- Increase the reimbursement rate for Aging and People with Disabilities (APD) 1915(k) community-based care, including in-home care agencies and adult day services, by 15 percent.
- Increase the reimbursement rate for Office of Developmental Disabilities (ODDS) 1915(k) attendant care in adult 24-hour group homes by 2.97 percent, in children's 24-hour group homes by 3.15 percent, in adult day services by 3.72 percent and in-home care by 2.70 percent.

APD and ODDS rate increases for 1915(k) services are subject to legislative budget approval.
