**Date:** February 13, 2024

**To:** Fee-for-service birth doula providers

**From:** Donny Jardine, Medicaid Behavioral Health Policy manager  
Medicaid Programs

**Subject:** Birth doula procedure code change effective July 1, 2024

Starting July 1, 2024, the Oregon Health Authority (OHA) will only accept fee-for-service claims for birth doula services billed using the following procedure code and modifier combinations:

| Code(s) | Description   | Modifier | Rate effective 7/1/2022 |
|---------|---|----------|-------------------------|
| T1033   | Standard doula benefit with support at delivery         | HD       | \$1,500.00              |
| T1033   | Doula service day of delivery only                      | 22       | \$645.00                |
| T1033   | Support visit (up to 2 prenatal or 2 postpartum visits) |          | \$215.00 per visit      |

### Why is this happening?

The Centers for Medicare & Medicaid Services (CMS) added the T1033 procedure code for doula services effective October 1, 2022.

### What should you do?

Only use the procedure code and modifier combinations listed above for any doula services provided on or after July 1, 2024. The last day to submit any unbilled claims for reimbursement with the U9 modifier is **June 30, 2024**.

To learn more about billing and adjusting claims, [visit the OHP Billing page](#).

### Questions?

**About fee-for-service reimbursement:** Please contact [Provider Services](#) (800-336-6016).

Thank you for your continued support of the Oregon Health Plan and the services you provide to our members.
