Subject: January capitation payment delay for CCO members with CHIP PERC Codes

The Oregon Health Authority (OHA) contracts with Deloitte to update and maintain the ONE Eligibility system (ONE). Deloitte is working on necessary updates to the CHIP PERC Codes in ONE. Deloitte has informed OHA that this process will result in a delay of the January capitation payments for CCO members with CHIP PERC Codes. This affects approximately 140,000 members total across all CCOs. The new updates to the PERC codes have been shared with the CCOs and are posted on the [EDI website](#).

Deloitte expects the CHIP PERC Codes' updates will be completed in time for the associated capitation payments to be issued during the January 26-30, 2024, financial cycle.

The 834 Enrollment files will reflect the updated CHIP PERC Codes, which may result in larger than normal file sizes. These updates will be made gradually until January 19, 2024.
