**Subject:** Attestation for 2025 Supporting Health for All through Reinvestment (SHARE) Spending Plan

The Oregon Health Authority (OHA) introduced a new Attestation process for select deliverables in the [2024](#) CCO contract. Under this process, OHA provides CCOs with a self-evaluation checklist for the deliverable, and then each CCO submits an Attestation that its deliverable meets the content requirements in the checklist. OHA continues to use this process for select deliverables in the [2025](#) contract.

OHA has decided to apply a variation of the above Attestation process to the 2025 SHARE Spending Plan required by Exhibit K, Section 8, Paragraph a, Subparagraph (2). The SHARE Spending Plan Attestation will summarize the requirements specified in the SHARE Guidance Document and require the CCO to identify how it will spend its current year's SHARE Designation. OHA shared this decision with CCOs in the memo about 2025 SHARE changes dated [December 13, 2024](#).

**OHA hereby waives the CY 2025 requirement to submit the SHARE Spending Plan for review and approval as set forth in the contract section cited above.** Instead, OHA will apply the Attestation process described above. This waiver does not relieve the CCO of any other requirements relating to SHARE in the 2025 CCO contract.

Consistent with the 2025 contract requirements for other Attestations:

- The CCO must provide OHA with the SHARE information that is the basis of its Attestation within five (5) Business Days of request by OHA.
- OHA has the right to take action, in accordance with Exhibit B, Part 9, if it determines that Contractor's Attestation is false.

The SHARE Spending Plan Attestation will be posted on the CCO Contract Forms [webpage](#) by October 1, 2025. The due date remains December 31, 2025.
