

# Memorandum

**To:** Visual Services Providers

**From:** Nathan Roberts, Hospital and Professional Services Policy manager

**Date:** April 28, 2026

**Subject:** Price increase for eyeglass lenses and frames effective Jan. 1, 2026

---

Effective Jan. 1, 2026, SWEEP Optical prices for eyeglass lenses and frames have increased. The new rates are in the Oregon Health Plan (OHP) Medical-Dental Fee-for-Service Fee Schedule.

## Why is this happening?

The Oregon Department of Administrative Services holds a statewide contract with Laurel Hill Center, Inc. (DBA SWEEP Optical). All agencies, including Oregon Health Authority (OHA), must access eyeglass lenses and frames through this contract. The contract was amended Jan. 1, 2026, to increase prices.

## What should you do?

For eyeglass lenses and frames purchased through SWEEP Optical on or after Jan. 1, 2026, for fee-for-service members:

- Bill OHA at or above the new rates. OHA will reimburse at the new rates.
- To get the increase for previously paid claims, please adjust the paid claims.
