2025

This communication is about the Contract Year (CY) 2025 change to require CCOs to submit data files directly to the All Payer All Claims (APAC) program, consistent with statute.

The recent letter from APAC to each CCO stated that the CCO’s first directly submitted data file is due January 31, 2025, for 2024 data. ***This is incorrect.*** CCOs are not required to directly submit their 2024 data file to APAC, consistent with the CY [2024 Contract](#).

The APAC data file submission schedule for the CY 2025 change is listed below.¹ For CCOs (or their parent companies) that already submit data files to APAC for other lines of business, OHA expects them to directly submit their data file starting with 2025 Q1 due by May 1, 2025. OHA expects all other CCOs to directly submit their data file no later than 2025 Q3 due by October 31, 2025. CCOs should contact APAC at APAC.Admin@odhsoha.oregon.gov with any concerns about this timeline.

<i>Quarter</i>	<i>Reporting Period</i>	<i>Due Date</i>
2025 Q1	January-March 2025 services and members	May 1, 2025
2025 Q2	January-June 2025 services and members	July 31, 2025
2025 Q3	January-September 2025 services and members	October 31, 2025
2025 Q4	January-December 2025 services and members	January 31, 2026
2026 Q1	April 2025-March 2026 services and members ²	May 1, 2026

APAC will provide the opportunity for CCOs, at their discretion, to directly submit their 2024 data file. Some CCOs may find this beneficial for system programming reasons. CCOs should [contact APAC](#) to discuss this option.

APAC will collaborate with each CCO on implementation of the CY 2025 Contract change. APAC’s data vendor, HRSI, is also available to assist CCOs. APAC can review file layouts and other specifications, validation rules and other data quality measures applied to data, and any other aspect that CCOs would find helpful to understand and implement the direct reporting. Please [contact APAC](#) for implementation assistance or for any questions about the APAC program.

Thank you for your continued support of the Oregon Health Plan and the services you provide to our members.

¹ The 2025 submission schedule for all payers, including CCOs, will be posted later in 2024 on the APAC data submission [webpage](#).

² As of 2026 Q1, the rolling twelve months selection would begin in file creation and submission. See the forthcoming 2025 APAC submission schedule for more information.
