Subject: Fee-for-service hospice rates and nursing facility rates effective October 1, 2023

The Oregon Health Authority (OHA) has updated the fee-for-service payment rates for the Hospice Services program. The rates are posted on [the Hospice Services rules and guidelines page](#). These rates:

- Are for care and services provided from October 1, 2023, through September 30, 2024.
- Include a separate revenue code (650) for billing routine home care (RHC) on and after day 61.
- Indicate the Medicaid rates for hospice providers **who have complied** with [federal quality reporting program requirements](#). Providers that do not comply with these requirements will be paid at a lower rate.

The Nursing Facility rates were updated effective July 1, 2023.

Note: The Enhanced Wage Add-on program ends June 30, 2023. OHA will pay enhanced rates for dates of service from October 1, 2021, through June 30, 2023.

Why is this happening?

OHA updates the Hospice Services rates annually, based on annual updates from the Centers for Medicare & Medicaid Services (CMS).

What should you do?

Please report quality data as outlined on the [CMS Hospice Quality Reporting website](#). If you have **not** submitted this data to CMS, please contact the hospice policy analyst (listed below) before you bill for services rendered on or after October 1, 2023.

For RHC services: Use revenue code 651 only for RHC provided during the first 60 days of a hospice election, and revenue code 650 for RHC provided on day 61 or later of the hospice election.

- For a patient readmitted within 60 days of discharge, count prior hospice days to determine whether to bill at the higher or lower rate.
- For a patient readmitted more than 60 days after discharge, prior hospice days do not count. A new election to hospice will reset the 60-day window for billing at the higher rate.
- The count does not start over if the patient moves to a different hospice provider, unless there is more than 60 days' break in hospice services.

For services provided by a registered nurse or social worker in the last seven days of a hospice patient's life: Please continue to keep note of the services that meet service-intensity add-on (SIA) payment criteria. We will let you know when you can start billing OHA for SIA payments. System changes are being made so that OHA can pay.
