Subject: Fee-for-service dental rate increase effective Oct. 1, 2023

Oregon Health Authority (OHA) has increased fee-for-service reimbursement rates for one hundred ninety-five (195) Current Dental Terminology (CDT) codes with an effective date of Oct. 1, 2023. The December 2024 publication of the [Medical-Dental Fee Schedule](#) will reflect the increase.

Why is this happening?

These codes should have been included in the original system updates to apply an Oct. 1, 2023 rate increase to all covered CDT codes. This activity corrects the error.

What should you do?

No action is required on your part. OHA will reprocess all related claims accordingly.

We regret any inconvenience this may cause and appreciate your patience as we resolve this matter.
