**Date:** July 31, 2023

**To:** Coordinated care organizations

**From:** Dave Inbody, CCO Operations director

**Subject:** Extension of CCO enrollment limits waiver through December 31, 2023

In the [memo](#) dated May 1, 2020, the Oregon Health Authority (OHA) communicated its decision to waive the requirement to limit the enrollment of each coordinated care organization (CCO) to the county limit/s and grand total limit listed in its contract. Through the memos dated [December 22, 2020](#), [May 25, 2021](#), [April 6, 2022](#), [December 12, 2022](#), and [February 23, 2023](#), OHA extended this waiver through August 31, 2023.

**OHA hereby further extends this waiver through December 31, 2023.** The waiver does not relieve the CCO of any other requirement relating enrollment limits and Service Area as described in the contract.

This is the final extension of the enrollment limits waiver. OHA is developing a process for future enrollment limits changes. OHA intends for this process to rely, at least in part, on the quarterly Delivery System Network Provider Capacity Reports. OHA will discuss the process with CCOs in a future Operations Collaborative or Contracts & Compliance Workgroup meeting.
