

Memorandum

To: Interested Parties: Medicaid Behavioral Health Service Providers

From: Medicaid Behavioral Health Policy Unit

Date: Nov. 14, 2025

Subject: Medication-Assisted Treatment (MAT) List Update

The Medication-Assisted Treatment (MAT) medications list has been updated, effective October 2025, to reflect the medications currently available to fee-for-service Oregon Health Plan (OHP) members. Please review the list for information about available medications and rates. The MAT list also includes information about the behavioral health fee schedule and national drug code reporting.

[Click here](#) to view the current MAT list.

What should you do?

Please review the MAT list for information about available medications and rates and continue to bill as appropriate.
