**From:** Donny Jardine, Medicaid Transformation Programs  
Manager, Medicaid Programs Unit

**Subject:** Temporary rate increase for Enhanced Care Services, effective October 1, 2022

Effective October 1, 2022, the Oregon Health Authority (OHA) is temporarily increasing the rate for Enhanced Care Services (ECS). For six months, through March 31, 2023, OHA will reimburse ECS providers \$405.03 per day. OHA will continue working to secure additional funding for ECS.

### Why is this happening?

The Oregon Legislative Emergency Board awarded funding for this six-month increase. OHA recognizes the need to invest in the services provided to individuals accessing multiple systems of care to address complex medical and behavioral health needs.

### What should you do?

To bill for ECS service dates from October 1, 2022, through March 31, 2023:

- Do not use procedure code H2018 with the HK modifier.
- Instead use procedure code H2013 with the HK modifier.
