**Subject:** Behavioral Health Fee Schedule Posting Error

The Oregon Health Authority (OHA) is communicating an error in posting the behavioral health fee schedule. The erroneous behavioral health fee schedule was posted for three days from Tuesday, April 28 through Thursday, April 30, 2020.

OHA intended to update the behavioral health fee schedule to increase the services reimbursable through telehealth. OHA does not intend reduce reimbursement for any services. The correct fee schedule was uploaded to the OHA web page on Thursday, April 30, 2020 and titled [May 2020 Behavioral Health Fee Schedule](#).

### What should you do?

Coordinated care organizations (CCOs) should honor the rates on the May 2020 fee schedule for the dates of April 28-30, 2020. The May 2020 fee schedule includes rates approved by legislature in the 2019 session and implemented in October 2019.

Fee-for-service providers should continue to bill as normal. MMIS is configured to reimburse at the 2020 rates.
