

## Memorandum

**To:** Birth doulas; coordinated care organizations

**From:** Nathan Roberts, Hospital and Professional Services Policy manager

**Date:** Dec. 31, 2024

**Subject:** Fee-for-service billing for additional support visits effective Jan. 1, 2025

---

Effective Jan. 1, 2025, Oregon Health Authority will pay for up to four additional support visits beyond the visits covered by the standard global birth doula benefit. The fee-for-service rate is \$215.00 per visit. These additional visits:

- May occur either before or after birth, in any combination.
- Are covered for up to 12 months following the end of the pregnancy.
- May be billed only after delivering the standard global benefit. The standard global benefit includes two (2) prenatal support visits, doula support on day of delivery and two (2) postpartum support visits.

To learn more about fee-for-service billing, [please refer to the updated Birth Doula Billing Guide](#).

Coordinated care organizations (CCOs) must offer the same benefits as outlined above. Contact the member's CCO to learn about their billing requirements.
