**Subject:** Temporary rate increase for Enhanced Care Services ends June 30, 2023

Effective June 30, 2023, the Oregon Health Authority (OHA) is ending the temporary rate increase for Enhanced Care Services (ECS). This means starting July 1, 2023, OHA will reimburse ECS providers \$243.02 per day.

### **Why is this happening?**

We value your work to support individuals accessing multiple systems of care to address complex medical and behavioral health needs. Unfortunately, we have not been able to secure increased funding on a long-term basis.

### **What should you do?**

Use procedure code H2013 with the HK modifier to bill for ECS service dates from April 1, 2023, through June 30, 2023. Starting July 1, 2023, use only procedure code H2018 with the HK modifier.
